LETTER TO SHAREHOLDERS FROM THE CHAIRMAN

To our Shareholders:

It is my pleasure to invite you to attend our joint Annual Meetings of shareholders at The Dorchester, 53 Park Lane, Mayfair, London W1K 1QA, United Kingdom on Wednesday, April 5, 2017. The meetings will commence at 9:30 a.m., and although there are technically two separate meetings (the Carnival plc meeting will begin first), shareholders of Carnival Corporation may attend the Carnival plc meeting and vice-versa. We plan to continue to rotate the location of the Annual Meetings between the United Kingdom and the United States each year in order to accommodate shareholders on both sides of the Atlantic.

We are also pleased to offer an audio replay of the business portion of the Annual Meetings, which will be available shortly after the meetings at www.carnivalcorp.com or www.carnivalplc.com.

Details regarding the matters to be voted on are contained in the attached Notices of Annual Meetings of Shareholders and Proxy Statement. Because of the dual-listed company arrangement, all voting will take place on a poll (or ballot).

Your vote is important. We encourage you to vote as soon as possible, even if you plan to attend the meetings.

The Boards of Directors consider voting in favor of Proposals 1 through 11 and 13 through 20 to be in the best interests of Carnival Corporation and Carnival plc and its shareholders. In the case of Proposal 12, the Boards of Directors have concluded that the vote to approve the compensation of our Named Executive Officers should occur on an annual basis. Accordingly, the Boards of Directors unanimously recommend that you cast your vote “FOR” Proposals 1 through 11 and 13 through 20 and, in the case of Proposal 12, that you vote in favor of the vote to approve the compensation of our Named Executive Officers occurring on an annual basis.

Thank you for your ongoing interest in, and continued support of, Carnival Corporation & plc.

January 30, 2017

Sincerely,

Micky Arison
Chairman of the Boards of Directors

Carnival Corporation is continuing to take advantage of U.S. Securities and Exchange Commission ("SEC") rules that allow it to deliver proxy materials over the Internet. Under these rules, Carnival Corporation is sending its shareholders a one-page notice regarding the Internet availability of proxy materials instead of a full set of proxy materials, unless they previously requested to receive printed copies. If you receive this one-page notice, you will not receive printed copies of the proxy materials unless you specifically request them. Instead, this notice tells you how to access and review on the Internet all of the important information contained in the proxy materials. This notice also tells you how to submit your proxy card on the Internet and how to request to receive a printed copy of the proxy materials. All Carnival Corporation shareholders are urged to follow the instructions in the notice and submit their votes using one of the voting methods described in the proxy materials. If you receive a printed copy of the proxy materials, the accompanying envelope for return of the proxy card requires no postage. Any shareholder attending the meeting in London may personally vote on all matters that are considered, in which event the previously submitted proxy will be revoked.

THIS NOTICE OF ANNUAL GENERAL MEETING IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. IF YOU ARE IN ANY DOUBT AS TO ANY ASPECT OF THE PROPOSALS REFERRED TO IN THIS DOCUMENT OR AS TO THE ACTION YOU SHOULD TAKE, YOU SHOULD IMMEDIATELY CONSULT YOUR STOCKBROKER, BANK MANAGER, SOLICITOR, ACCOUNTANT OR OTHER INDEPENDENT FINANCIAL ADVISOR AUTHORIZED UNDER THE UK FINANCIAL SERVICES AND MARKETS ACT 2000.

IF YOU HAVE SOLD OR OTHERWISE TRANSFERRED ALL YOUR SHARES IN CARNIVAL PLC, PLEASE SEND THIS DOCUMENT AND THE ACCOMPANYING DOCUMENTS TO THE PURCHASER OR TRANSFEREE OR TO THE STOCKBROKER, BANK OR OTHER AGENT THROUGH WHOM THE SALE OR TRANSFER WAS EFFECTED FOR TRANSMISSION TO THE PURCHASER OR TRANSFEREE.

Voting Arrangements for Carnival plc Shareholders

Carnival plc shareholders can vote in either of two ways:

- by attending the meeting and voting in person or, in the case of corporate shareholders, by corporate representatives; or
- by appointing a proxy to attend and vote on their behalf, using the proxy form enclosed with this Notice of Annual General Meeting.

Voting in person

If you come to the Annual General Meeting, please bring the attendance card (attached to the enclosed proxy form) with you. This will mean you can register more quickly.

In order to attend and vote at the Annual General Meeting, a corporate shareholder may appoint one or more individuals to act as its representative. The appointment must comply with the requirements of Section 323 of the Companies Act 2006. Each representative should bring evidence of their appointment, including any authority under which it is signed, to the meeting. If you are a corporation and are considering appointing a corporate representative to represent you and vote your shareholding in Carnival plc at the Annual General Meeting, you are strongly encouraged to pre-register your corporate representative to make registration on the day of the meeting more efficient. In order to pre-register, please email your Letter of Representation to Carnival plc's registrars, Equiniti Limited, at proxy.votes@equiniti.com.

Voting by proxy

A shareholder entitled to attend and vote at the meeting is entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote in his or her stead. A proxy need not be a shareholder of Carnival plc. A shareholder may appoint more than one proxy provided that each proxy is appointed to

exercise the rights attached to a different share or shares held by that shareholder. To appoint more than one proxy, please follow the notes contained in the proxy form. A person who is nominated to enjoy information rights in accordance with Section 146 of the Companies Act 2006, but who is not a shareholder, is not entitled to appoint a proxy.

If you are a person nominated to enjoy information rights in accordance with Section 146 of the Companies Act 2006 you may have a right under an agreement between you and the member by whom you were nominated to be appointed, or to have someone else appointed, as a proxy for the meeting. If you have no such right, or you have such a right but do not wish to exercise it, you may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

To be effective, a duly completed proxy form and the authority (if any) under which it is signed, or a notarially certified copy of such authority, must be deposited (whether delivered personally or by post) at the offices of Carnival plc's registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, United Kingdom as soon as possible and in any event no later than 9:30 a.m. (BST) on April 3, 2017. Alternatively, a proxy vote may be submitted via the Internet in accordance with the instructions set out on the proxy form.

In the case of joint registered holders, the signature of one holder on a proxy card will be accepted and the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be determined by the order in which names stand on the register of shareholders of Carnival plc in respect of the relevant joint holding.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual, which can be viewed at www.euroclear.com. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Carnival plc may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Shareholders who are entitled to vote

Carnival plc, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders registered in the register of members of Carnival plc at 6:30 p.m. (BST) on

April 3, 2017 shall be entitled to attend or vote at the meeting in respect of the number of shares registered in their name at that time. Changes to the entries on the register of members after 6:30 p.m. (BST) on April 3, 2017 shall be disregarded in determining the rights of any person to attend or vote at the meeting.

Any shareholder attending the meeting has the right to ask questions. Carnival plc must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of Carnival plc or the good order of the meeting that the question be answered.

Documents available for inspection

Copies of all service agreements (including letters of appointment) between each Director and Carnival plc will be available for inspection during normal business hours on any weekday (public holidays excluded) at the registered office of Carnival plc from the date of this notice until and including the date of the meeting and at the place of the meeting for at least 15 minutes prior to and during the meeting.

* * *

There are 20 Proposals that require shareholder approval at the Annual Meeting this year. The Directors unanimously recommend that you vote in favor of Proposals 1 through 11 and 13 through 20 (inclusive) and, in the case of Proposal 12, that you vote in favor of the vote to approve the compensation of our Named Executive Officers occurring on an annual basis. The Directors encourage you to submit your vote using one of the voting methods described herein. Submitting your voting instructions by any of these methods will not affect your right to attend the meeting in person should you so choose.

Website materials

This Proxy Statement and other information required by Section 311A of the Companies Act 2006 have been posted on our website at www.carnivalcorp.com and www.carnivalplc.com.

Under Section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require Carnival plc to publish on a website a statement setting out any matter relating to: (i) the audit of Carnival plc's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of Carnival plc ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006. Carnival plc may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where Carnival plc is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to Carnival plc's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that Carnival plc has been required under Section 527 of the Companies Act 2006 to publish on a website.

GOVERNANCE

We are committed to governance policies and practices so that shareholder and other stakeholder interests are represented in a thoughtful and independent manner. Sound principles of corporate governance are critical to obtaining and retaining the trust of investors. They are also vital in securing respect from other key stakeholders and interested parties, including employees, our guests, suppliers, the communities in which we conduct business, government officials and the public-at-large.

Carnival Corporation and Carnival plc operate under a dual-listed company structure with primary stock listings in the United States and the United Kingdom. Accordingly, we have implemented a single corporate governance framework consistent, to the extent possible, with the governance practices and requirements of both countries. While there are customs or practices that differ between the two countries, we believe our corporate governance framework effectively addresses the corporate governance requirements of both the United States and the United Kingdom.

Our corporate governance principles are set forth in our Corporate Governance Guidelines and the charters of our Board Committees. The actions described in these documents, which the Boards have reviewed and approved, implement applicable requirements, including the New York Stock Exchange listing requirements and, to the extent practicable, the UK Corporate Governance Code published by the UK Financial Reporting Council in September 2014 (the “UK Corporate Governance Code”), as well our own vision of good governance.

We will continue to monitor governance developments in the United States and the United Kingdom to ensure a vigorous and effective corporate governance framework of the highest international standards.

Our Corporate Governance Guidelines, copies of the charters of our Board Committees and our organizational documents are available under the “Governance” section of our website at www.carnivalcorp.com and www.carnivalplc.com.

PROPOSALS 1-10 ELECTION OR RE-ELECTION OF DIRECTORS

The Boards are elected by the shareholders to exercise business judgment to act in what they reasonably believe to be in the best interests of Carnival Corporation & plc and their shareholders. The Boards select and oversee the members of senior management, who are charged by the Boards with conducting the business of the company.

Nominations of Directors

Carnival Corporation and Carnival plc are two separate legal entities and, therefore, each has a separate Board of Directors, each of which in turn has its own Nominating & Governance Committee. As the dual-listed company (“DLC”) arrangement requires that there be identical Boards of Directors, the Nominating & Governance Committees make one set of determinations in relation to both companies.

The Nominating & Governance Committees actively seek individuals qualified to become Board members and recommend to the Boards the nominees to stand for election as Directors at the Annual Meetings of Shareholders or, if applicable, at a Special Meeting of Shareholders.

GOVERNANCE

Election or Re-Election of Directors

When evaluating prospective candidates for Director, regardless of the source of the nomination, the Nominating & Governance Committees will consider, in accordance with their charters, such factors as they deem appropriate, including, but not limited to:

- the candidate's judgment
- the candidate's skill
- diversity considerations
- the candidate's experience with businesses and other organizations of comparable size
- the interplay of the candidate's experience with the experience of other Board members
- the extent to which the candidate would be a desirable addition to the Boards and any Committees of the Boards

Our Corporate Governance Guidelines dictate that diversity should be considered by the Nominating & Governance Committees in the director identification and nomination process. This means that the Nominating & Governance Committees seek nominees who bring a variety of business backgrounds, experiences and perspectives to the Boards. The Boards believe that the backgrounds and qualifications of the Directors, considered as a group, should provide a broad diversity of experience, professions, skills, geographic representations, knowledge and abilities that will allow the Boards to fulfill their responsibilities and the Nominating & Governance Committees assess the effectiveness of this approach as part of the annual evaluations of our Boards of Directors.

As of the date of this Proxy Statement, 30% of the members of the Boards are women (being three of ten members).

The Nominating & Governance Committees will also use their best efforts to see that the composition of the Boards adheres to the independence requirements applicable to companies listed for trading on the New York Stock Exchange and the London Stock Exchange. The Nominating & Governance Committees may consider candidates proposed by management, but are not required to do so. Other than the foregoing, there are no stated minimum criteria for Director nominees.

The Nominating & Governance Committees identify nominees by first evaluating the current members of the Boards willing to continue in service. As part of director succession planning, current members of the Boards with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Boards with that of obtaining a new perspective. If any member of the Boards does not wish to continue in service or if the Nominating & Governance Committees or the Boards decide not to re-nominate a member for re-election, the Nominating & Governance Committees identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Nominating & Governance Committees and the Boards are polled for suggestions as to individuals meeting the criteria of the Nominating & Governance Committees. Helen Deeble was identified as a potential board member by an independent board member. The Nominating & Governance Committees engage a third party search firm to identify and attract potential nominees.

2017 Nominees for Election or Re-Election to the Boards

The DLC arrangement requires the Boards of Carnival Corporation and Carnival plc to be identical. Shareholders are required to approve the election or re-election of Directors to each Board. There are ten nominees for election or re-election to each Board of Directors. Each nominee currently serves as a Director of both companies. All nominees for Director are to be elected or re-elected to serve until the next Annual Meeting and until their successors are elected.

With respect to each Board nominee set forth below, the information presented includes such person's age, the year in which such person first became a Director, any other position held with Carnival

Corporation and Carnival plc, such person's principal occupations during at least the past five years, any directorships held by such nominee in public or certain other companies over the past five years and the nominee's qualifications, including particular areas of expertise, to serve as a Director.

The Nominating & Governance Committees conducted performance evaluations on the members of our Boards of Directors serving during fiscal 2016 and reported the results to the Boards. The Boards determined that each nominee was an effective and committed member of the Boards and the Board Committees on which each serves. In addition, in January 2016, the Nominating & Governance Committees engaged a third-party governance expert to perform an assessment of the effectiveness of the Boards during 2016. The third-party governance expert interviewed each Director and members of senior management who interact substantially with the Boards, reviewed the results of the assessment with the Senior Independent Director, and then organized and summarized the assessment for discussion with the full Boards.

Accordingly, the Boards of Directors unanimously recommend a vote **FOR the election or re-election of each of the following Director nominees:**

BOARD AND COMMITTEE GOVERNANCE

Board Meetings

During the year ended November 30, 2016, the Board of Directors of each of Carnival Corporation and Carnival plc held a total of seven meetings. Each Carnival Corporation Director and each Carnival plc Director attended either telephonically or in person at least 75% of all Carnival Corporation & plc Board of Directors and applicable Board Committee meetings held during the period that he or she served.

Our Corporate Governance Guidelines provide that our Non-Executive Directors, all of whom are currently independent, will meet privately in executive session at least quarterly. Our Non-Executive Directors, acting in executive session, elected Mr. Subotnick as the Presiding Director to preside at these meetings. Mr. Subotnick also acts as the Senior Independent Director under the UK Corporate Governance Code.

All Board members are expected to attend our Annual Meetings of Shareholders. At the 2016 Annual Meetings, all incumbent Board members of each company were in attendance.

Board Committees

The Boards delegate various responsibilities and authority to different Board Committees. The Board Committees regularly report on their activities and actions to the full Boards. The Board of Directors of each of Carnival Corporation and Carnival plc has established standing Committees, which are each comprised of the same Directors for each company, as follows:

- Audit
- Compensation
- Executive
- Health, Environmental, Safety & Security (“HESS”)
- Nominating & Governance

Each Board Committee periodically reviews its charter in light of new developments in applicable regulations and may make additional recommendations to the Boards to reflect evolving best practices. Each Board Committee can engage outside experts, advisors, and counsel to assist the Committee in its work.

Audit Committees. The Audit Committees assist the Boards in their general oversight of our financial reporting, internal controls and audit functions, and are responsible for the appointment, retention, compensation, and oversight of the work of our independent auditors and our independent registered certified public accounting firm. The Board of Directors of Carnival Corporation has determined that each member of the Audit Committees is both “independent” and an “audit committee financial expert,” as defined by SEC rules. In addition, the Board of Directors of Carnival plc has determined that each member of the Audit Committees has “recent and relevant financial experience” for the purposes of the UK Corporate Governance Code. The Boards determined that each member of the Audit Committees has sufficient knowledge in reading and understanding the company’s financial statements to serve on the Audit Committees. The responsibilities and activities of the Audit Committees are described in detail in “Report of the Audit Committees” and the Audit Committees’ charter.

Compensation Committees. The Compensation Committees have authority for reviewing and determining salaries, performance-based incentives, and other matters related to the compensation of our executive officers, and administering our stock incentive plans, including reviewing and granting equity-based grants to our executive officers and other employees. The Compensation Committees also review and determine various other compensation policies and matters, including making recommendations to the Boards with respect to the compensation of the Non-Executive (non-employee) Directors, incentive compensation and equity-based plans generally, and administering the employee stock purchase plans. For more information on the responsibilities and activities of the Compensation Committees, including the Committees’ processes for determining executive compensation, see “Compensation Discussion and Analysis,” “Executive Compensation” and the Compensation Committees’ charter.

Executive Committees. The Executive Committees may exercise the authority of the full Boards between meetings of the Boards, except to the extent that the Boards have delegated authority to another Committee or to other persons, and except as limited by applicable law.

HESS Committees. The HESS Committees review and recommend policies relative to the protection of the environment and the health, safety and security of employees, contractors, guests and the public. The HESS Committees also supervise and monitor health, environmental, safety, security and sustainability policies and programs and review with management significant risks or exposures and actions required to minimize such risks. For more information on the responsibilities and activities of the HESS Committees, see the HESS Committees’ charter.

Nominating & Governance Committees. The Nominating & Governance Committees review and report to the Boards on a periodic basis with regard to matters of corporate governance, including succession planning. The Nominating & Governance Committees also review and assess the effectiveness of our Corporate Governance Guidelines, make recommendations to the Boards regarding proposed revisions to these guidelines, and make recommendations to the Boards regarding the size and composition of the Boards and their Committees. For more information on the responsibilities and activities of the Nominating & Governance Committees, see “Nominations of Directors,” “Procedures Regarding Director Candidates Recommended by Shareholders” and the Nominating & Governance Committees’ charter.

Additional information with respect to Carnival plc’s corporate governance practices during fiscal 2016 is included in the Carnival plc Corporate Governance Report attached to this Proxy Statement as Annex C.

Board and Committee Independence

Governance Committees of each company are independent (as defined by the listing standards of the New York Stock Exchange, SEC rules and the UK Corporate Governance Code). In addition, all members of the Audit Committees and Compensation Committees meet the heightened independence criteria applicable to Directors serving on those Committees under SEC rules and New York Stock Exchange listing standards.

Risk Oversight

The Boards of Directors have overall responsibility for the Carnival Corporation & plc Enterprise Risk Management Program, which is designed to support the Boards by providing insights related to risk identification and mitigation.

Our Boards use their Committees to assist in their risk oversight function as follows:

- Our Audit Committees are responsible for oversight of our financial and non-HESS controls and compliance activities. The Audit Committees also oversee management's processes to identify and quantify the material risks facing Carnival Corporation & plc. In connection with its risk oversight role, the Audit Committees regularly meet privately with representatives from our independent registered certified public accounting firm, the Chief Audit Officer and the General Counsel.
- Our Compensation Committees are responsible for oversight of risk associated with our executive compensation structure, policies and programs.
- Our HESS Committees are responsible for oversight of risk associated with the health, environment, safety and security of employees, contractors, guests and the public.
- Our Nominating & Governance Committees are responsible for oversight of risk associated with Board processes and corporate governance, including succession planning.

Each Committee Chairperson presents on its area of risk oversight to the full Boards for review.

Discussions with the Boards regarding the Carnival Corporation & plc strategic plan, consolidated business results, capital structure, and other business-related activities include a discussion of the risks associated with the particular item under consideration. This oversight includes briefings by management, review of audit results and corrective actions, and results of risk assessment and risk monitoring activities.

The Boards believe that the structure and assigned responsibilities provides the appropriate focus, oversight and communication of principal risks faced by our companies.

Compensation Risk Assessment

In 2011, Carnival Corporation & plc's management, in conjunction with the Compensation Committees' independent compensation consultant, Frederic W. Cook & Co., Inc. ("FW Cook"), conducted a thorough review of our compensation programs, including those programs in which our Named Executive Officers participate, to determine if aspects of those programs contribute to excessive risk-taking. Based on the findings from this review and the annual reassessment, the Compensation Committees continue to believe that our compensation policies and practices do not encourage excessive risk-taking and are not reasonably likely to have a material adverse effect on Carnival Corporation & plc.

To reach this conclusion, key elements of our compensation programs were assessed to determine if they exhibited excessive risk. These elements included pay mix (cash vs. equity) and pay structure (short vs. long-term focus), performance metrics, performance goals and ranges, the degree of leverage, incentive maximums, payment timing, incentive adjustments, use of discretion and stock ownership requirements. Our assessment reinforced the Compensation Committees' belief that our

compensation programs are not contributing to excessive risk-taking, but instead contain many features and elements that help to mitigate risk. For example:

- **Pay Structure:** Our compensation programs emphasize both short- and long-term performance through our annual bonus program (delivered in cash) and through the delivery of long-term incentives (equity) in a balanced approach (approximately 50% through base salary and bonus and 50% in long-term equity grants). The mix of our pay program is intended to motivate management to consider the impact of decisions on shareholders in the short, intermediate and long-term.
- **Incentive Limits:** Our annual bonus plans do not allow for unlimited payouts. Bonus awards cannot exceed 200% of target levels. The performance-based share grants made in 2016 limit the payouts to 200% of target, inclusive of the impact of the total shareholder return (“TSR”) modifier, if applicable.
- **Performance-Based Share Grants:** To strengthen the relationship between pay and performance, all of our equity grants to senior executives for fiscal 2016 service have been in the form of performance-based share grants.
- **Performance Measurement:** For corporate officers, the performance measurement used when determining their annual bonus is based on the performance of Carnival Corporation & plc. For officers of our operating units, the performance measurements used when determining their bonus is based 50% on the performance of their operating unit, with the remaining balance being based on the performance of Carnival Corporation & plc to enable a continued focus on the overall success of Carnival Corporation & plc.
- **Stock Ownership Guidelines:** All of our senior executives who are designated as reporting officers under Section 16 of the Exchange Act, including our Named Executive Officers, are subject to a Stock Ownership Policy which specifies target ownership levels of Carnival Corporation and Carnival plc shares for these officers in terms of the value of the equity holdings (including unvested restricted shares and restricted stock units (“RSUs”)) as a multiple of each of these officer’s base salary. The Stock Ownership Policy requires that these officers retain at least 50% of the share awards received after deducting withholding taxes, until their target ownership level is achieved.
- **Clawback Policy:** The Carnival Corporation 2011 Stock Plan (which was approved by shareholders in 2011) and the Carnival plc 2014 Employee Share Plan (which was approved by shareholders in 2014) contain a clawback policy, which authorizes us to recover incentive-based compensation granted under those plans in the event Carnival Corporation & plc is required to restate its financial statements due to fraud or misconduct. Beginning in 2014, the incentive plans used to determine annual bonuses include a clawback policy.

Corporate Governance Guidelines

Our Corporate Governance Guidelines address various governance issues and principles, including Director qualifications and responsibilities, access to management personnel, Director compensation, Director orientation and continuing education and annual performance evaluations of the Boards and Directors. Our Corporate Governance Guidelines are posted on our website at www.carnivalcorp.com and www.carnivalplc.com.

Chief Executive Officer Succession Planning

Our Boards believe that planning for the succession of our Chief Executive Officer is an important function. Our multi-brand structure enhances our succession planning process. At the corporate level, a highly-skilled management team oversees a collection of cruise brands. At both the corporate and

GOVERNANCE

[Board and Committee Governance](#)

brand levels, we continually strive to foster the professional development of senior management. As a result, Carnival Corporation & plc has developed a very experienced and strong group of leaders, with their performance subject to ongoing monitoring and evaluation, as potential successors to all of our senior executive positions, including our Chief Executive Officer.

The Boards and the Nominating & Governance Committees are responsible for succession planning, including emergency succession planning. The independent Non-Executive directors meet with the Chairman and the Chief Executive Officer (both together and individually) at least quarterly to plan for the succession of the Chief Executive Officer, including plans in the event of an emergency. During those sessions, each of the Chairman and the Chief Executive Officer discusses his recommendations of potential successors, along with an evaluation and review of any development plans for such individuals. As provided in our Corporate Governance Guidelines, the Nominating & Governance Committees will, when appropriate, make recommendations to the Boards with respect to potential successors to the Chief Executive Officer. All members of the Boards will work with the Nominating & Governance Committees to see that qualified candidates are available and that development plans are being utilized to strengthen the skills and qualifications of the candidates. When assessing the qualifications of potential successors to the Chief Executive Officer, the Boards and the Nominating & Governance Committees will take into account our business strategy as well as any other criteria they believe are relevant.

Procedures Regarding Director Candidates Recommended by Shareholders

The Nominating & Governance Committees will also consider shareholder recommendations of qualified director nominees when such recommendations are submitted in accordance with the procedures below. In order to have a nominee considered by the Nominating & Governance Committees for election at the 2018 Annual Meetings, a shareholder must provide the same information as is required for shareholders to submit Director nominations under the advance notice provision set forth in Carnival Corporation's by-laws. Specifically, any such recommendation must include, in addition to any other requirements specifically set forth in Carnival Corporation's and Carnival plc's governing documents:

- the name and address of the candidate;
- a brief biographical description, including his or her occupation and service on Boards of Directors of any public company or registered investment company for at least the last five years;
- a statement of the particular experience, qualifications, attributes or skills of the candidate, taking into account the qualification requirements set forth above; and
- the candidate's signed consent to serve as a Director if elected and to be named in the Proxy Statement.

Once we receive the recommendation, we may deliver to the candidate a questionnaire that requests additional information about the candidate's independence, qualifications and other matters that would assist the Nominating & Governance Committees in evaluating the candidate, as well as certain information that must be disclosed about the candidate in our Proxy Statement or other regulatory filings, if nominated. Candidates must complete and return the questionnaire within the time frame provided to be considered for nomination by the Nominating & Governance Committees. For our 2018 Annual Meetings of Shareholders, the Nominating & Governance Committees will consider recommendations received by our Secretary at our headquarters no later than October 27, 2017.

Communications between Shareholders or Interested Parties and the Boards

Shareholders or interested parties who wish to communicate with the Boards, the Presiding Director, the Non-Executive Directors as a group or any individual Director should address their communications

to the attention of the Secretary of Carnival Corporation and Carnival plc at 3655 N.W. 87th Avenue, Miami, Florida 33178. The Secretary will maintain a log of all such communications, promptly forward to the Presiding Director those which the Secretary believes require immediate attention, and also periodically provide the Presiding Director with a summary of all such communications and any responsive actions taken. The Presiding Director will notify the Boards or the Chairs of the relevant Board Committees as to those matters that he believes are appropriate for further action or discussion.

Code of Business Conduct and Ethics

Carnival Corporation and Carnival plc's Code of Business Conduct and Ethics applies to all employees and members of the Boards of Carnival Corporation and Carnival plc and provides guiding principles on areas such as identifying and resolving conflicts of interest. Our Code of Business Conduct and Ethics is posted on our website at www.carnivalcorp.com and www.carnivalplc.com. The Code of Business Conduct and Ethics may be amended periodically to remain in line with best practices.

DIRECTOR INDEPENDENCE AND RELATED PERSON TRANSACTIONS

Independence of Board Members

The Boards of Directors have determined that each of the following Directors is an "independent director" in accordance with the corporate governance rules of the New York Stock Exchange as a result of having no material relationship with Carnival Corporation & plc other than (1) serving as a Director and Board Committee member, (2) receiving related fees as disclosed in this Proxy Statement and (3) having beneficial ownership of Carnival Corporation and/or Carnival plc securities as disclosed in the section of this Proxy Statement entitled "*Share Ownership of Certain Beneficial Owners and Management*": Sir Jonathon Band, Helen Deeble, Richard J. Glasier, Debra Kelly-Ennis, Sir John Parker, Stuart Subotnick, Laura Weil and Randall J. Weisenburger.

Review and Approval of Transactions with Related Persons

Consistent with our written policies and procedures, it is our practice to review all relationships and transactions in which Carnival Corporation & plc and our Directors, nominees and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Our Legal and Global Accounting and Reporting Services Departments are primarily responsible for the development and implementation of processes and controls to obtain

GOVERNANCE

Director Independence and Related Person Transactions

information from the Directors, nominees and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether we or a related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions in which the amount involved exceeds \$120,000 in which Carnival Corporation & plc was or is to be a participant and a related person had or will have a direct or indirect material interest are disclosed in our Proxy Statement. In addition, in accordance with our Schedule of Matters Reserved to the Boards and their Committees for their Decision, the Boards review and approve or ratify any related person transaction involving (1) a Director, regardless of the amount and (2) a Non-Director Executive Officer with an aggregate value in excess of \$50,000.

In the course of its review and approval or ratification of a related person transaction, the Boards may consider factors as follows:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction;
- the importance of the transaction to the related person;
- the importance of the transaction to Carnival Corporation & plc;
- whether the transaction would impair the judgment of a Director or executive officer to act in our best interest; and
- any other matters the Boards deem appropriate.

Any member of the Boards who is a related person with respect to a transaction under review may not participate in the deliberations or vote respecting approval or ratification of the transaction, provided, however, that such Director may be counted in determining the presence of a quorum at a meeting of the Board that considers the transaction.

Transactions with Related Persons

Transactions with Micky Arison. Micky Arison, our Chairman, is also the Chairman, President and the indirect sole shareholder of FBA II, Inc., the general partner of Miami Heat Limited Partnership ("MHLP"), the owner of the Miami Heat, a professional basketball team. He is also the indirect shareholder of Basketball Properties, Inc., the general partner of Basketball Properties, Ltd. ("BPL"), the manager and operator of the American Airlines Arena. Pursuant to a three-year advertising and promotion agreement between Carnival Cruise Line, MHLP and BPL, Carnival Cruise Line paid \$507,500 during fiscal 2016. Carnival Cruise Line also paid \$40,000 during fiscal 2016 for in-game promotions to publicize Carnival Cruise Line during Miami Heat games.

In August 2015, Carnival Corporation entered into the following agreements: (i) a nonexclusive Aircraft Lease Agreement with an owner trustee under a trust agreement with AD Astra I, LLC (the "Lease Agreement") and (ii) a Services Agreement with AFO, LLC (the "Services Agreement" and together with the Services Agreement, the "Aircraft Agreements"). Both AD Astra I, LLC and AFO, LLC are companies directly or indirectly controlled by a trust of which Mr. Arison is a beneficiary.

Under the terms of the Lease Agreement, Carnival Corporation leases an aircraft owned by AD Astra I, LLC for additional flight capacity from time-to-time in exchange for an hourly rent of \$4,500 plus applicable taxes, which is based on market charter rates for similar aircraft as adjusted for costs of operations borne by Carnival Corporation (i.e., fuel, crew costs and line maintenance during its operation of the aircraft) and hourly service plan expenses.

Under the terms of the Service Agreement, Carnival Corporation provides aircraft management services to AFO, LLC with respect to the aircraft, including overseeing its operation, maintenance, and

staffing, and will be paid an annual fee of \$216,000 (which is based on market rates for similar arrangements) (the “Service Fee”). In addition, Carnival Corporation will be reimbursed for operating, maintenance and personnel costs and related third party costs incurred in connection with the services (“Service Costs”). The terms of the Aircraft Agreements are one year and renew automatically for one-year periods, unless terminated sooner by either party upon 30 days’ written notice.

During fiscal 2016, Carnival Corporation paid AD Astra I, LLC \$775,100 under the Lease Agreement, and AFO, LLC paid Carnival Corporation \$216,000 for the Service Fee and reimbursed Carnival Corporation \$1,877,600 for the Service Costs.

Registration Rights. Pursuant to a letter agreement (the “Trust Registration Rights Agreement”) dated July 11, 1989, Carnival Corporation granted to the Ted Arison Irrevocable Trust (the “Irrevocable Trust”) and the Arison Children’s Irrevocable Trust (the “Children’s Trust,” and together with the Irrevocable Trust, the “Trusts”) certain registration rights with respect to certain shares of Carnival Corporation common stock held for investment by the Trusts (the “Shares”). The beneficiaries of the Trusts included the children of Ted Arison, including Micky Arison, our Chairman, and Shari Arison. Effective December 26, 1991, the Children’s Trust was divided into three separate continued trusts, including continued trusts for Micky Arison, Shari Arison and Michael Arison.

Under the Trust Registration Rights Agreement, Carnival Corporation has granted the Trusts demand and piggyback registration rights. Carnival Corporation is not required to effect any demand registration unless all of the Shares owned by either of the Trusts are included in the demand. Carnival Corporation has agreed to bear all expenses relating to such demand and piggyback registrations, except for fees and disbursements of counsel for the Trusts, selling costs, underwriting discounts and applicable filing fees.

Under a registration rights agreement dated June 14, 1991, as amended by an amendment dated July 31, 1991 and a succession agreement dated May 28, 2002 (together, the “Arison Registration Rights Agreement”), Carnival Corporation granted certain registration rights to Ted Arison with respect to certain shares of common stock beneficially owned by him (the “Arison Shares”) in consideration for \$10,000. The registration rights were held by the Estate of Ted Arison. The Estate of Ted Arison subsequently transferred the Arison Shares to various trusts for the benefit of Ted Arison’s children (collectively, the “Family Trusts”). The Arison Registration Rights Agreement provides the Family Trusts and certain transferees with demand and piggyback registration rights. Carnival Corporation has agreed to bear all expenses relating to such demand and piggyback registrations, except for fees and disbursements of counsel for the Family Trusts, selling costs, underwriting discounts and applicable filing fees.

The Boards have reviewed and approved or ratified these transactions.

* As part of the establishment of the DLC arrangement, Carnival plc issued a special voting share to Carnival Corporation, which transferred such share to the trustee of the P&O Princess Special Voting Trust (the “Trust”), a trust established under the laws of the Cayman Islands. Trust shares of beneficial interest in the Trust were transferred to Carnival Corporation. The trust shares represent a beneficial interest in the Carnival plc special voting share. Immediately following the transfer, Carnival Corporation distributed such trust shares by way of a dividend to holders of shares of Carnival Corporation common stock. Under a pairing agreement, the trust shares of beneficial interest in the Trust are paired with, and evidenced by, certificates representing shares of Carnival Corporation common stock on a one-for-one basis. In addition, under the pairing agreement, when a share of Carnival Corporation common stock is issued to a person after the implementation of the DLC arrangement, a paired trust share will be issued at the same time to such person. Each share of Carnival Corporation common stock and the paired trust share may not be transferred separately. The Carnival Corporation common stock and the trust shares (including the beneficial interest in the Carnival plc special voting share) are listed and trade together on the New York Stock Exchange under the ticker symbol “CCL.” Accordingly, each holder of Carnival Corporation common stock is also deemed to be the beneficial owner of an equivalent number of trust shares.

SHARE OWNERSHIP
Share Ownership of Certain Beneficial Owners and Management

** As a result of the DLC arrangement, on most matters that affect all of the shareholders of Carnival Corporation and Carnival plc, the shareholders of both companies effectively vote together as a single decision-making body. Combined voting is accomplished through the special voting shares that have been issued by each company.

COMPENSATION

PROPOSAL 11

ADVISORY (NON-BINDING) VOTE TO APPROVE EXECUTIVE COMPENSATION

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and pursuant to Section 14A of the Exchange Act, our shareholders are being provided with the opportunity to cast an advisory (non-binding) vote to approve our executive compensation. We refer to this vote as the “say-on-pay” vote. Although this vote is advisory and is not binding on the Boards, the Compensation Committees will take into account the outcome of the vote when considering future executive compensation decisions.

The “say-on-pay” vote is required to be offered to our shareholders at least once every three years. In 2011, our shareholders recommended that we provide them with the opportunity to cast their “say-on-pay” vote each year and our Boards have accepted that recommendation. We are asking shareholders to again vote on the frequency of the “say-on-pay” vote in Proposal 12. If we maintain our current frequency, it is anticipated that the next “say-on-pay” vote will be at the 2018 Annual Meeting.

The Boards are committed to corporate governance best practices and recognize the significant interest of shareholders in executive compensation matters. The Compensation Committees seek to balance short-term and longer-term compensation opportunities to enable Carnival Corporation and Carnival plc to meet short-term objectives while continuing to produce value for their shareholders over the long-term. They also promote a compensation program designed to attract, motivate and retain key executives. As discussed in the Compensation Discussion and Analysis, the Compensation Committees believe that our current executive compensation program directly links executive compensation to our performance and aligns the interests of our Named Executive Officers with those of our shareholders. For example:

- Our compensation philosophy places more emphasis on variable elements of compensation (such as annual bonuses and equity-based compensation) than fixed remuneration.
- In accordance with the Compensation Committees’ focus on long-term shareholder return, they approved performance-based share grants for our Named Executive Officers. The grants vest zero to 200% based upon the extent to which annual operating income, as adjusted for fuel price changes and foreign currency exchange rate impacts, for each of the three fiscal years in the 2016-2018 performance cycle and return on invested capital (“ROIC”) exceeds specified performance goals over the three-year performance cycle and as modified up or down by up to 10% at the end of the three-year performance cycle for Carnival Corporation’s TSR rank relative to the Peer Group (defined below).
- To further promote long-term shareholder alignment, we require our Named Executive Officers to meet and maintain stock ownership requirements.
- The Compensation Committees review the position of each element of total direct compensation relative to the competitive market, and use the range of total direct compensation levels in the competitive market to assess the extent to which the compensation provided to our Named Executive Officers is generally consistent with that offered by the competitive market to their named executive officers.
- Carnival Corporation & plc does not offer U.S. executives excise tax gross-up protections.

We encourage you to read our Compensation Discussion and Analysis contained within this Proxy Statement for a more detailed discussion of our compensation policies and procedures.

Advisory (Non-Binding) Vote on How Frequently Shareholders Should Vote to Approve Compensation of the Named Executive Officers

Our shareholders have the opportunity to vote for or against, or to abstain from voting on, the following resolution:

“Resolved, that the shareholders approve the compensation of our Named Executive Officers as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in this Proxy Statement).”

The above referenced disclosures appear at pages 37 to 71 of this Proxy Statement.

The Boards of Directors unanimously recommend a vote FOR approval of the compensation of our Named Executive Officers as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in this Proxy Statement).

PROPOSAL 12

ADVISORY (NON-BINDING) VOTE ON HOW FREQUENTLY SHAREHOLDERS SHOULD VOTE TO APPROVE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

As required by the Dodd-Frank Act, our shareholders are being provided with the opportunity to cast an advisory (non-binding) vote on how frequently our shareholders should have an advisory (non-binding) vote on the compensation of our Named Executive Officers. We refer to this vote as the “say-on-frequency” vote. Although this vote is advisory and is not binding on the Boards, the Compensation Committees will take into account the outcome of the vote when considering how frequently to hold “say-on-pay” votes.

You may choose from the following alternatives: every year, every two years, every three years or you may abstain.

The “say-on-frequency” vote is required to be offered to our shareholders at least once every six years. At the April 2011 shareholders meeting, the Boards of Directors recommended, and the shareholders voted on an advisory, non-binding basis in favor of, holding the “say-on-pay” vote every year. The Boards accepted our shareholders’ recommendation and currently, shareholders are provided with the opportunity to cast an advisory (non-binding) vote to approve the compensation of our Named Executive Officers every year.

The Boards believe that having an annual “say-on-pay” vote to approve the compensation of our Named Executive Officers in satisfaction of U.S. disclosure rules is appropriate. In this regard, we note that our shareholders are already provided with an annual vote to approve the Carnival plc Directors’ Remuneration Report (see Proposal 13), which covers all directors and includes the Compensation Discussion and Analysis (itself a significant portion of the executive compensation disclosure that is the subject of the “say-on-pay” vote). Moreover, the boards believe that annual “say-on-pay” votes permit the Boards to receive current feedback on a timely basis from our shareholders regarding our compensation program for our Named Executive Officers, which will enable us to implement more quickly any modifications that the Boards determine to be appropriate.

The Boards of Directors unanimously recommend that you vote in favor of holding a non-binding advisory vote every year to approve the compensation of our Named Executive Officers as disclosed pursuant to the compensation disclosure rules of the SEC.

PROPOSAL 13

APPROVAL OF CARNIVAL PLC DIRECTORS' REMUNERATION REPORT

In accordance with Section 439 of the Companies Act 2006 and Schedule 8 of the Large and Medium Sized Companies and Groups (Accounts and Reports) Regulations 2008 (the "LMCG Regulations"), shareholders are voting to approve adoption of the Carnival plc Directors' Remuneration Report (other than the Carnival plc Directors' Remuneration Policy set out in Section B of Part II of the Carnival plc Directors' Remuneration Report). The Carnival plc Directors' Remuneration Report is in two parts. Part I also constitutes the Compensation Discussion and Analysis as required by regulations promulgated by the SEC, and includes information that Carnival plc is required to disclose in accordance with the LMCG Regulations. Part II of the Carnival plc Directors' Remuneration Report is set forth as Annex B to this Proxy Statement and includes the additional information that Carnival plc is required to disclose in accordance with the LMCG Regulations, including certain information which has been audited for the purposes of the Carnival plc Annual Report.

Other than the Carnival plc Directors' Remuneration Policy set out in Section B of Part II of the Carnival plc Directors' Remuneration Report (as to which, please see Proposal 14), UK law only requires an advisory vote on the substance and content of the Carnival plc Directors' Remuneration Report. Accordingly, disapproval of this Proposal 13 will not require us to amend the report or require any Director to repay any amount. However, the Boards and Compensation Committees are expected to take into account both the voting result and the views of our shareholders in their application, development and implementation of remuneration policies and plans.

The Boards of Directors unanimously recommend a vote **FOR the approval of the Carnival plc Directors' Remuneration Report.**

PROPOSAL 14

APPROVAL OF CARNIVAL PLC DIRECTORS' REMUNERATION POLICY

In accordance with Section 439A of the Companies Act 2006 and Schedule 8 of the LMCG Regulations, shareholders are voting to approve the Carnival plc Directors' Remuneration Policy set out in Section B of Part II of the Carnival plc Directors' Remuneration Report. The policy has consciously been drafted broadly to give the Compensation Committees sufficient flexibility to act in the interests of Carnival Corporation and Carnival plc and their shareholders as, under the revised UK legislative requirements, payments may not be made to Directors outside of an agreed policy. If approved, the Carnival plc Directors' Remuneration Policy will take effect immediately following its approval at the 2017 Annual Meetings and will apply until it is replaced by a new or amended policy.

Upon the Carnival plc Directors' Remuneration Policy becoming effective on the date of shareholder approval, remuneration payments to directors of Carnival plc (including former or proposed Directors) and payments for loss of office to a Director of Carnival plc (including a former or a proposed Director) will need to be consistent with the approved Carnival plc Directors' Remuneration Policy or otherwise approved by an ordinary resolution of our shareholders (unless the payment is required to be made as part of a legal obligation entered into before June 27, 2012 and such obligation has not been amended or renewed since).

Section B of Part II of the Carnival plc Directors' Remuneration Report sets out the Boards' remuneration policy for the next and subsequent fiscal years and other details required by the LMCG Regulations and the UK Corporate Governance Code.

The Boards of Directors unanimously recommend a vote **FOR** the approval of the Carnival plc Directors' Remuneration Policy.

COMPENSATION DISCUSSION AND ANALYSIS and CARNIVAL PLC DIRECTORS' REMUNERATION REPORT – PART I

Introduction

Carnival Corporation and Carnival plc are separate legal entities (together referred to in this report as “Carnival Corporation & plc”) and each company has its own Board of Directors and Compensation Committee. However, as is required by the agreements governing the dual listed company (“DLC”) arrangement, the Boards of Directors and members of the Committees of the Boards, including the Compensation Committees, are identical and there is a single senior management team.

Carnival Corporation and Carnival plc are subject to disclosure regimes in the U.S. and UK. While some of the disclosure requirements are the same or similar, some are very different. As a result, the Carnival plc Directors' Remuneration Report is in two parts. The information contained in this Part I constitutes the Compensation Discussion and Analysis as required by regulations promulgated by the SEC, and includes information that Carnival plc is required to disclose in accordance with Sections 439 and 440 of the Companies Act 2006 and Schedule 8 of the Large and Medium-Sized Companies and Groups (Accounts and Reports) Regulations 2008, as amended (the “LMCG Regulations”). Part II of the Carnival plc Directors' Remuneration Report is set forth as Annex B to this Proxy Statement and includes the additional information that Carnival plc is required to disclose in accordance with Section 439A of the Companies Act 2006 and the LMCG Regulations, including certain information that has been audited for the purposes of the Carnival plc Annual Report.

Parts I and II of the Carnival plc Directors' Remuneration Report are in compliance with the LMCG Regulations, the UK Corporate Governance Code published in September 2014 by the UK Financial Reporting Council (the “UK Corporate Governance Code”), the UK Companies Act 2006 and the Listing Rules of the UK Listing Authority. Both Parts I and II form part of the Annual Report of Carnival plc for the year ended November 30, 2016.

Pursuant to rules promulgated by the SEC and the LMCG Regulations, this Compensation Discussion and Analysis reviews the compensation of the following Named Executive Officers of Carnival Corporation & plc:

Named Executive Officers	
Arnold W. Donald	President and Chief Executive Officer

Stein Kruse	Chief Executive Officer of the Holland America Group, which includes Holland America Line, Princess, Seabourn and Holland America Princess Alaska Tours
Michael Thamm	Chief Executive Officer of the Costa Group, which includes Costa Cruises and AIDA Cruises ⁽²⁾

(1) Mr. Buckelew served as Chief Operations Officer throughout fiscal 2016. Effective December 1, 2016, he serves as Chief Information Officer.

(2) Effective December 9, 2016, Mr. Thamm also became CEO of Carnival Asia.

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

Executive Summary

Our executive compensation program is designed to reward financial results and effective strategic leadership through use of both short-term rewards and long-term incentives and to promote alignment of the financial interests of our Executive Officers with our shareholders. We seek to provide total direct compensation (salary, bonus and equity grants) that allows us to be competitive in the labor markets where we compete for executive talent, adjusted as necessary to take into consideration factors including the senior executive's performance, experience and responsibilities. We believe our compensation program's performance measures align the interests of our shareholders and senior executives by linking actual pay to operating performance and shareholder outcomes.

Our compensation philosophy has historically been to emphasize at risk incentive pay in order to drive a pay-for-performance culture. In furtherance of this philosophy, all direct compensation for our Named Executive Officers, other than base salary, is 100% at risk and performance-based.

2016 Compensation Practices and Policies	
What we do	<ul style="list-style-type: none"> ✓ All compensation is performance-based and not guaranteed, other than base salary ✓ Use multiple performance metrics to align pay with performance ✓ Put caps on incentive compensation ✓ Provide appropriate balance between short-term and long-term compensation to discourage short-term risk taking at the expense of long-term results ✓ Set rigorous stock ownership requirements for Named Executive Officers (values equal to a target multiple of base salary) who must retain at least 50% of any net share-based awards received until their target ownership is achieved ✓ Increased the target share ownership level applicable to the Chairman and/or the Chief Executive Officer from five times base salary to six times base salary ✓ Include clawback provisions in our incentive programs ✓ Provide for only double-trigger change-in-control provisions ✓ Prohibit short sales, short-term hedging and margin accounts of Carnival Corporation and Carnival plc shares ✓ Engage an independent compensation consultant to review and advise on executive compensation ✓ Regularly review the Compensation Committee charter to ensure best practices and priorities
What we don't do	<ul style="list-style-type: none"> X Provide guaranteed minimum bonuses X Reload, reprice or back-date stock options X Grant stock options with an exercise price less than fair market value X Provide tax gross-ups on compensation or benefits X Pay dividends on unvested or unearned performance-based share awards X Provide for automatic single-trigger vesting acceleration in connection with a change-in-control

Shareholder Engagement

Carnival Corporation & plc has a long-standing shareholder outreach program and routinely interacts with shareholders on a number of matters, including executive compensation. The Compensation Committees consider all feedback received about executive compensation.

In April 2016, shareholders approved our “say-on-pay” proposal with 95.8% of the votes cast in favor of the compensation paid to our Named Executive Officers. During the past year we have continued to engage with shareholders and seek feedback on our compensation program and incorporate the results of that feedback in our compensation decisions. As a result, the Compensation Committees did not make any changes to the executive compensation program specifically as result of the 2016 “say-on-pay” vote.

The Compensation Committees have and will continue to consider results from the annual shareholder advisory votes, including the next vote in April 2017, as well as other shareholder input, when reviewing executive compensation programs and policies.

(1) Reconciliation to the corresponding \$2.8 billion net income and \$3.72 GAAP diluted earnings per share can be found on page F-47 of the Carnival Corporation & plc joint Annual Report on Form 10-K filed with the SEC on January 30, 2017.

Fiscal 2016 Named Executive Officer Compensation Target Pay Mix

The compensation elements for our Named Executive Officers consist of base salary, an annual bonus and equity-based compensation. We have reinforced our commitment to strengthening the link between pay and performance for our Executive Officers through inclusion of performance-based compensation components. Our philosophy is to place greater emphasis on performance-based pay elements. All direct compensation of our Named Executive Officers, other than base salary, is 100% at risk and performance-based.

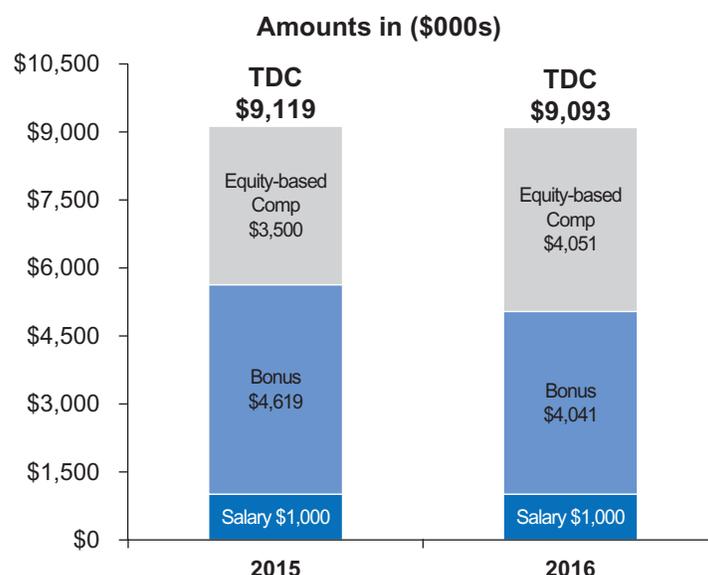

Consistent with our philosophy regarding the importance of pay for performance, 86% of Mr. Donald's fiscal 2016 target direct compensation consists of performance-based annual bonuses and equity-based compensation. The other Named Executive Officers' 2016 target direct compensation consists of 76% performance-based annual bonuses and equity-based compensation.

2016 CEO Compensation Components	
Base Salary	Remained unchanged for fiscal 2016.
Annual Incentive Plan	Received an annual bonus aligned with Carnival Corporation & plc's fiscal 2016 financial performance under the Carnival Corporation & plc Management Incentive Plan (the "Management Incentive Plan"). In fiscal 2016, Carnival Corporation & plc's operating income increased 20% from fiscal 2015. As a result, the annual bonus awarded to Mr. Donald was 152.5% of his target bonus for fiscal 2016.
Annual Equity Grants	100% of annual equity-based compensation is performance-based: <ul style="list-style-type: none"> 70% of the equity awards were granted in the form of performance-based share ("PBS") grants. The PBS grants provide a future compensation opportunity based on a combination of operating income and ROIC performance goals over a three-year period (2016-2018), as modified based on our TSR rank relative to the 2016 Peer Group, with vesting contingent on continued service. 30% of the equity awards were granted in the form of Management Incentive Plan-tied equity ("MTE"). The MTE grant value was based on the 2016 Management Incentive Plan performance and cliff vest three years after the grant date.

Comparison of Fiscal 2016 and Fiscal 2015 CEO Total Direct Compensation ("TDC").

Mr. Donald's total direct compensation decreased slightly by 0.3% in fiscal 2016, due to a lower bonus pay-out in fiscal 2016 driven by more challenging performance targets and payout curve under the Management Incentive Plan.

Overall Objectives and Philosophy

The objectives of the Compensation Committees are to:

- Create competitive compensation packages that provide both short-term rewards and long-term incentives for positive individual and corporate performances; and
- Align the financial interests of our Executive Officers and our shareholders.

COMPENSATION

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

The Compensation Committees' philosophy is to:

- Place appropriate emphasis on the variable elements of compensation, such as the annual bonus and equity-based compensation; and
- Provide total direct compensation for each Named Executive Officer that is competitive for the market (as described below under "Competitive Market (Peer Group) Comparison"), adjusted as necessary to take into consideration a particular Named Executive Officer's individual circumstances, as applicable (including the individual's performance, experience and responsibility).

Most of our Executive Officers are located in the U.S., with others based in Europe. As a global entity, it is challenging to establish consistent compensation practices across geographic and operating company units that satisfy the particular requirements of all jurisdictions and local market demands. Since the largest presence of Executive Officers is in the U.S., our compensation policies primarily reflect U.S. market practices. However, the Compensation Committees seek to incorporate UK compensation principles, including those contained in the UK Corporate Governance Code, to the degree practicable.

Overview of Total Direct Compensation for 2016 and Comparison to 2015

Total Cash Compensation. Annual changes in total cash compensation for Carnival Corporation & plc's senior management team, including our Named Executive Officers, take into account changes in operating income as measured at the enterprise-wide and/or operating company levels. Other considerations impacting cash compensation include changes in responsibility and market pay positioning of executives with similar responsibility levels in other corporations.

The table below shows target and actual cash compensation for fiscal 2016 compared to target and actual cash compensation for fiscal 2015. Target total cash compensation for all of the Named Executive Officers remained unchanged from fiscal 2015 to fiscal 2016. Actual annual bonuses decreased in fiscal 2016 from fiscal 2015, consistent with management's and the Compensation Committees' commitment to setting more challenging performance targets under the Management Incentive Plan. Mr. Kruse's annual bonus in fiscal 2016, however, was the exception with an increased bonus in fiscal 2016 driven by improved relative performance to target from fiscal 2015.

Named Executive Officer	Fiscal 2015		Fiscal 2016		Change from Fiscal 2015 Salary Plus Actual Bonus	Change from Fiscal 2015 Salary Plus Target Bonus
	Salary Plus Target Bonus	Salary Plus Actual Bonus	Salary Plus Target Bonus	Salary Plus Actual Bonus		
Arnold W. Donald	\$3,650,000	\$5,618,950	\$3,650,000	\$5,041,250	(10.3%)	0%
David Bernstein	\$1,650,000	\$2,355,850	\$1,650,000	\$2,148,750	(8.8%)	0%
Alan Buckelew	\$1,925,000	\$2,742,300	\$1,925,000	\$2,502,500	(8.7%)	0%
Stein Kruse	\$1,925,000	\$2,335,000	\$1,925,000	\$2,479,400	6.2%	0%
Michael Thamm ⁽¹⁾	€1,600,000	€1,775,000	€1,600,000	€1,649,500	(7.1%)	0%

(1) Mr. Thamm's base salary and bonus is payable in euros. For fiscal 2015, his base salary and target bonus is equivalent to \$1,792,000 and his base salary and actual bonus is equivalent to \$1,988,000 when converted to U.S. dollars at the average exchange rate for fiscal 2015 of \$1.12:€1. For fiscal 2016, his base salary and target bonus is equivalent to \$1,776,000 and his base salary and actual bonus is \$1,830,945 when converted to U.S. dollars at the average exchange rate for fiscal 2016 of \$1.11:€1.

Total Direct Compensation. In addition to the annual bonuses, individual performance-based equity grants (both the PBS grants and the MTE grants) take into account the scope of the Named Executive Officer's responsibilities, performance and long-term retention considerations. These equity grants provide compensation only to the extent specified performance targets are achieved over the applicable performance period. The changes in total direct compensation in fiscal 2016 from fiscal 2015 reflect the same factors that explain the year-over-year change in Named Executive Officer cash compensation.

The table below compares each Named Executive Officer's year-over-year change in total direct compensation (salary, annual bonus and equity grants).

Named Executive Officer	Fiscal 2015 Total Direct Compensation	Fiscal 2016 Total Direct Compensation	Change from Fiscal 2015 Total Direct Compensation
Arnold W. Donald	\$9,118,950	\$9,092,500	(0.3%)
David Bernstein	\$3,580,850	\$3,583,750	0.1%
Alan Buckelew	\$4,317,300	\$4,340,000	0.5%
Stein Kruse	\$3,910,000	\$4,306,400	10.1%
Michael Thamm ⁽¹⁾	€2,778,049	€2,665,497	(4.1%)

(1) Mr. Thamm's base salary and bonus is payable in euros. The Carnival plc restricted share units granted to Mr. Thamm are denominated in sterling. Because Mr. Thamm is compensated in euros, the value of the Carnival plc restricted share units granted for: (a) fiscal 2015 has been converted from sterling into euros based on the January 11, 2016 grant date exchange rate of €1.33:£1 and the April 14, 2015 grant date exchange rate of €1.38:£1; and (b) fiscal 2016 has been converted from sterling into euros based on the January 17, 2017 grant date exchange rate of €1.14:£1, and the April 13, 2016 grant date exchange rate of €1.25:£1. His total direct compensation is equivalent to \$3,113,807 for fiscal 2015 when converted to U.S. dollars at the average exchange rate for fiscal 2015 of \$1:12:€1. His total direct compensation is equivalent to \$2,958,702 for fiscal 2016 when converted to U.S. dollars at the average exchange rate for fiscal 2016 of \$1.11:€1.

The fiscal 2015 and fiscal 2016 compensation values included in the above table reflect the fair value of time-based share ("TBS") grants made in January 2016 (granted in fiscal 2016 based upon fiscal 2015 performance) and the MTE grants made in January 2017 (granted in fiscal 2017 based upon fiscal 2016 performance), respectively. Under SEC disclosure rules, the MTE grants that were not made until fiscal 2017 do not appear in the "Grants of Plan-Based Awards in Fiscal 2016" table or the "Summary Compensation Table" for fiscal 2016, even though these grants are compensation for fiscal 2016. Instead, the grants made in January 2016 (based on 2015 performance) appear in the "Summary Compensation Table" for fiscal 2016. However, the Compensation Committees believe that the MTE grants made in fiscal 2017 are properly considered as part of our Named Executive Officers' compensation for fiscal 2016 performance (in the same way that bonuses paid in fiscal 2017 are treated as compensation for fiscal 2016 performance).

Process for Making Compensation Determinations

The Compensation Committees determine the compensation policy and the compensation payable to all of our Executive Officers. The Compensation Committees interact with the management of Carnival Corporation & plc on compensation issues primarily through communications, meetings and discussions with Mr. Donald, the Chairman of the Boards of Directors and the Chief Human Resources Officer, who also attend meetings of the Compensation Committees as requested by the Compensation Committees. As part of the fiscal 2016 annual compensation determination process, Mr. Donald and the Chairman of the Boards of Directors recommended to the Compensation Committees key initiatives and goals for Carnival Corporation & plc at the beginning of the fiscal year. After the fiscal year was completed, Mr. Donald and the Chairman of the Boards of Directors reviewed with the Compensation Committees the results of those initiatives, progress towards goals and other material items relating to overall Carnival Corporation & plc performance. The compensation for our Named Executive Officers' was then determined by the Compensation Committees using their discretion to evaluate the individual performance of our Named Executive Officers and the overall performance of Carnival Corporation & plc. Mr. Donald does not provide input regarding his own compensation levels.

COMPENSATION

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

The Compensation Committees believe that the incentive structure for senior management does not raise environmental, social or governance risks by inadvertently motivating irresponsible behavior, and that risks arising from Carnival Corporation & plc's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on Carnival Corporation & plc. Please refer to the section of the Proxy Statement entitled "Compensation Risk Assessment" for additional information.

Compensation Consultant. The Compensation Committees have engaged Frederic W. Cook & Co., Inc. ("FW Cook") to assist in their annual review of our Executive and Director compensation programs. The Compensation Committees believe that FW Cook provided objective advice to the Compensation Committees. FW Cook provides no other services to Carnival Corporation & plc.

During fiscal 2016, a consultant from FW Cook attended meetings of the Compensation Committees and provided FW Cook's views on proposed actions by the Compensation Committees.

In accordance with the New York Stock Exchange rules relating to compensation consultant independence, the Compensation Committees have determined that FW Cook and their consultants are independent after taking into consideration the factors set forth in the New York Stock Exchange rules. Pursuant to the foregoing factors, the Compensation Committees have determined that FW Cook's work raised no conflicts of interest.

Peer Group Characteristics. The Compensation Committees perform an annual review of the compensation practices of certain other publicly-listed companies with the assistance of its consultant. This annual market assessment consists of an analysis of top officer pay at a group of publicly-listed peer companies.

The peer group listed below (the "2015 Peer Group") was used when assessing the fiscal 2016 annual base salaries and target bonuses for our Named Executive Officers, which was unchanged from fiscal 2015. The 2015 Peer Group consists of 13 U.S. publicly-listed companies comparable to Carnival Corporation & plc across one or more of the following factors: revenue, market capitalization, operating income, total assets, reported full-time employees, nature of business and complexity of business; and reflect a balanced group of media, entertainment, consumer goods and services and retailing companies.

2015 Peer Group Companies

- Colgate-Palmolive Company
- General Mills, Inc.
- Macy's, Inc.
- Marriott International, Inc.
- McDonald's Corporation
- NIKE, Inc.
- Royal Caribbean Cruises Ltd.

Competitive Market (Peer Group) Comparison. Annually, the Compensation Committees' independent consultant conducts a competitive market review to assist the Compensation Committees in their assessment of our Named Executive Officers' competitive positioning of total compensation relative to the markets in which Carnival Corporation & plc competes for executive talent. FW Cook conducted a competitive market assessment on behalf of the Compensation Committees for fiscal 2016. The Compensation Committees reviewed our aggregate Named Executive Officer total compensation in comparison to the competitive market, which consists of the 2015 Peer Group as well as third-party surveys that reflect a broad database of hundreds of companies. The Compensation Committees were

not provided with the identities of the companies in the surveys generally (or of the subsets of companies which had data for relevant comparable positions). As applicable, any utilized survey data was combined with the data for the 2015 Peer Group to produce a consolidated aggregated competitive market range for total direct compensation.

These analyses suggest that, in the aggregate, total direct compensation levels for our Named Executive Officers are competitively positioned. The Compensation Committees, as advised by FW Cook, consider total direct compensation to be competitive when within a range of 15% above or below the market median. Actual pay positioning within a competitive range can vary based on factors including job responsibilities, experience, impact of role, and individual performance.

Consistent with the approach that the Compensation Committees take in reviewing each element of total direct compensation, the Compensation Committees utilize these analyses to assess the extent to which the compensation provided to our Named Executive Officers is generally consistent with that offered by companies with whom Carnival Corporation & plc competes for executive level talent. The Compensation Committees do not use these analyses to peg any particular element of compensation (or total compensation) to any specific targeted 2015 Peer Group level.

Change to Peer Group. In October 2016, based on the recommendations of FW Cook, the Compensation Committees approved a revised peer group listed below (the “2016 Peer Group”). The 2016 Peer Group consists of 20 publicly-listed companies from diverse industries that exhibit similar size and business characteristics with Carnival Corporation & plc and better reflects the market in which we may compete for business, investor capital and/or executive talent. The 2016 Peer Group reflects a balanced group of companies in the consumer discretionary sector, including media, retailing, services and transportation companies. The 2016 Peer Group was used to establish market references to assist the Compensation Committees when determining the equity compensation for fiscal 2016 granted in 2017.

Named Executive Officer Compensation Design and Elements

The compensation elements for our Named Executive Officers consist of base salary, an annual bonus, equity-based compensation, retirement benefits and perquisites.

The compensation practices for each of our Named Executive Officers vary in order to reflect the organizational structure of Carnival Corporation & plc. Three of our Named Executive Officers (Messrs. Donald, Bernstein and Buckelew) had company-wide roles during fiscal 2016 and two of our Named

COMPENSATION

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

Executive Officers (Messrs. Kruse and Thamm) were Chief Executive Officers of groups operating two or more brands during fiscal 2016. As a result, the compensation practices for these two types of roles are different.

Named Executive Officer	Type of Role	Base Salary	Annual Bonus	Equity-Based Compensation	Retirement Benefits and Perquisites
Arnold W. Donald	Company-wide role	Based on level of responsibility, and increases based on performance or other market factors	Based 100% on company-wide operating income	PBS and MTE awards to align with shareholder outcomes	Reflect country practices where a Named Executive Officer resides
David Bernstein					
Alan Buckelew					
Stein Kruse	CEO of a group of brands		Based 50% on company-wide operating income and 50% on a group of brands' operating income		
Michael Thamm					

In determining the amount of any particular compensation element, the Compensation Committees consider the impact of such an element on total compensation (and thus, each element affects the amount paid in respect of other elements of compensation). For example, the Compensation Committees consider the amount of the base salary and annual bonus that may be earned by a Named Executive Officer when granting an equity award. However, the annual bonus and equity-based compensation awards are set independently on the basis of dollar values (and are not set or determined as a fixed percentage of base salary).

Base Salaries

A. General

Base salaries are intended to provide a level of fixed compensation that reflects each Named Executive Officer's level of responsibility. As described above, the Compensation Committees' philosophy is to emphasize the performance-based elements of compensation. Base salaries for fiscal 2016 of our Named Executive Officers are reported in the "Summary Compensation Table." The Compensation Committees annually review each Named Executive Officer's performance and may increase the base salary of a Named Executive Officer at their discretion if merited by performance or other market factors necessary to attract and retain our executives.

Salaries for fiscal 2016 were established for our Named Executive Officers in January 2016 after performance results for the prior fiscal year were available. Mr. Donald reviewed the annual competitive market analysis provided by the independent consultant, as well as individual performance of each Named Executive Officer and the results of the group of brands or company-wide results, as appropriate, and provided the Compensation Committees with recommended salaries for each Named Executive Officer, except for his own.

B. 2016 Base Salaries and Analysis

At the beginning of fiscal 2016, Mr. Donald recommended to the Compensation Committees that there be no increase in the base salaries for our Named Executive Officers for fiscal 2016 (which is consistent with the lack of increase provided to other members of senior management). The Compensation Committees accepted Mr. Donald's recommendations.

As a result, the base salaries for fiscal 2016 were as follows:

Named Executive Officer	Fiscal 2016 Base Salary
Arnold W. Donald	\$1,000,000
David Bernstein	\$ 700,000
Alan Buckelew	\$ 825,000
Stein Kruse	\$ 825,000
Michael Thamm ⁽¹⁾	€ 700,000

(1) Mr. Thamm's base salary is payable in euros. His base salary is equivalent to \$777,000 for fiscal 2016 when converted into U.S. dollars at the average exchange rate for fiscal 2016 of \$1.11:€1.

Annual Bonuses

A. General

In fiscal 2016, each Named Executive Officer's target bonus comprised a significant portion of their respective total cash compensation opportunity, supporting Carnival Corporation & plc's objective to emphasize pay for performance. Annual bonus payments are intended to reward short-term individual, corporate, and a group of brands' performance results and achievements. The emphasis on the annual bonus as compared to base salary allows Carnival Corporation & plc to more closely link financial results to individual and overall company performance.

B. 2016 Annual Bonuses and Analysis

For fiscal 2016, the annual bonuses for our Named Executive Officers were determined in accordance with the Carnival Corporation & plc Management Incentive Plan (the "Management Incentive Plan") described below.

The Management Incentive Plan is designed to focus the attention of our executives, including our Named Executive Officers, on achieving outstanding performance results as reflected by income from the operations of Carnival Corporation & plc as well as other relevant measures. For the Named Executive Officers who are CEOs of a group of brands, the Management Incentive Plan is designed to also focus their attention on achieving outstanding performance results as reflected in the operating income of the group of brands they oversee.

Under the Management Incentive Plan, the Corporation Operating Income Target, Brand Operating Income Target and target bonus for each executive are established by the Compensation Committees for each plan year.

The Management Incentive Plan defines these terms as follows:

- "Corporation Operating Income" means the adjusted U.S. Generally Accepted Accounting Principles ("Adjusted GAAP") net income of Carnival Corporation & plc excluding interest income and expense, other nonoperating income and expense and income taxes as reported by Carnival Corporation & plc for the plan year.
- "Brand Operating Income" means the Adjusted GAAP net income of the respective brand (or group of brands) excluding interest income and expense and other nonoperating income and expense and income taxes, as reported by the brand (or group of brands) for the plan year.

The "Corporation Operating Income Target" for each year is established by the Compensation Committees taking into account historical performance, investor guidance, company/industry growth, Carnival Corporation & plc's annual plan, consultation with management and such other factors as the

COMPENSATION

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

Compensation Committees deem appropriate. The “Brand Operating Income Target” for each year is also established by the Compensation Committees taking into account historical performance, company/industry growth, the brand group’s annual plan, consultation with management and such other factors as the Compensation Committees deem appropriate. In order to measure managements’ controllable operating contribution to the company, the Corporation and Brand Operating Income Targets and the actual Corporation and Brand Operating Income achieved for fiscal 2016 were measured using a constant fuel price per ton and constant currency exchange rates.

In January 2016, the Compensation Committees set the Corporation Operating Income Target for fiscal 2016 at \$3.134 billion, which was approximately 22% more than the actual Corporation Operating Income achieved in fiscal 2015. The Compensation Committees believed that this target represented a challenging performance goal and was meaningfully higher than the actual results for fiscal 2015.

Under the Management Incentive Plan, the preliminary bonus amounts payable were dependent upon the amount of Corporation Operating Income achieved as compared to the Corporation Operating Income Target as follows:

Plan Provisions		
Corporation Operating Income (in millions)	Performance Level (% of Target Achievement)	Payout Percentage ⁽¹⁾
<\$2,980	Below Threshold (<95.1%)	0%
\$2,980	Threshold (95.1%)	50.0%
\$3,134	Target (100%)	100.0%
\$3,447	Maximum (110.0%)	200.0%

(1) The payout curve includes four linear slopes. Payouts between these points are calculated using interpolation.

Bonus funding under the Management Incentive Plan for the Named Executive Officers who are CEOs of a group of brands was calculated by reference to a bonus schedule that calibrates the respective weighted Brand Operating Income Target (50%) and Corporation Operating Income Target (50%) for the fiscal 2016 plan year with the target bonus.

The Compensation Committees considered the attainment of each brand’s Brand Operating Income Target for fiscal 2016 to be achievable but challenging given each brand’s fiscal 2015 performance.

The fiscal 2016 Brand Operating Income Target for the Holland America Group (applicable to Mr. Kruse) and the Costa Group (applicable to Mr. Thamm) were approximately 20% and 13%, respectively, more than the actual Brand Operating Income achieved in fiscal 2015. The Compensation Committees believed that these targets represented challenging performance goals and were both meaningfully higher than the actual results for fiscal 2015.

In January 2016, Mr. Donald recommended to the Compensation Committees the fiscal 2016 target bonus amounts under the Management Incentive Plan for our Named Executive Officers (other than himself), representing no increase from their fiscal 2015 target bonus. The Compensation Committees accepted Mr. Donald’s recommendations. The fiscal 2016 target bonuses were, as follows:

Named Executive Officer	Target Bonus
Arnold W. Donald	\$2,650,000
David Bernstein	\$ 950,000
Alan Buckelew	\$1,100,000
Stein Kruse	\$1,100,000
Michael Thamm	€ 900,000

These amounts were established by the Compensation Committees after taking into consideration the competitive market analysis (described above), historical bonus payout levels, the more challenging

Corporation Operating Income Target established by the Compensation Committees for fiscal 2016 and the Compensation Committees' philosophy to place greater emphasis on performance-based pay elements.

Following the end of fiscal 2016, the Compensation Committees confirmed preliminary funding bonus amounts for the Named Executive Officers based on the actual Corporation Operating Income and Brand Operating Income results achieved during fiscal 2016. Under the terms of the Management Incentive Plan, the Compensation Committees then considered other factors deemed relevant to the performance of Carnival Corporation & plc and the individual brands. One such factor was our HESS performance, as determined by the HESS Committees. To make this annual determination, the HESS Committees met regularly with members of the Maritime Policy & Analysis Department and senior management to review an extensive analysis of each brand's and Carnival Corporation & plc's enterprise-wide performance in HESS-related areas tracked throughout the course of the fiscal year. Based on its review of the HESS performance and other factors, the Compensation Committees approved adjustments to actual Corporation Operating Income and Brand Operating Income for fiscal 2016 to take into account the effects of gains on ship sales, restructuring expenses and litigation expenses.

After taking all of these adjustments into consideration, the Compensation Committees certified an adjusted Corporation Operating Income amount for fiscal 2016 that was 105.2% of the fiscal 2016 Corporation Operating Income Target. This amount was also 28% higher than the Corporation Operating Income for fiscal 2015 (which was also determined taking into account similar adjustments), and resulted in a preliminary bonus equal to 152.5% of Messrs. Donald, Bernstein and Buckelew's target bonus.

The adjusted Corporation Operating Income, performance levels and resulting actual performance level payouts for fiscal 2016 as approved by the Compensation Committees were as follows:

Actual Results and Payout		
Adjusted Fiscal 2016 Corporation Operating Income (in thousands)	Actual Percent of Target Achieved	Actual Fiscal 2016 Payout Percentage
\$3,297	105.2%	152.5%

The Compensation Committees also certified an adjusted Brand Operating Income amount for the Holland America Group for fiscal 2016 that was 104.0% of its 2016 Brand Operating Income Target and for the Costa Group that was 100.4% of its 2016 Brand Operating Income Target. When these fiscal 2016 brand results, inclusive of their respective HESS modifiers, were combined with the adjusted Corporate Operating Income results described above, the result was preliminary funding for Messrs. Kruse and Thamm, equal to 150.4% and 105.5% of their respective target bonuses.

Mr. Donald made recommendations to the Compensation Committees for all Named Executive Officer annual bonuses except for his own. The recommendations included a subjective review of the applicable fiscal year overall performance of each Named Executive Officer. Mr. Donald also submitted his self-assessments to the Compensation Committees summarizing his own activities and results as compared to his goals, as well as Carnival Corporation & plc's overall performance.

Final bonus amounts were then determined by the Compensation Committees, taking into account Mr. Donald's recommendations and input from FW Cook. In making their determinations, including whether to vary bonuses from the amount determined under the bonus schedule included in the Management Incentive Plan, the Compensation Committees considered the factors summarized in the Executive Summary above, in addition to the competitive market compensation for each Named Executive Officer and its subjective overall assessment of individual performance in fiscal 2016. After taking into account the factors referred to above, together with an assessment of the individual performance of each of the Named

COMPENSATION

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

Executive Officers, the Compensation Committees determined not to vary the final bonus amounts determined by the bonus schedule in the Management Incentive Plan. As a result, the bonuses for fiscal 2016 (which were less than actual bonus amounts for fiscal 2015, except for the bonus for Mr. Kruse, as described above) were as follows:

Named Executive Officer	Fiscal 2016 Target Bonus		Actual 2016 Payout Percentage	=	Fiscal 2016 Actual Bonus	Fiscal 2015 Actual Bonus	Change from Fiscal 2015 Actual Bonus
Arnold W. Donald	\$2,650,000	x	152.5%	=	\$4,041,250	\$4,618,950	(12.5%)
David Bernstein	\$ 950,000	x	152.5%	=	\$1,448,750	\$1,655,850	(12.5%)
Alan Buckelew	\$1,100,000	x	152.5%	=	\$1,677,500	\$1,917,300	(12.5%)
Stein Kruse	\$1,100,000	x	150.4%	=	\$1,654,400	\$1,510,000	9.6%
Michael Thamm ⁽¹⁾	€ 900,000	x	105.5%	=	€ 949,500	€1,075,000	(11.7%)

(1) Mr. Thamm's fiscal 2016 bonus is payable in euros. His bonus is equivalent to \$1,204,000 for fiscal 2015 when converted into U.S. dollars at the average exchange rate for fiscal 2015 of \$1.12:€1 and \$1,053,945 for fiscal 2016 when converted into U.S. dollars at the average exchange rate for fiscal 2016 of \$1.11:€1.

Equity-Based Compensation

A. General

The Compensation Committees grant equity-based compensation to our Named Executive Officers to provide long-term incentives and align management and shareholder interests. The Compensation Committees believe that a significant percentage of compensation should be equity-based, rather than paid in cash. The equity-based compensation program is designed to recognize scope of responsibilities, reward demonstrated performance and leadership, motivate future superior performance and align the interests of the executive with our shareholders.

To further augment these views the Compensation Committees replaced TBS grants with an equity program for fiscal 2016 which was 100% performance-based for our Named Executive Officers and other key executives within Carnival Corporation & plc. For fiscal 2016, this includes two different types of performance-based equity grants: PBS grants and MTE grants. These equity grants provide for performance-based vesting or granting criteria and align our senior management team's long-term compensation opportunities with Carnival Corporation & plc's long-term performance. In addition, the value of these equity grants serve to link pay and performance in two ways: they have pre- or post-vesting performance criteria to determine the number of shares earned. The value of the shares earned appreciate or depreciate based on the trading price of our shares.

Our equity-based compensation grants are made pursuant to the Carnival Corporation 2011 Stock Plan or the Carnival plc 2014 Employee Share Plan, which have been approved by Carnival Corporation & plc's shareholders. Messrs. Donald, Bernstein, Buckelew and Kruse receive equity grants under the Carnival Corporation 2011 Stock Plan. Mr. Thamm received equity grants under the Carnival plc 2014 Employee Share Plan.

The specific equity grants made to our Named Executive Officers reflect the desire of the Compensation Committees to have a substantial portion of compensation be in the form of equity-based compensation and to link this compensation to performance. The number and form of equity grants made annually to our Named Executive Officers are determined both in the discretion of the Compensation Committees and pursuant to certain agreements with certain Named Executive Officers. Existing ownership levels are not a factor in award determinations, as the Compensation Committees do not want to discourage executives from holding significant amounts of Carnival Corporation and Carnival plc shares.

The value of equity grants made to our Named Executive Officers other than Mr. Donald in 2016 was determined by the Compensation Committees after reviewing the recommendation of Mr. Donald and the Chairman of the Boards of Directors, the other elements of the Named Executive Officer's current year compensation, and taking into account the position and role of the Named Executive Officer, the individual performance in the preceding fiscal year and historically, and the perceived future value to Carnival Corporation & plc. The Compensation Committees also review the competitive market assessment for long-term incentive compensation provided by the independent compensation consultant to confirm that the value of a Named Executive Officer's aggregate equity-based compensation and total direct compensation remains generally competitive. As discussed previously in "Overview of Total Direct Compensation for 2016 and Comparison to 2015," individual equity grants values are not directly linked to operating income results or other company or individual performance from the prior year. Similar to the approach taken for the other Named Executive Officers, the value of equity grants made to Mr. Donald was determined by the Compensation Committees after consultation with their independent compensation consultant, in accordance with his employment agreement entered into when he was recruited and taking into account his role, performance, perceived future value and competitive market position.

B. Disclosure and the Timing of Equity-Based Compensation

The Compensation Committees met in April 2016 to determine the PBS grants and the target values of the MTE grants, all of which are part of the equity-based compensation for key executives in fiscal 2016. The actual MTE grant is then made in January 2017 once the Management Incentive Plan performance is assessed and verified. Because the MTE grants are based on 2016 performance the Compensation Committees believe that the discussion of these equity-based grants made after fiscal year end is important to understanding of overall Named Executive Officer compensation for the preceding year. Accordingly, we describe below both the MTE grants made in early 2017 and the TBS grants made in early 2016 based on fiscal 2015 performance (which were discussed previously in last year's Proxy Statement but first appear in the "Summary Compensation Table" and "Grants of Plan-Based Awards in Fiscal 2016" table in this year's Proxy Statement).

C. Annual PBS Grants

2016 PBS Grants. The PBS grants made to our Named Executive Officers and other key executives in fiscal 2016 vest zero to 200% of target based upon the extent to which operating income, as adjusted for certain fuel price change and currency exchange rate impacts, for each of the three fiscal years in the 2016-2018 performance cycle and ROIC for the single three-year performance cycle exceeds the specified performance goals. This result can be modified up or down by up to 10% at the end of the three year performance cycle depending on Carnival Corporation & plc's TSR rank relative to the 2016 Peer Group. Under the terms of the award, the operating income result is weighted 70% and ROIC result is weighted 30%. The maximum payout is 200% of target. The operating income and ROIC targets will be disclosed at the end of the performance period (as these targets are deemed strategic and commercially sensitive).

The Compensation Committees believe that growth in operating income is a critical measure of Carnival Corporation & plc's ability to maintain and grow earnings over time. The grants further align an increasing proportion of the total compensation of key members of our management team (101 senior managers worldwide, including our Named Executive Officers) with the long-term growth of Carnival Corporation & plc. The Compensation Committees believe the inclusion of PBS grants into the compensation program for our Named Executive Officers demonstrates the Compensation Committees' continued focus on pay for performance and strengthens our commitment to aligning management compensation with shareholder outcomes.

COMPENSATION

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

The Compensation Committees approved the PBS grants to our Named Executive Officers after an evaluation of current market practice, the aggregate market positioning of total direct compensation, and the Compensation Committees' focus on the alignment between our Named Executive Officer's pay outcomes and Carnival Corporation & plc's long-term performance.

The PBS grants made to our Named Executive Officers in April 2016 were as follows:

Named Executive Officer	Target PBS Grants (#)	Grant Date Fair Value of PBS Grants ⁽¹⁾
Arnold W. Donald	47,407	\$2,498,994
David Bernstein	15,963	\$ 841,467
Alan Buckelew	20,801	\$1,096,496
Stein Kruse	20,801	\$1,096,496
Michael Thamm	14,223	€ 679,856 ⁽²⁾

- (1) The grant date fair value of the PBS grants is calculated in accordance with Accounting Standards Codification Topic 718, "Stock Compensation" ("ASC 718").
- (2) The PBS grants made to Mr. Thamm are based on Carnival plc shares denominated in sterling. Because Mr. Thamm is compensated in euros, the value of the PBS grants made to Mr. Thamm has been converted from sterling into euros based on the April 13, 2016 grant date exchange rate of €1.25:£1. The grant date fair value is equivalent to \$775,036 when converted into U.S. dollars at the April 13, 2016 exchange rate of \$1.14:€1.

2014 PBS Grants. The 2014 PBS grants made to the Named Executive Officers in April 2014 reached the end of the performance period at the end of fiscal 2016 and will vest on February 15, 2017. Under the terms of the 2014 PBS grant, shares vested based upon the extent to which Carnival Corporation & plc's annual EBIT (75% weighting), as adjusted for 75% of year-over-year fuel price changes for each of fiscal 2014, 2015 and 2016 and ROIC growth (25% weighting) over the three-year performance period reached or exceeded the following:

Goal Level	Annual EBIT Growth Goal (%)	2014 EBIT Goals (\$ in billions)	2015 EBIT Goals (\$ in billions)	2016 EBIT Goals (\$ in billions)	2016 ROIC Growth Goal (%)	Payout for EBIT & ROIC Goals (%)
Threshold	4	1,595	1,886	2,452	5.0	50
Target	6	1,625	1,923	2,499	17.5	100
Maximum	10	1,687	1,995	2,594	40.0	200

The EBIT and ROIC results for the 2014 PBS grant were as follows:

EBIT and ROIC Results	2014 EBIT (\$ in billions)	2015 EBIT (\$ in billions)	2016 EBIT (\$ in billions)	2016 ROIC Growth	2016 ROIC
Annual Adjusted EBIT	\$1,720	\$1,958	\$2,610		
Annual Adjusted EBIT Growth %	12.19%	7.95%	10.68%		
Annual EBIT Growth Payout %	200.00%	148.75%	200.00%		
ROIC Growth				97.69%	200.00%

The fiscal 2014, 2015 and 2016 annual adjusted EBIT growth payout percentages were averaged, and the growth of fiscal 2016 ROIC over fiscal 2013 ROIC was calculated to determine the respective payout percentages that were then weighted. The weighted payout percentage was then subject to

COMPENSATION

Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I

modification for relative TSR (+25% if in the first quartile against the 2014 peer group, 0% if in the second or third quartile, and -25% if in the fourth quartile) to obtain a final payout percentages, as follows:

Payout % and TSR Modifier	Unweighted Payout (%)	Weighting (%)	Weighted Payout (%)
Average Annual Adjusted EBIT Payout %	182.92	75	137.19
ROIC Payout %	200.00	25	50.00
Weighted EBIT and ROIC Payout %			187.19
TSR Modifier (third quartile)			100.00
Final Payout % after TSR Modifier			187.19

Based on these performance measures, the Named Executive Officers received the following:

Named Executive Officer	2014 PBS Earned Shares ⁽¹⁾ (#)
Arnold W. Donald	71,719
David Bernstein	21,772
Alan Buckelew	29,456
Stein Kruse	29,456
Michael Thamm	24,362

(1) Additional shares will be provided to take into account dividend reinvestment during the period.

D. Special PBS Grant Made to Chief Executive Officer in October 2013

A special PBS grant was made to Mr. Donald on October 14, 2013, which reached the end of its three-year performance period on October 14, 2016. Under the terms of this special PBS grant, shares are earned based on the compound annual growth rate, including the value of dividends reinvested, (“CAGR”) of Carnival Corporation’s absolute TSR over the three-year performance period as follows:

Grant Level	CAGR Required (%)	Vesting Percentage (%)	# of Special PBS
Below Threshold	Less than 5	0	0
Threshold	5	20	18,691
Target	7	100	93,457
Maximum	17	500	467,285

Vesting increases 20% for each 0.5% increase in the CAGR of Carnival Corporation’s TSR above 5%. The maximum number of shares that may be earned is five times the target number of the special PBS grant and the maximum value that may be earned is eight times the target grant value of \$3 million.

CAGR performance of Carnival Corporation’s TSR was measured from the closing price of a share of Carnival Corporation common stock of \$32.10 on October 14, 2013 against the 90-day average closing price of a share of Carnival Corporation common stock, including the value of reinvested dividends, of \$50.19 at October 14, 2016. This resulted in CAGR of 16.07%, which corresponds to a vesting percentage of 462.80%. As a result, Mr. Donald earned 432,518 shares, 50% of which vested on October 18, 2016. The remaining 50% of the shares will vest on October 14, 2017, subject to continued employment.

E. MTE Grants Made During Fiscal 2017

The MTE grants are tied to the Management Incentive Plan performance. In April 2016, the Compensation Committees approved an MTE target grant value for each of our Named Executive Officers and certain other executives. This target grant value was determined after consideration of recommendations received from Mr. Donald and the Chairman of the Boards of Directors, as well as reviewing the scope of the Named Executive Officer's responsibilities, performance and long-term retention considerations.

Following the end of fiscal 2016, the actual 2016 Management Incentive Plan payout percentage is then applied to the MTE target grant value to determine the actual MTE grant values, which may be from zero to 200% of target. The actual MTE grant value earned is then converted into a number of RSUs that cliff vest after three years from the date of grant.

The MTE grants for our Named Executive Officers in January 2017 were as follows:

Named Executive Officer	MTE Target Value ⁽¹⁾		2016 Payout Percentage		MTE Grant Value		Closing Price On Grant Date ⁽¹⁾		RSUs Received ⁽²⁾ (#)
Arnold W. Donald	\$1,050,000	x	152.5%	=	\$1,601,250	÷	\$53.09	=	30,161
David Bernstein	\$ 400,000	x	152.5%	=	\$ 610,000	÷	\$53.09	=	11,489
Alan Buckelew	\$ 500,000	x	152.5%	=	\$ 762,500	÷	\$53.09	=	14,362
Stein Kruse	\$ 500,000	x	150.4%	=	\$ 752,000	÷	\$53.09	=	14,164
Michael Thamm	€ 325,000	x	105.5%	=	€ 342,875	÷	€47.83	=	7,169

- (1) The closing price on the grant date is calculated by reference to the price of Carnival Corporation common stock or Carnival plc ordinary shares on the New York Stock Exchange or London Stock Exchange, respectively, on the date of grant. The MTE grant made to Mr. Thamm is based on Carnival plc shares denominated in sterling. Because Mr. Thamm is compensated in euros, the Carnival plc ordinary share closing price on the grant date of £41.13 has been converted into euros based on an exchange rate of €1.1629:£1.
- (2) RSUs received have been rounded down to the nearest whole share.

Although considered to be compensation for performance in fiscal 2016, the MTE grants were made in early fiscal 2017 and, in accordance with SEC disclosure rules, are not shown in the "Grants of Plan-Based Awards in Fiscal 2016" table or included in the "Outstanding Equity Awards at 2016 Fiscal Year-End" table, and the grant date fair value of those shares are not reflected in the "Summary Compensation Table." These grants will be reflected in the executive compensation tables in next year's Proxy Statement.

F. TBS Grants Made During Fiscal 2016

TBS grants made during January 2016 were previously discussed in detail in our 2016 Proxy Statement. However, as discussed above, due to SEC disclosure rules, the grant date fair value of the grants detailed below are included in this Proxy Statement's "Summary Compensation Table" and "Grants of Plan-Based Awards in Fiscal 2016" table.

All participants in the Carnival Corporation 2011 Stock Plan and the Carnival plc 2014 Employee Share Plan, including our Named Executive Officers, received restricted shares or RSUs in January 2016 that cliff vest after three years, such vesting being in conformity with the UK Corporate Governance Code.

In January 2016, the Compensation Committees approved the TBS grants to our Named Executive Officers after consideration of recommendations received from Mr. Donald and the Chairman of the Boards of Directors as well as reviewing the scope of the Named Executive Officers' responsibilities,

fiscal 2015 performance and long-term retention considerations. The TBS grants approved for our Named Executive Officers in January 2016 were as follows:

Named Executive Officer	TBS Grants Restricted Shares/RSUs (#)	Grant Date Fair Value of TBS Grants ⁽¹⁾
Arnold W. Donald	38,932	\$2,099,992
David Bernstein	14,831	\$ 799,984
Alan Buckelew	18,539	\$ 999,994
Stein Kruse	18,539	\$ 999,994
Michael Thamm	12,705	€ 648,363

- (1) The grant date fair value of the TBS grants is calculated by reference to the price of Carnival Corporation common stock or Carnival plc ordinary shares on the New York Stock Exchange or London Stock Exchange on the date of grant. The TBS grants made to Mr. Thamm are based on Carnival plc shares denominated in sterling. Because Mr. Thamm is compensated in euros, the value of the TBS grants made to Mr. Thamm has been converted from sterling into euros based on the January 11, 2016 exchange rate of €1.33:£1.

In accordance with SEC disclosure rules, the TBS grants during fiscal 2016 (based on fiscal 2015 performance) are shown in the “Grants of Plan-Based Awards in Fiscal 2016” table and are included in the “Outstanding Equity Awards at 2016 Fiscal Year-End” table, and the grant date fair value of those shares is reflected in the “Summary Compensation Table.”

Perquisites and Other Compensation

Our Named Executive Officers are provided various perquisites believed by the Compensation Committees to be representative of common practices for executives in their respective countries. Some of Mr. Donald’s and Mr. Thamm’s perquisites and other benefits are provided pursuant to terms of their employment agreements. The Compensation Committees, with the assistance of FW Cook, review perquisites provided to our Named Executive Officers on a periodic basis and take into account each Named Executive Officer’s particular circumstances and overall level of compensation, and believe that perquisites provided by Carnival Corporation & plc continue to be an appropriate element of the overall compensation package used to attract and retain such officers.

The Compensation Committees have approved a policy to establish procedures and controls as to the authorized use of aircraft owned or chartered by Carnival Corporation & plc (the “Aircrafts”). According to the policy, the Aircrafts can only be used for business purposes. Guests may accompany these Executives when traveling. The Compensation Committees have also agreed to allow Mr. Donald to use the Aircrafts a maximum of 30 hours of personal use so long as the incremental cost to Carnival Corporation & plc does not exceed \$200,000 per year. Once that threshold is reached, Mr. Donald will reimburse us for those costs. The Compensation Committees determined that the Aircrafts usage policy and levels of usage and costs were consistent with those offered by large multinational companies like Carnival Corporation & plc.

The perquisites received by each Named Executive Officer in fiscal 2016, as well as their incremental cost to Carnival Corporation & plc, are reported in the “Summary Compensation Table” and its accompanying footnotes.

Post-Employment Compensation Obligations

Carnival Corporation & plc does not have any change of control agreements that provide cash severance to our Named Executive Officers upon a change of control of Carnival Corporation & plc, with the exception of the employment agreement with Mr. Donald. Carnival Corporation & plc does not

COMPENSATION

[Compensation Discussion and Analysis and Carnival plc Directors' Remuneration Report—Part I](#)

have employment agreements with any of our Named Executive Officers that provide cash severance benefits in connection with the termination of the executive's employment, with the exception of employment agreements with Mr. Donald and Mr. Thamm.

Mr. Donald's employment agreement is subject to renewal annually on October 14th of each year. If Mr. Donald wishes to leave prior to the end of the current term, he would generally need to give at least 60 days' written notice. The payments to Mr. Donald in the event of termination are set forth in section of the Proxy Statement entitled "Post-Employment Cash Compensation Obligations to Mr. Donald."

Mr. Thamm's employment agreement provides that he is generally entitled to an amount equal to one year's base salary and bonus as compensation for his agreement not to engage in competition with us. The Compensation Committees believe that the severance benefits provided to Mr. Thamm under his employment agreement are reasonable and in accordance with market practice in Italy.

Upon termination of employment for certain circumstances or upon a change of control, our Named Executive Officers may be entitled to retain or receive accelerated vesting of equity grants. Under the terms of the Carnival Corporation 2011 Stock Plan and the Carnival plc 2014 Employee Share Plan, however, the default provision upon a change in control would provide only for a "double trigger" acceleration of equity grants (such that no acceleration would occur unless the participant's employment were subsequently terminated by Carnival Corporation & plc (or its successor) without cause). These benefits are provided under the terms of the plans pursuant to which the equity grants were made, the grant agreement and under individual agreements with certain Named Executive Officers. However, none of our Named Executive Officers are entitled to receive any tax gross-up payments in respect of their severance benefits or accelerated equity grants. The benefits that our Named Executive Officers may be eligible to receive in connection with the termination of their employment or upon a change of control are described in detail in this Proxy Statement under the heading "Potential Payments Upon Termination or Change of Control."

The Compensation Committees believe that these arrangements are reasonable and encourage an executive to comply with post-termination non-compete and other restrictive covenants and to cooperate with us both before and after their employment is terminated.

Pensions and Deferred Compensation Plans

As part of the overall compensation program, Carnival Corporation & plc operates various group pension programs for certain of its executives. Under the Carnival Corporation pension programs, base salaries and annual bonuses were used to determine pension benefits.

Until January 1, 2009, Mr. Buckelew received retirement benefits under the Princess Cruises Supplemental Senior Executive Retirement Plan (the "Princess SERP"). As a result of the application of Section 457A, Mr. Buckelew's benefit under the Princess SERP was frozen as of December 31, 2008 and he has not accrued any additional benefits under the Princess SERP since that date.

In addition, until January 1, 2009, Mr. Bernstein participated in the Carnival Corporation Fun Ship Nonqualified Savings Plan (the "Savings Plan"), which is a nonqualified defined contribution plan whereby certain executives may defer salary and/or bonus amounts into the Savings Plan. Additional information regarding the Savings Plan is described in the narrative immediately following the "Nonqualified Deferred Compensation in Fiscal 2016" table. Information regarding nonqualified deferred compensation for each of our Named Executive Officers is shown in the "Nonqualified Deferred Compensation in Fiscal 2016" table.

Messrs. Donald, Kruse and Thamm do not participate in any pension or defined contribution plans sponsored by Carnival Corporation or Carnival plc.

As a result of Section 457A of the U.S. Internal Revenue Code, Carnival Corporation no longer provides future accruals under the Princess SERP, the Savings Plan or the Salary Deferral Plan to its employees, including our Named Executive Officers.

In lieu of participation in the Savings Plan, the Compensation Committees approved payment of an additional annual bonus directly to these employees in an amount equal to what would have been deposited on behalf of those employees into those plans, less, as described below, any amount Carnival Corporation contributes to the Carnival Corporation Fun Ship Savings Plan, a 401(k) plan (the “401(k) Plan”). These payments are taxable as ordinary income.

Beginning with the 2010 calendar year, the 401(k) Plan was amended and currently allows Messrs. Donald, Bernstein and Buckelew (as well as all other highly compensated employees) to defer a limited amount of compensation into the 401(k) Plan subject to nondiscrimination testing. Similarly, Carnival Corporation shall make a matching contribution to the 401(k) Plan under the plan’s formula, subject to nondiscrimination testing.

Stock Ownership Requirements

Our Boards of Directors and Compensation Committees believe it is important for Executive Officers and Directors to build and maintain a long-term ownership position in Carnival Corporation or Carnival plc shares in order to align their financial interests with those of our shareholders and to encourage the creation of long-term value. Our compensation structure provides for a significant percentage of compensation to be equity-based, which places a substantial portion of compensation at risk over a long-term period. Accordingly, our Section 16 Officers, including our Named Executive Officers, are subject to a stock ownership policy. The policy specifies target ownership levels of Carnival Corporation or Carnival plc shares for each executive expressed in terms of the value of the equity holdings (including unvested restricted shares and RSUs) as a multiple of each Section 16 Officer’s base salary. During fiscal 2016, the Board increased the target ownership level applicable to the Chairman and/or the Chief Executive Officer from five times base salary to six times base salary. The target ownership levels are as follows:

Officers	Ownership Target Multiple of Base Salary
Chairman and/or Chief Executive Officer	6X salary
Vice Chairman and/or Chief Operating Officer	4X salary
Other Section 16 Officers	3X salary

Individuals who are newly designated as Section 16 Officers are expected to be in compliance with the stock ownership policy within five years of the date of becoming a Section 16 Officer. All of our Named Executive Officers have already complied with the stock ownership policy. Our Section 16 Officers are restricted from trading call and put options and entering into any hedging transactions with respect to our shares. Carnival Corporation & plc does not make any commitment to any persons covered by the stock ownership policy that they will receive any particular level of equity-based awards.

The stock ownership policy provides that Section 16 Officers be required to retain at least 50% of the share awards received upon exercise or release after deducting the exercise price (of stock options) and withholding taxes, until their target ownership is achieved.

Impact of Regulatory Requirements on Compensation

In making determinations regarding executive compensation, the Compensation Committees consider relevant issues relating to accounting treatment, tax treatment (both company and individual) and regulatory requirements. The global nature of Carnival Corporation & plc’s operations necessarily

COMPENSATION

Report of the Compensation Committees

means that monitoring these technical issues and considering their potential impact on the appropriate design and operation of executive remuneration programs is an increasingly complex exercise. Technical issues are evaluated in light of Carnival Corporation & plc's philosophy and objectives for executive compensation and its corporate governance principles, as described earlier in this Compensation Discussion and Analysis.

REPORT OF THE COMPENSATION COMMITTEES

The Compensation Committees have reviewed the Compensation Discussion and Analysis and discussed it with the management of Carnival Corporation & plc. Based on its review and discussions with management, the Compensation Committees recommended to our Boards of Directors that the Compensation Discussion and Analysis be incorporated by reference into the Carnival Corporation & plc joint Annual Report on Form 10-K for 2016 and included in the Carnival Corporation & plc 2017 proxy statement. This report is provided by the following independent Directors, who comprise the Compensation Committees:

The Compensation Committee of Carnival Corporation	The Compensation Committee of Carnival plc
Randall J. Weisenburger, Chairman Richard J. Glasier Laura Weil	Randall J. Weisenburger, Chairman Richard J. Glasier Laura Weil

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committees are comprised entirely of three independent Directors listed above. No member of the Compensation Committees is a current, or during 2016 was a former, officer or employee of Carnival Corporation, Carnival plc or any of their subsidiaries. During 2016, no member of the Compensation Committees had a relationship that must be described under the SEC rules relating to disclosure of related person transactions. In 2016, none of our Executive Officers served on the board of directors or compensation committee of any entity that had one or more of its executive officers serving on the Board or the Compensation Committee of Carnival Corporation or Carnival plc.

COMPENSATION TABLES

Although Carnival Corporation and Carnival plc are two separate entities, our business is run by a single management team. The following tables, narrative and footnotes discuss the compensation of our Chief Executive Officer, our Chief Financial Officer and our three other most highly compensated executive officers for the year ended November 30, 2016, who are referred to as the Named Executive Officers. Mr. Thamm's compensation was payable in euro. These euro amounts have been converted into U.S. dollars at the average U.S. dollar to euro exchange rate for fiscal 2016 of \$1.11:€1.

The amounts included in the "Summary Compensation Table" reflect the grant date fair value, assuming no risk of forfeiture of the grants of Carnival Corporation restricted shares and Carnival plc RSUs made to our Named Executive Officers in fiscal 2016, calculated in accordance with ASC 718. The valuation of share-based grants is discussed in Notes 2 and 13 to the financial statements in the Carnival Corporation & plc joint Annual Report on Form 10-K for the year ended November 30, 2016. - (1) Certain of our Named Executive Officers are eligible to participate in an executive health insurance program, which includes a fully insured plan and a secondary insured plan. Amounts reported represent the cost of the premiums paid on a Named Executive Officer's behalf under these plans plus the additional costs of medical services rendered during the fiscal year. Named Executive Officers participating in this plan generally have until March 31, 2017 to submit their 2016 claims for reimbursement, and as a result, these amounts may increase. The maximum amount that may be reimbursed in any year under the secondary plan is \$20,000.
- (2) Represents the aggregate incremental cost to Carnival Corporation & plc for travel on the Aircrafts not related to company business. The aggregate incremental cost for the use of the Aircrafts for personal travel is calculated by multiplying the hourly variable cost rate for the Aircrafts used by the hours used. The hourly variable cost rate primarily includes fuel, airport handling and other fees, aircraft repairs and maintenance, crew expenses and catering. The hourly variable cost rate is recomputed annually to reflect changes in costs. Fixed costs which do not change based on usage, such as pilots' salaries, Aircraft depreciation and overhead costs, are excluded.
- (3) Includes the total amount of other benefits provided, none of which individually exceeded \$10,000 for the designated Named Executive Officer. These other benefits include: accidental death or dismemberment insurance premiums, disability insurance premiums, life insurance premiums, the opportunity to travel on Carnival Corporation & plc cruise lines for reduced fares, and gross-ups for a portion of income taxes for spousal travel.

Additional information with respect to Carnival plc's compensation and reimbursement practices during fiscal 2016 for Non-Executive Directors is included in Part II of the Carnival plc Directors' Remuneration Report, which is attached as Annex B to this Proxy Statement.

Employment Agreements

Two of our Named Executive Officers have employment agreements as follows:

- Mr. Donald entered into an employment agreement in October 2013, which was amended in October 2016, setting forth the contractual and economic terms of his post as the President and Chief Executive Officer of Carnival Corporation & plc. The employment agreement is subject to renewal annually. Mr. Donald’s compensation is determined at the discretion of the Boards of Directors.
- Mr. Thamm entered into an agreement in June 2012, which was last amended in November 2014, setting forth the contractual and economic terms of his post as the Chief Executive Officer of the Costa Group. Mr. Thamm’s compensation is determined at the discretion of the Compensation Committees.

For more detailed information regarding the employment agreements, please refer to the Compensation Discussion and Analysis and the exhibit index to the Carnival Corporation & plc 2016 joint Annual Report on Form 10-K.

Annual Bonus Plans

Annual bonuses for our Named Executive Officers are determined based on the Management Incentive Plan. For more detailed information regarding this plan, please refer to the Compensation Discussion and Analysis and the exhibit index to the Carnival Corporation & plc 2016 joint Annual Report on Form 10-K.

Equity-Based Compensation

In January 2016, the Compensation Committees made TBS grants in the form of restricted shares or RSUs to our Named Executive Officers that cliff vest after three years, in conformity with the UK Corporate Governance Code. The closing price of Carnival Corporation common stock and Carnival plc ordinary shares on January 11, 2016, the grant date, was \$53.94 and £38.37, respectively.

The restricted shares have the same rights with respect to dividends and other distributions as all other outstanding shares of Carnival Corporation common stock. RSUs do not receive dividends or have voting rights. Each RSU is credited with dividend equivalents equal to the value of cash and stock dividends paid on Carnival Corporation common stock or Carnival plc ordinary shares. The cash and stock dividend equivalents will be distributed upon the settlement of the RSUs upon vesting.

In accordance with the Compensation Committees’ focus on long-term shareholder return, the Compensation Committees also approved the 2016 annual PBS grants on April 13, 2016 for our Named Executive Officers and other key executives within Carnival Corporation & plc. The PBS grants vest zero to 200% of target. The initial vesting calculation is determined based on the extent to which Carnival Corporation & plc’s annual operating income, as adjusted for fuel price changes and currency exchange rate impacts, for each of the three fiscal years in the 2016-2018 performance cycle exceeds and ROIC growth exceeds the specified performance goals over the three-year performance period. The vesting percentage is then modified up or down by up to 10% at the end of the three year-performance cycle for Carnival Corporation’s TSR rank relative to the Peer Group. The maximum payout is 200% of target.

For further information regarding forfeiture and treatment upon termination or change of control, refer to the section entitled "Potential Payments Upon Termination or Change of Control" below.

Pension Benefit in Fiscal 2016

Messrs. Donald, Bernstein, Kruse and Thamm do not participate in any defined benefit pension plans sponsored by Carnival Corporation or Carnival plc. Mr. Buckelew participates in the Princess SERP.

Stein Kruse	None	—	—	—
Michael Thamm	None	—	—	—

- (1) Credited service for benefit calculation purposes under the Princess SERP is limited to 15 years, while actual credited service to Mr. Buckelew exceeds this amount.
- (2) The present value of accumulated benefit was calculated based on the interest rate assumption disclosed in Note 13 to the financial statements in the Carnival Corporation & plc joint Annual Report on Form 10-K for the year ended November 30, 2016, which was used to calculate the fiscal 2016 year-end liability for the plan. The Princess SERP benefit is assumed payable as a lump sum at the later of age 65 or current age. The Princess SERP 2017 lump sum was calculated using a 4.49% interest rate and the RP-2000 mortality table projected to 2017. The future payments are then discounted to current age using an interest rate of 1.25%. Due to taxation issues created by the adoption of Section 457A, benefits accrued as of December 31, 2008 under the Princess SERP will be paid as a lump sum on December 31, 2017.
- (3) Mr. Buckelew has not accrued or received (and is not entitled to accrue) any additional benefits under the Princess SERP after December 31, 2008.

Carnival Corporation & plc operate various group pension programs for their executives in which our Named Executive Officers also participate. Under the Carnival plc pension plans, in line with UK best practice, pension benefits are based solely on base salary and no other elements of compensation are taken into account when determining pension benefits. Under the Carnival Corporation pension programs, base salaries and annual bonuses are used to determine pension benefits.

The Princess SERP is unfunded and is not qualified for U.S. tax purposes. The Princess SERP provides a benefit equal to 65% of the highest base salary earned by Mr. Buckelew during any consecutive 60-month period offset by the actuarial equivalent of any benefits accrued as of December 31, 2008 under any other retirement plan maintained by Princess Cruise Lines, Ltd., or any affiliate (or predecessor) and Social Security benefits. Mr. Buckelew is vested in his benefit in the Princess SERP. As a result of the adoption of Section 457A, Mr. Buckelew's benefits under the Princess SERP were frozen as of December 31, 2008 and Mr. Buckelew has not been entitled to accrue any additional benefits under the Princess SERP since that date. Benefits under the Princess SERP are generally paid in the form of a monthly annuity commencing on the later of (i) the first day of the first month following the participant's separation from service or (ii) the participant's earliest commencement date, which is a date elected in advance by the participant that must be no earlier than the date the participant turns age 55 and no later than the date the participant turns 65. However, as a result of the adoption of Section 457A, any benefits accrued under the Princess SERP that remain unpaid as of December 31, 2017 will be paid in a single lump sum payment on December 31, 2017.

Carnival Corporation has established the Savings Plan, which is a nonqualified defined contribution plan for U.S. tax purposes. Until December 31, 2008, Mr. Bernstein could defer salary and/or bonus amounts into the Savings Plan. As described in the section of the Compensation Discussion and Analysis entitled “Impact of Regulatory Requirements on Compensation,” effective January 1, 2009, he could no longer defer any salary or bonus amounts into the Savings Plan. Although the Savings Plan is unfunded, Carnival Corporation has established a “rabbi trust” that holds any executive deferrals and company contributions to the Savings Plan.

Benefits are paid based on the participant’s form and timing elections made in accordance with applicable Section 409A Treasury Regulations. Benefits are based on the participant’s deferrals of cash compensation and associated earnings and losses based on the investment allocation selected by the participant. The investment options available to participants in the Savings Plan are identical to those available to participants in the 401(k) Plan, except for the Standard & Poor’s index fund and money market investment options. A participant may change his or her investment allocation at any time.

For every dollar Mr. Bernstein deferred into the Savings Plan prior to January 1, 2009, Carnival Corporation matched 50% up to the lower of (i) 50% of the U.S. Internal Revenue Service qualified plan limitation or (ii) 6% of his eligible pay. “Eligible pay” includes regular pay (before any pre-tax contributions from his pay and taxes) and bonus. Carnival Corporation also made profit sharing contributions into the Savings Plan based upon his eligible pay and years of service according to the following schedule:

Years of Service	Award (% of Eligible Pay)
Less than 2	0%
2-5	1%
6-9	2%
10-13	3%
14-16	5%
17-19	7%
20-22	9%
23-25	12%
26 and over	15%

Following the promulgation of Section 457A, salary and bonus deferrals into the Savings Plan are no longer permitted. As a result, Messrs. Donald, Bernstein and Buckelew and all other Savings Plan participants and those who are deemed highly compensated employees under IRS regulations are paid the equivalent of their annual matching award (less any amount actually contributed by Carnival Corporation to the 401(k) Plan on their behalf as a matching contribution) and profit sharing

contribution as additional cash compensation. The effect of this provision will result in no additional benefit for Messrs. Donald, Bernstein and Buckelew and will not result in a material incremental cost to Carnival Corporation. As of November 30, 2016, Messrs. Donald, Bernstein and Buckelew had 4, 19 and 39 years of service, respectively.

Additional information with respect to pension plan arrangements for Carnival plc for the year ended November 30, 2016 is included in Part I of the Carnival plc Directors' Remuneration Report included in this Proxy Statement as the Compensation Discussion and Analysis and Part II of the Carnival plc Directors' Remuneration Report, which is attached as Annex B to this Proxy Statement.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Each of our Named Executive Officers may be eligible to receive certain payments and benefits in connection with termination of employment under various circumstances. The potential benefits payable to our Named Executive Officers in the event of termination of employment under various scenarios on November 30, 2016 are described below.

In addition to benefits described below, our Named Executive Officers will be eligible to receive any benefits accrued under Carnival Corporation & plc broad-based benefit plans, such as distributions under life insurance and disability benefits and accrued vacation pay, in accordance with those plans and policies. These benefits are generally available to all employees. Mr. Bernstein will also be eligible to receive any account balances at the fiscal 2016 year-end under our nonqualified deferred compensation plans and programs as set forth in the "Nonqualified Deferred Compensation in Fiscal 2016" table in accordance with his payout election. Mr. Buckelew will also be eligible to receive any vested benefits under our pension programs upon termination of employment in accordance with the Princess SERP. Mr. Bernstein and Mr. Buckelew are fully vested in these benefits, which are described in the "Pension Benefits in Fiscal 2016" table and the description that follows that table. There are no special or enhanced executive benefits under our pension and nonqualified deferred compensation plans and programs.

Cash Severance Benefits

It is the policy of the Compensation Committees for Executive Officers to have notice periods of not more than 12 months in duration. The Compensation Committees may make an exception to this practice where they believe doing so would be in the best interests of Carnival Corporation and Carnival plc and their shareholders. The Compensation Committees will continue to consider the individual circumstances of each case taking account of best practice in the UK and the U.S. and the expected cost to Carnival Corporation & plc of any termination of an executive's employment arrangements.

Accordingly, Messrs. Bernstein, Buckelew and Kruse have no employment agreements and no entitlement to severance except for possible retention of unvested restricted share grants depending on the circumstances of their separation of employment discussed below.

Messrs. Donald and Thamm are our only Named Executive Officers with employment agreements providing cash severance and other benefits. The table below details the various payments associated with certain termination events. Payment outcomes associated with the treatment of equity is detailed below in the section entitled "Potential Value of Equity Grants upon Termination of Employment or Change of Control."

Equity-Based Compensation

Vesting of restricted shares and RSUs upon termination of a Named Executive Officer's employment is dependent upon the reasons his employment is terminated, the terms of the respective equity plan and the associated equity grant agreement. Equity grants made to our Named Executive Officers are subject to the same terms as all other participants generally, except as described below.

Carnival Corporation 2011 Stock Plan. All our Named Executive Officers except Mr. Thamm received equity grants under the Carnival Corporation 2011 Stock Plan. The terms of the Carnival Corporation 2011 Stock Plan and the equity grant agreements applicable to participants generally provide that upon termination for death or disability, all unvested equity grants will immediately vest. The terms of the restricted share grants to Named Executive Officers provide that if their employment is terminated without cause or they voluntarily terminate due to a diagnosis of a terminal medical condition, the restricted share grants will continue to vest according to their original vesting schedule. For the purposes of the agreement, “cause” is defined as any action or inaction which constitutes fraud, embezzlement, misappropriation, dishonesty, breach of trust, a felony or moral turpitude, as determined by the Boards of Directors.

Upon retirement, restricted share grants continue to vest according to their terms as though employment had not ended; provided, however, that as each participant reaches retirement age, 50% of the grant will immediately vest, if such participant becomes subject to tax withholding at that time. Retirement is defined as voluntary termination of an employee being at least 60 years of age with 15 years of service or at least 65 years of age with five years of service. Upon involuntary termination within 12 months after a change of control, the restricted period on all restricted shares and RSUs immediately expires.

Change of control means the occurrence of any of the following:

- the acquisition by any individual, entity or group of beneficial ownership of 50% or more of either (A) the then outstanding shares of common stock of Carnival Corporation or (B) the combined voting power of the then outstanding voting securities of Carnival Corporation and Carnival plc entitled to vote generally in the election of Directors, except that this provision does not apply to affiliated companies or the Arison family,
- incumbent Directors cease to constitute at least a majority of the Boards of Directors,
- the dissolution or liquidation of Carnival Corporation,
- the sale, transfer or other disposition of all or substantially all of the business or assets of Carnival Corporation, or
- the consummation of a reorganization, recapitalization, merger, consolidation, statutory share exchange or similar form of corporate transaction involving Carnival Corporation that requires the approval of the shareholders, whether for such transaction or the issuance of securities in the transaction.

All of the equity grants made to participants, including our Named Executive Officers, contain clawback and forfeiture provisions in the event of a violation of confidentiality or non-compete provisions (which restrict them from competing with Carnival Corporation & plc for the remainder of the award’s vesting period) or fraud or conduct contributing to any financial restatements or irregularities.

Pursuant to the terms of his employment agreement, Mr. Donald received a special PBS grant in October 2013, which matured in October 2016. In October 2016, 50% of the earned shares were released from restriction. The remaining 50% of the earned shares will remain restricted until October 2017. In the event Mr. Donald’s employment is terminated without cause or by Mr. Donald for good reason or in the event of a change in control, the restricted earned shares will vest in full.

The other Named Executive Officers received a special PBS grant in December 2013. The terms of the special PBS grant provide that if the executive’s employment is terminated without cause, he will vest in the target number of shares underlying the special PBS grant on a pro-rata basis as of the date of termination. In addition, in the event of a change in control, the special PBS grant would be pro-rated as of the date of the change in control. After the number of earned shares is known, in the event the

Carnival plc Employee Share Plans. Mr. Thamm is the only Named Executive Officer who received grants under the Carnival plc 2014 Employee Share Plan and the predecessor Carnival plc 2005 Employee Share Plan. Mr. Thamm receives the same treatment under the plans as other participants generally, except that if his employment is terminated without cause or he voluntarily terminates due to diagnosis of a terminal medical condition, all RSU grants will continue to vest according to their original vesting schedule. All grants vest upon termination of employment for death or disability. Upon retirement, all TBS grants will continue to vest according to their terms as if the employment had not been terminated. Retirement is defined as voluntary termination of an employee being at least 60 years of age with 15 years of service or at least 65 years of age with five years of service. Upon a change of control, all grants will vest.

Change of control is defined to mean the occurrence of any of the following:

- a person (either alone or together with any person acting in concert with him) obtaining control of Carnival plc as a result of a general offer or otherwise for the whole of the share capital of Carnival plc (other than those shares which are already owned by him and/or any person acting in concert with him),
- the acquisition by any individual, entity or group of beneficial ownership of 50% or more of either (A) the then outstanding shares of Carnival plc or (B) the combined voting power of the then outstanding voting securities of Carnival plc entitled to vote generally in the election of Directors, except that this provision does not apply to affiliated companies or members of the Arison family,
- incumbent Directors cease to constitute at least a majority of the Boards of Directors,
- a person becoming bound or entitled to give notice under sections 428 to 430F of the Companies Act 2006 to acquire shares,
- a court directing that a meeting of the holders of shares be convened pursuant to section 425 of the Companies Act 2006 for the purposes of considering a scheme of arrangement of Carnival plc or its amalgamation with any other company or companies and the scheme of arrangement being approved by the shareholders' meeting or sanctioned by the court,
- notice being duly given of a resolution for the voluntary winding-up of Carnival plc,
- the sale, transfer or other disposition of all or substantially all of the business or assets of Carnival plc, or
- the completion of a reorganization, recapitalization, merger, consolidation, share exchange or similar form of corporate transaction involving Carnival plc that requires the approval of the shareholders, whether for such transaction or the issuance of securities in the transaction.

All of the equity grants made to our Named Executive Officers contain confidentiality and non-compete provisions that restrict them from competing with Carnival plc. If they breach either of these provisions, they will forfeit the right to receive all unvested and unexercised equity grants.

Potential Value of Equity Grants Upon Termination of Employment or Change of Control

The following table details the value of all outstanding restricted share and RSU grants that would have become vested, or that could have continued to vest, subject to any non-compete and confidentiality requirement, for termination of employment or upon a change of control as of November 30, 2016. The true value of these equity grants for future vesting periods is subject to market fluctuations occurring over time.

AUDIT MATTERS

REPORT OF THE AUDIT COMMITTEES

Carnival Corporation and Carnival plc are two separate legal entities and, therefore, each has a separate Board of Directors, each of which in turn has its own Audit Committee. In accordance with their charter, each Audit Committee assists the relevant Board of Directors in carrying out its oversight of:

- the integrity of the relevant financial statements;
- Carnival Corporation and Carnival plc's compliance with legal and regulatory requirements, other than requirements related to HESS;
- the auditors' qualifications and independence;
- the performance of Carnival Corporation & plc's internal audit functions and independent auditors; and
- relevant elements of Carnival Corporation and Carnival plc's risk management programs.

Both Audit Committees are subject to the audit committee independence requirements under the corporate governance standards of the New York Stock Exchange and relevant SEC rules, and the Audit Committee of Carnival plc is also subject to the requirements of the UK Corporate Governance Code. The two Audit Committees have identical members and each currently consists of four independent (as defined by the listing standards of the New York Stock Exchange, SEC rules and the UK Corporate Governance Code) Non-Executive Directors. The Carnival Corporation Board of Directors has determined that each member of the Audit Committees is both "independent" and an "audit committee financial expert," as defined by SEC rules and New York Stock Exchange listing standards. In addition, the Carnival plc Board of Directors has determined that each member of the Audit Committees has "recent and relevant financial experience" for purposes of the UK Corporate Governance Code.

Management has primary responsibility for Carnival Corporation & plc's financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements. Carnival Corporation & plc's independent auditor is responsible for performing an independent audit of those financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles. The Audit Committees are responsible for monitoring and overseeing the financial reporting process and the preparation of consolidated financial statements and for supervising the relationship between Carnival Corporation & plc and its independent auditor, as well as reviewing the group's systems of internal controls and compliance with the group Code of Business Conduct and Ethics. The Audit Committees have met and held discussions with management of Carnival Corporation & plc and the independent auditor. In this context, management represented to the Audit Committees that Carnival Corporation & plc's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit Committees (i) reviewed and discussed Carnival Corporation & plc's audited consolidated financial statements for the year ended November 30, 2016 with Carnival Corporation & plc's management and with Carnival Corporation & plc's independent auditor; (ii) discussed with Carnival Corporation & plc's independent auditor the matters required to be discussed under applicable standards of the Public Company Accounting Oversight Board; and (iii) received the written disclosures and the letter from Carnival Corporation & plc's independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committees concerning independence and discussed with Carnival Corporation & plc's independent auditor the independent auditors' independence. The Audit Committees also considered whether the provision to the relevant entity by the independent auditor of non-audit

services was compatible with maintaining the independence of the independent auditor. Based on the reviews and discussions described above, the Audit Committees recommended to the Boards of Directors that the audited consolidated financial statements of Carnival Corporation & plc be included in Carnival Corporation & plc's Annual Report on Form 10-K for the year ended November 30, 2016 for filing with the SEC.

PROPOSALS 15 & 16

RE-APPOINTMENT AND REMUNERATION OF INDEPENDENT AUDITORS FOR CARNIVAL PLC AND RATIFICATION OF INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FOR CARNIVAL CORPORATION

The Audit Committee of the Board of Directors of Carnival plc has selected the UK firm of PricewaterhouseCoopers LLP as Carnival plc's independent auditors for the year ending November 30, 2017, subject to the approval of our shareholders. The Audit Committee of the Board of Directors of Carnival Corporation has selected the U.S. firm of PricewaterhouseCoopers LLP as Carnival Corporation's independent registered certified public accounting firm for the year ending November 30, 2017. Representatives of both the U.S. and UK firms of PricewaterhouseCoopers LLP will be present at the Annual Meetings, will have an opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from shareholders.

This resolution would re-appoint PricewaterhouseCoopers LLP as the independent auditors of Carnival plc until the conclusion of the next general meeting at which Carnival plc's annual accounts and reports are laid. It is a requirement of Section 489(2) of the Companies Act 2006 that Carnival plc appoint its independent auditors before the end of a general meeting at which its annual accounts and reports are laid.

Under Proposal 16, you are also being asked to authorize the Audit Committee of Carnival plc to determine the remuneration of PricewaterhouseCoopers LLP as independent auditors of Carnival plc.

Although ratification by our shareholders of the appointment of an independent certified public accounting firm for Carnival Corporation is not legally required, our Boards of Directors believe that such action is desirable. If our shareholders do not approve Proposal 16, the Audit Committees will consider the selection of another accounting firm for 2018 and future years.

The Boards of Directors unanimously recommend a vote **FOR the re-appointment of the UK firm of PricewaterhouseCoopers LLP as Carnival plc's independent auditors for the 2017 fiscal year, the authorization of the Audit Committee of Carnival plc to agree the remuneration of PricewaterhouseCoopers LLP and the ratification of the selection of the U.S. firm of PricewaterhouseCoopers LLP as Carnival Corporation's independent registered certified public accounting firm for the 2017 fiscal year.**

PROPOSAL 17

RECEIPT OF ACCOUNTS AND REPORTS OF CARNIVAL PLC

The Directors of Carnival plc are required by the Companies Act 2006 to present the financial statements, the UK statutory Directors' Report, the UK statutory Strategic Report and the auditors' report relating to those accounts to the Carnival plc shareholders. Accordingly, the Directors of Carnival plc lay before the Annual Meetings the Carnival plc accounts and the reports of the Directors and auditors for the year ended November 30, 2016, which have been approved by and signed on behalf of Carnival plc's Board of Directors and will be delivered to the Registrar of Companies in the UK following the Annual Meetings. Shareholders are voting to approve receipt of these documents, as UK law does not require shareholder approval of the substance and content of these documents. The UK statutory Directors' Report is attached to this Proxy Statement as Annex A and the UK statutory Strategic Report is included within the Carnival plc consolidated IFRS financial statements. The full accounts and reports of Carnival plc will be available for inspection prior to and during the Annual Meetings.

The Boards of Directors unanimously recommend a vote **FOR the receipt of the accounts and reports of Carnival plc for the year ended November 30, 2016.**

PROPOSALS 18 & 19

APPROVAL OF THE GRANT OF AUTHORITY TO ALLOT NEW CARNIVAL PLC SHARES AND THE DISAPPLICATION OF PRE-EMPTION RIGHTS APPLICABLE TO THE ALLOTMENT OF NEW CARNIVAL PLC SHARES

Summary. Proposal 18 authorizes the Directors of Carnival plc to issue, until the next Annual General Meeting of Carnival plc (or, if earlier, until the close of business on July 4, 2018), a maximum number of Carnival plc ordinary shares (or to grant rights to subscribe for or convert any securities into ordinary shares up to a maximum aggregate amount) without further shareholder approval. Proposal 19 authorizes the Directors of Carnival plc to issue (or sell any ordinary shares which Carnival plc elects to hold in treasury), until the next Annual General Meeting of Carnival plc (or, if earlier, until the close of business on July 4, 2018), a maximum number of Carnival plc ordinary shares for cash without first offering them to existing shareholders in accordance with the pre-emption rights that would otherwise be applicable. As is the case with many UK companies, these resolutions are proposed each year as the Directors believe occasions may arise from time to time when it would be beneficial for shares to be allotted without shareholder approval and for shares to be allotted for cash without making a pre-emptive offer. The Carnival plc Directors have no current commitments or plans to allot additional shares of Carnival plc.

Discussion. Under Article 30 of the Articles of Association of Carnival plc, the Directors have, for a "prescribed period," unconditional authority to allot ordinary shares in Carnival plc up to an aggregate nominal amount known as the "allotment amount."

The power to implement the authority provided by Article 30 is sought each year by the proposal of an ordinary resolution to establish the prescribed period and the allotment amount. By passing this ordinary resolution, shareholders are authorizing the Board of Carnival plc to issue, during the prescribed period, a maximum number of shares having an aggregate nominal value equal to the allotment amount, without further shareholder approval. In the absence of such approval, the issuance of any additional shares would require shareholder approval.

OTHER PROPOSALS

[Approval of the Grant of Authority to Allot New Carnival plc Shares and the Disapplication of Pre-emption Rights Applicable to the Allotment of New Carnival plc Shares](#)

Under Article 31 of the Articles of Association of Carnival plc, the Directors have, for the same “prescribed period” referred to above, power to allot a small number of ordinary shares for cash without making a pre-emptive offer to existing shareholders, up to an aggregate nominal amount known as the “disapplication amount.”

The power to implement the authority provided by Article 31 is sought each year by the proposal of a special resolution to establish the disapplication amount. By passing this special resolution, shareholders are authorizing the Board of Carnival plc to issue, during the prescribed period, an amount of shares having an aggregate nominal value equal to the disapplication amount, for cash without first offering them to existing shareholders of Carnival plc.

The Third Amended and Restated Articles of Incorporation of Carnival Corporation do not contain equivalent provisions and holders of Carnival Corporation shares do not have pre-emption rights. Accordingly, no action is required in respect of the ability of Carnival Corporation to allot shares or to disapply pre-emption rights.

In common with many UK companies, resolutions to renew the prescribed period and re-establish the allotment amount and the disapplication amount are normally proposed each year as the Directors believe occasions may arise from time to time when it would be beneficial for shares to be allotted and for shares to be allotted for cash without making a pre-emptive offer. This is the purpose of Proposal 18 (an ordinary resolution) and Proposal 19 (a special resolution). As usual, the prescribed period is the period from the passing of the resolutions until the next Annual General Meeting (or, if earlier, until the close of business on July 4, 2018).

Guidelines issued by the Association of British Insurers, whose member insurance companies are some of the largest institutional investors in UK listed companies, require the allotment amount to be limited to one-third of the issued ordinary share capital (except in the case of a rights issue). By reference to Carnival plc’s issued ordinary share capital on January 19, 2017, the maximum allotment amount is \$119,541,296, which is equal to 72,012,829 new Carnival plc ordinary shares, being one-third of the amount of the issued ordinary share capital (excluding treasury shares).

In line with guidance issued by the Association of British Insurers, paragraph (b) of Proposal 18 would give the Directors of Carnival plc authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares in connection with a rights issue in favor of ordinary shareholders up to an aggregate nominal amount equal to \$239,082,592 (representing 144,025,658 ordinary shares), as reduced by the nominal amount of any shares issued under paragraph (a) of Proposal 18. However, if they do exercise the authorities given to them if Proposals 18 and 19 are passed, the Directors intend to follow the Association of British Insurers’ recommendations concerning their use (including as regards the Directors standing for election or re-election in certain cases). This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital (excluding treasury shares) of Carnival plc as at January 19, 2017.

Guidelines issued by the Pre-Emption Group, a group comprising representatives of UK listed companies, investment institutions and corporate finance practitioners and formed under the support of the London Stock Exchange to monitor the operation of the Guidelines, recommend that a resolution to disapply the statutory pre-emption rights provided by UK company law should be limited to an amount of equity securities not exceeding 5% of the nominal value of the company’s issued ordinary share capital. By reference to Carnival plc’s issued ordinary share capital on January 19, 2017, the maximum disapplication amount is \$17,931,194, which is equal to 10,801,924 new Carnival plc ordinary shares. In respect of this aggregate nominal amount, the Directors of Carnival plc confirm their intention to follow the provisions of the Pre-Emption Group’s Statement of Principles regarding cumulative usage

OTHER PROPOSALS

General Authority to Buy Back Carnival plc Ordinary Shares

of authorities within a rolling three-year period where the Principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders.

In summary, if Proposals 18 and 19 were passed, the extent of the authority of the Directors to allot new Carnival plc ordinary shares for cash on terms which would be dilutive to the existing shareholdings of Carnival plc shareholders, without shareholder approval, would be limited to 10,801,924 new Carnival plc ordinary shares, being 5% of the issued ordinary share capital of Carnival plc at January 19, 2017. The Directors have no current commitments or plans to allot additional shares of Carnival plc. Furthermore, the adoption of Proposals 18 and 19 would have no material effect on the ability of Carnival plc to undertake or defend against a takeover attempt.

The Boards of Directors have authorized the repurchase of up to 22 million Carnival plc ordinary shares and the repurchase of up to 26.9 million shares of Carnival Corporation common stock under Stock Swap programs. We use the Stock Swap programs in situations where we can obtain an economic benefit because either Carnival Corporation common stock or Carnival plc ordinary shares are trading at a price that is at a premium or discount to the price of Carnival plc ordinary shares or Carnival Corporation common stock, as the case may be. Any realized economic benefit under the Stock Swap programs is used for general corporate purposes. As of the date of this Proxy Statement, no Carnival plc shares are held by Carnival plc in treasury.

In the event Carnival Corporation common stock trades at a premium to Carnival plc ordinary shares, we may elect to issue and sell shares of Carnival Corporation common stock through a sales agent, from time to time at prevailing market prices in ordinary brokers' transactions, and use the sale proceeds to repurchase Carnival plc ordinary shares in the UK market on at least an equivalent basis. Based on authorizations provided by the Boards of Directors in January 2017, Carnival Corporation was authorized to issue and sell up to 22 million shares of its common stock in the U.S. market.

In the event Carnival Corporation common stock trades at a discount to Carnival plc ordinary shares, we may elect to sell existing ordinary shares of Carnival plc, with such sales made by Carnival Corporation or Carnival Investments Limited, a subsidiary of Carnival Corporation, through a sales agent from time to time at prevailing market prices in ordinary broker transactions, and use the sale proceeds to repurchase shares of Carnival Corporation common stock in the U.S. market on at least an equivalent basis. Based on an authorization provided by the Boards of Directors in February 2016, Carnival Corporation or Carnival Investments Limited was authorized to sell up to 26.9 million Carnival plc ordinary shares in the UK market.

The Boards of Directors unanimously recommend a vote **FOR the approval of limits on the authority to allot Carnival plc shares and the disapplication of pre-emption rights for Carnival plc.**

PROPOSAL 20

GENERAL AUTHORITY TO BUY BACK CARNIVAL PLC ORDINARY SHARES

The Boards of Directors have authorized the repurchase of up to an aggregate of \$1.1 billion of Carnival Corporation common stock and Carnival plc ordinary shares subject to certain restrictions (the "Repurchase Program"). The Repurchase Program does not have an expiration date and may be discontinued by our Boards of Directors at any time.

At January 19, 2017, the remaining availability under the Repurchase Program was \$389.3 million. We may repurchase shares of Carnival Corporation common stock or Carnival plc ordinary shares under the Repurchase Program, in addition to repurchases made with net proceeds resulting from the Stock Swap programs described above.

OTHER PROPOSALS

General Authority to Buy Back Carnival plc Ordinary Shares

Shareholder approval is not required for us to buy back shares of Carnival Corporation, but is required under the Companies Act 2006 for us to buy back shares of Carnival plc. Accordingly, last year Carnival Corporation and Carnival plc sought and obtained shareholder approval to effect market purchases of up to 21,645,614 ordinary shares of Carnival plc (being approximately 10% of Carnival plc's ordinary shares in issue). During fiscal 2016 and through January 19, 2017, 919,824 Carnival plc shares have been purchased under the Repurchase Program and the Stock Swap programs. Carnival Corporation & plc treats any such purchases made by Carnival Corporation or Carnival Investments Limited under the Repurchase Program or the Stock Swap programs as if they were made by Carnival plc under the Carnival plc share buy back authority. That approval expires on the earlier of (i) the conclusion of Carnival plc's 2017 Annual General Meeting or (ii) July 13, 2017. Shareholder approval to effect market purchases (within the meaning of Section 693(4) of the Companies Act 2006) once the current authorization expires of up to 21,603,849 ordinary shares of Carnival plc (being 10% of Carnival plc's ordinary shares in issue as of January 19, 2017) is being sought.

The Boards of Directors confirm that the authority to purchase Carnival plc's shares under the Repurchase Program and the Stock Swap program will only be exercised after careful consideration of prevailing market conditions and the position of Carnival plc. In particular, the program will only proceed if we believe that it is in the best interests of Carnival Corporation, Carnival plc and their shareholders generally. The Boards of Directors are making no recommendation as to whether shareholders should sell any shares in Carnival plc and/or Carnival Corporation.

If the Boards of Directors exercise the authority conferred by Proposal 20, we would have the option of holding the shares in treasury, or cancelling them. Shares held in treasury can be re-sold for cash, used for employee share plans or later cancelled. The Boards of Directors think it prudent to maintain discretion as to dealing with the purchased shares. As of January 19, 2017, 919,824 Carnival plc shares are held by Carnival plc in treasury.

The Boards of Directors consider that any buyback of Carnival plc shares may include the purchase of its American Depositary Shares ("ADSs"), each representing one ordinary share of Carnival plc, with a subsequent cancellation of the underlying ADSs. If the underlying ADSs are so cancelled, Carnival plc will either cancel or hold in treasury the ordinary share represented by such ADSs.

The minimum price (exclusive of expenses) which may be paid for each Carnival plc ordinary share is \$1.66, and the maximum price which may be paid is an amount (exclusive of expenses) equal to the higher of (i) 105% of the average middle market quotations for an ordinary share, as derived from the London Stock Exchange Daily Official List, for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased; and (ii) the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange at the time the purchase is carried out.

As of January 19, 2017, there are no options outstanding to subscribe for ordinary shares and Carnival plc has issued 716,145 RSUs, which represent in the aggregate less than 1% of Carnival plc's issued share capital. If 21,603,849 ordinary shares of Carnival plc were purchased by Carnival plc and cancelled, these RSUs would represent in the aggregate less than 1% of Carnival plc's issued share capital.

The authority to purchase Carnival plc ordinary shares will expire at the conclusion of the Carnival plc Annual General Meeting in 2018 or on July 4, 2018, whichever is earlier (except in relation to any purchases of shares the contract for which was entered before the expiry of such authority).

The Boards of Directors unanimously recommend a vote **FOR the general authority to buy back Carnival plc ordinary shares.**

QUESTIONS AND ANSWERS

QUESTIONS APPLICABLE TO ALL SHAREHOLDERS

Q: *What information is contained in these materials?*

A: The information included in this Proxy Statement relates to the proposals to be voted on at the meetings, the voting process, the compensation of Directors and certain Executive Officers and certain other information required by rules promulgated by the SEC and the New York Stock Exchange applicable to both companies. We have attached as Annexes A, B and C to this Proxy Statement information that Carnival plc is required to provide to its shareholders under applicable UK rules.

Q: *What proposals will be voted on at each of the meetings?*

A: The proposals to be voted on at each of the meetings are set out in the Notices of Meetings starting on pages 3 and 6 of this Proxy Statement.

Q: *What is the voting recommendation of the Boards of Directors?*

A: Your Boards of Directors recommend that you vote your shares as follows:

- “FOR” Proposals 1 through 11 and 13 through 20; and
- In the case of Proposal 12, that you recommend that the vote to approve the compensation of our Named Executive Officers will occur every year.

Q: *How does the DLC arrangement affect my voting rights?*

A: On most matters that affect all of the shareholders of Carnival Corporation and Carnival plc, the shareholders of both companies effectively vote together as a single decision-making body. These matters are called “joint electorate actions.” Combined voting is accomplished through the special voting shares that have been issued by each company. Certain matters specified in the organizational documents of Carnival Corporation and Carnival plc where the interests of the two shareholder bodies may diverge are called “class rights actions.” The class rights actions are voted on separately by the shareholders of each company. If either group of shareholders does not approve a class rights action, that action generally cannot be taken by either company. All of the proposals to be voted on at these Annual Meetings are joint electorate actions, and there are no class rights actions.

Q: *Generally, what actions are joint electorate actions?*

A: Any resolution to approve an action other than a class rights action or a procedural resolution (described below) is designated as a joint electorate action. The actions designated as joint electorate actions include:

- the appointment, removal, election or re-election of any Director of either or both companies;
- if required by law, the receipt or adoption of the annual accounts of both companies;
- the appointment or removal of the independent auditors of either company;
- a change of name by either or both companies; or
- the implementation of a mandatory exchange of Carnival plc shares for Carnival Corporation shares based on a change in tax laws, rules or regulations.

QUESTIONS AND ANSWERS

Questions Applicable to all Shareholders

The relative voting rights of Carnival plc shares and Carnival Corporation shares are equalized based on a ratio which we refer to as the “equalization ratio.” Based on the current equalization ratio of 1:1, each Carnival Corporation share has the same voting rights as one Carnival plc share on joint electorate actions.

Q: *How are joint electorate actions voted on?*

A: Joint electorate actions are voted on as follows:

- Carnival plc shareholders vote at the Annual General Meeting of Carnival plc (whether in person or by proxy). Voting is on a poll (or ballot), which remains open for sufficient time to allow the vote at the Carnival Corporation meeting to be held and reflected in the Carnival plc meeting through the mechanism of the special voting share. An equivalent vote is cast at the subsequent Carnival Corporation meeting on each of the corresponding resolutions through a special voting share issued by Carnival Corporation; and
- Carnival Corporation shareholders vote at the Carnival Corporation Annual Meeting (whether in person or by proxy). Voting is by ballot (or on a poll), which remains open for sufficient time to allow the vote at the Carnival plc meeting to be reflected in the Carnival Corporation meeting through the mechanism of the special voting share. An equivalent vote is cast on the corresponding resolutions at the Carnival plc meeting through a special voting share issued by Carnival plc.

A joint electorate action is approved if it is approved by:

- a simple majority of the votes cast in the case of an ordinary resolution (or not less than 75% of the votes cast in the case of a special resolution, if required by applicable law and regulations or Carnival plc’s articles) by the holders of Carnival plc’s shares and the holder of the Carnival plc special voting share voting as a single class at a meeting at which a quorum was present and acting;
- a simple majority of the votes cast (or other majority if required by applicable law and regulations or the Carnival Corporation articles and by-laws) by the holders of Carnival Corporation shares and the holder of the Carnival Corporation special voting share, voting as a single class at a meeting which a quorum was present and acting; and
- a minimum of one-third of the total votes available to be voted by the combined shareholders must be cast on each resolution for it to be effective. Formal abstentions (or votes withheld) by a shareholder on a resolution will be counted as having been “cast” for this purpose.

Q: *How are the Directors of each company elected or re-elected?*

A: Resolutions relating to the election or re-election of Directors are considered as joint electorate actions. No person may be a member of the Board of Directors of Carnival Corporation or Carnival plc without also being a member of the Board of Directors of the other company. There are ten nominees for election or re-election to the Board of Directors of each company this year. Each nominee currently serves as a Director of Carnival Corporation and Carnival plc. All nominees for Director are to be elected or re-elected to serve until the next Annual Meetings and until their successors are elected.

Carnival plc’s Articles of Association currently require Directors to submit themselves for election by shareholders at the first Annual General Meeting following their initial appointment to the Board of Directors and for re-election thereafter at subsequent Annual General Meetings at intervals of no more than three years. The Boards of Directors have decided, in accordance with the UK

Corporate Governance Code, to submit all Directors for re-election by the shareholders at the Annual Meetings irrespective of their date of appointment and length of service.

Q: *What votes are required to approve the proposals?*

A: Proposals 19 and 20 are required to be approved by not less than 75% of the combined votes cast at both meetings. With respect to Proposal 12 (the “say-on-frequency” vote), shareholders will be deemed to have approved the alternative that receives the most votes, even if that alternative receives less than a majority of the votes cast at both meetings. Each of the other proposals, including the election or re-election of Directors, requires the approval of a majority of the combined votes cast at both meetings. Abstentions and broker non-votes are not deemed votes cast for purposes of calculating the vote, but do count for the purpose of determining whether a quorum is present.

If you are a beneficial owner of Carnival Corporation shares and do not provide the shareholder of record with a signed voting instruction card, your shares may constitute broker non-votes, as described in “*How is the quorum determined?*” In tabulating the voting result for any particular proposal, shares which constitute broker non-votes are not deemed cast for the purposes of calculating the vote.

Additionally, if you are a beneficial owner of shares held through intermediaries such as brokers, banks and other nominees, such intermediaries are not permitted to vote without specific instructions from you unless the matter to be voted on is considered “routine.” In this Proxy Statement, Proposal 13 (approval of the Carnival plc Directors’ Remuneration Report (other than the Carnival plc Directors’ Remuneration Policy)), Proposal 14 (approval of the Carnival plc Directors’ Remuneration Policy), Proposals 15 and 16 (the re-appointment and remuneration of independent auditors for Carnival plc and the ratification of independent registered certified public accounting firm for Carnival Corporation), Proposal 17 (the receipt of accounts and reports of Carnival plc), Proposal 18 (allotment of new shares by Carnival plc), Proposal 19 (disapplication of pre-emption rights in relation to the allotment of new shares by Carnival plc) and Proposal 20 (general authority for Carnival plc to buy back Carnival plc shares) are considered “routine.” On each of the other proposals, including the election of Directors and the approval of the fiscal 2016 compensation of our Named Executive Officers, your broker, bank or other nominee will not be permitted to vote your shares without receiving voting instructions from you.

Q: *Generally, what are procedural resolutions?*

A: Procedural resolutions are resolutions of a procedural or technical nature that do not adversely affect the shareholders of the other company in any material respect and are put to the shareholders at a meeting. The special voting shares do not represent any votes on “procedural resolutions.” The Chairperson of each of the meetings will determine whether a resolution is a procedural resolution.

To the extent that such matters require the approval of the shareholders of either company, any of the following will be procedural resolutions:

- that certain people be allowed to attend or be excluded from attending the meeting;
- that discussion be closed and the question put to the vote (provided no amendments have been raised);
- that the question under discussion not be put to the vote (where a shareholder feels the original motion should not be put to the meeting at all, if such original motion was brought during the course of that meeting);

QUESTIONS AND ANSWERS

Questions Applicable to all Shareholders

- to proceed with matters in an order other than that set out in the notice of the meeting;
- to adjourn the debate (for example, to a subsequent meeting); and
- to adjourn the meeting.

Q: *Where can I find the voting results of the meeting?*

A: The voting results will be announced to the media and the relevant stock exchanges and posted on our website at www.carnivalcorp.com and www.carnivalplc.com, after both shareholder meetings have closed. The results will also be published in a joint current report on Form 8-K within four business days after the date the shareholders meetings have closed.

Q: *What is the quorum requirement for the meetings?*

A: The quorum requirement for holding the meetings and transacting business as joint electorate actions at the meetings is one-third of the total votes capable of being cast by all shareholders of both companies. Shareholders may be present in person or represented by proxy or corporate representative at the meetings.

Q: *How is the quorum determined?*

A: For the purposes of determining a quorum with respect to joint electorate actions, the special voting shares have the maximum number of votes attached to them as were cast on such joint electorate actions, either for, against or abstained, at the parallel shareholder meeting of the other company, and such maximum number of votes (including abstentions) constitutes shares entitled to vote and present for the purposes of determining whether a quorum exists at such a meeting.

In order for a quorum to be validly constituted with respect to meetings of shareholders convened to consider a joint electorate action or class rights action, the special voting entities must be present.

Abstentions (including votes withheld) and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares.

Q: *Is my vote confidential?*

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote or (3) to facilitate a successful proxy solicitation by our Boards of Directors. Occasionally, shareholders provide written comments on their proxy card which are then forwarded to management.

Q: *Who will bear the cost of soliciting votes for the meetings?*

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes for the meetings. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to shareholders.

Q: Can I view the proxy materials electronically?

A: Yes. This Proxy Statement and any other proxy materials have been posted on our website at www.carnivalcorp.com and www.carnivalplc.com. Carnival Corporation shareholders can also access proxy-related materials at www.proxyvote.com as described under “*Questions Specific to Shareholders of Carnival Corporation*” beginning on page 84.

Q: What reports are filed by Carnival Corporation and Carnival plc with the SEC and how can I obtain copies?

A: We file this Proxy Statement, joint Annual Reports on Form 10-K, joint Quarterly Reports on Form 10-Q and joint Current Reports on Form 8-K with the SEC. **Copies of this Proxy Statement, the Carnival Corporation & plc joint Annual Report on Form 10-K for the year ended November 30, 2016, as well as any joint Quarterly Reports on Form 10-Q or joint Current Reports on Form 8-K, as filed with the SEC can be viewed or obtained without charge through the SEC’s website at www.sec.gov (under Carnival Corporation or Carnival plc) or at www.carnivalcorp.com or www.carnivalplc.com. Q: May I propose actions for consideration at next year’s Annual Meetings?

A: Carnival Corporation shareholders and Carnival plc shareholders (to the extent permitted under Carnival Corporation’s and Carnival plc’s governing documents and U.S. and UK law, as applicable) may submit proposals for consideration at future shareholder meetings, including Director nominations. In order for shareholder proposals to be considered for inclusion in our proxy statement for next year’s Annual Meetings, the written proposals must be received by our Secretary no later than the close of business October 27, 2017. Such proposals also will need to comply with SEC regulations and UK law requirements regarding the inclusion of shareholder proposals in company sponsored proxy materials. Any proposal of shareholders to be considered at next year’s meetings, but not included in our proxy statement, must be submitted no later than six weeks prior to the Annual Meetings of Shareholders or, if later, the time at which the notice of such meeting is publicly disclosed. For further information on the UK law requirements, please refer to the “*Questions Specific to Shareholders of Carnival plc.*”

Q: May I nominate individuals to serve as Directors?

A: You may propose Director candidates for consideration by our Board’s Nominating & Governance Committees. In order to submit a nominee for election at the 2018 Annual Meetings you must provide the information required for Director nominations set forth in Carnival Corporation’s by-laws. Specifically, you must submit your recommendation in writing to the attention of our Secretary at our headquarters not later than seven days nor earlier than 42 days prior to the 2018 Annual Meetings. Any such recommendation must include, in addition to any other requirements specifically set forth in Carnival Corporation’s and Carnival plc’s governing documents:

- the name and address of the candidate;
- a brief biographical description, including his or her occupation and service on boards of any public company or registered investment company for at least the last five years;

QUESTIONS AND ANSWERS

Questions Specific to Shareholders of Carnival Corporation

- a statement of the particular experience, qualifications, attributes or skills of the candidate, taking into account the factors referred to below in “*Board Structure and Committee Meetings—Nominations of Directors*”; and
- the candidate’s signed consent to serve as a Director if elected, and to be named in the Proxy Statement.

QUESTIONS SPECIFIC TO SHAREHOLDERS OF CARNIVAL CORPORATION

Carnival plc shareholders should refer to the “*Questions Specific to Shareholders of Carnival plc*” beginning on page 87.

Q: *What Carnival Corporation shares owned by me can be voted?*

A: All Carnival Corporation shares owned by you as of February 6, 2017, the record date, may be voted by you. These shares include those (1) held directly in your name as the shareholder of record, including shares purchased through Carnival Corporation’s Dividend Reinvestment Plan and its Employee Stock Purchase Plan and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q: *Will I be asked to vote at the Carnival plc Annual Meeting?*

A: No. Your vote at the Carnival Corporation Annual Meeting, for the purposes of determining the outcome of combined voting, is automatically reflected as appropriate at the parallel Annual Meeting of Carnival plc through the mechanism of the special voting share issued by Carnival plc.

Q: *Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?*

A: Carnival Corporation is taking advantage of SEC rules that allow it to deliver proxy materials over the Internet. Under these rules, Carnival Corporation is sending its shareholders a one-page notice regarding the Internet availability of proxy materials (the “Notice of Internet Availability of Proxy Materials”) instead of a full set of proxy materials, unless they previously requested to receive printed copies. You will not receive printed copies of the proxy materials unless you specifically request them. Instead, this notice tells you how to access and review on the Internet all the important information contained in the proxy materials. This notice also tells you how to submit your proxy card on the Internet and how to request to receive a printed copy of the proxy materials.

Q: *What is the difference between holding shares as a shareholder of record and as a beneficial owner?*

A: Most of the shareholders of Carnival Corporation hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Carnival Corporation’s transfer agent, Computershare Investor Services LLC, you are considered, with respect to those shares, the shareholder of record, and the Notice of Internet Availability of Proxy Materials or set of printed proxy materials, as applicable, is being sent directly to you by us. As the shareholder of record,

you have the right to grant your voting proxy directly to the persons named in the proxy or to vote in person at the meeting. If you request a paper copy of the proxy materials as indicated in the notice, Carnival Corporation will provide a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held under street name, and the Notice of Internet Availability of Proxy Materials or set of printed proxy materials, as applicable, is being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting. If you request a paper copy of the proxy materials as indicated in the notice, your broker or nominee will provide a voting instruction card for you to use.

Q: *How can I vote my Carnival Corporation shares in person at the meeting?*

A: Shares held directly in your name as the shareholder of record may be voted in person at the Annual Meeting in London, United Kingdom. If you choose to do so, please bring your proxy card and proof of identification.

Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting. Shares held under street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares. Please refer to the voting instructions provided by your broker or nominee.

Q: *How can I vote my Carnival Corporation shares without attending the meeting?*

A: Whether you hold shares directly as the shareholder of record or beneficially under street name, you may direct your vote without attending the meeting. You may vote by granting a proxy or, for shares held under street name, by submitting voting instructions to your broker or nominee. For shareholders of record, you may do this by voting on the Internet or by telephone by following the instructions in the notice you received in the mail. If you received a full printed set of proxy materials in the mail, you can also vote by signing your proxy card and mailing it in the enclosed envelope. If you provided specific voting instructions, your shares will be voted as you instruct. If you submit a proxy but do not provide instructions, your shares will be voted as described below in "How are votes counted?" Where your shares are held under street name, in most instances you will be able to do this over the Internet or by telephone by following the instructions in the notice you received in the mail, or if you received a full printed set of proxy materials in the mail, by mail. Please refer to the voting instruction card included by your broker or nominee.

Q: *Can I change my vote?*

A: Yes. You may change your proxy instruction at any time prior to the vote at the Annual Meeting. For shares held directly in your name, you may accomplish this by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) or by attending the Annual Meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares owned beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

QUESTIONS AND ANSWERS

[Questions Specific to Shareholders of Carnival Corporation](#)

Q: *What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials or set of printed proxy materials, as applicable?*

A: It means your shares are registered differently or are in more than one account. Please follow the instructions in each notice to ensure all of your shares are voted.

Q: *Only one Notice of Internet Availability of Proxy Materials or set of printed proxy materials was delivered to my address, but there are two or more shareholders at this address. How do I request additional copies of the proxy materials?*

A: Broadridge Financial Solutions, Inc., the entity we have retained to mail the Notice of Internet Availability of Proxy Materials or printed proxy materials to Carnival Corporation's registered owners and the entity retained by the brokerage community to mail the Notice of Internet Availability of Proxy Materials or printed proxy materials to Carnival Corporation's beneficial owners, has been instructed to deliver only one notice or set of printed proxy materials to multiple security holders sharing an address unless we have received contrary instructions from you or one of the other shareholders. We will promptly deliver a separate copy of the notice or set of printed proxy materials for this year's Annual Meeting or for any future meetings to any shareholder upon written or oral request. To make such request, please contact Broadridge Financial Solutions at 1-866-540-7095, or write to Broadridge Financial Solutions, Attention: Householding Department, 51 Mercedes Way, Edgewood, New York 11717. Q: *Who can attend the Carnival Corporation meeting?*

A: All Carnival Corporation shareholders of record as of February 6, 2017, or their duly appointed proxies, may attend and vote at the meeting. Each attendee may be asked to present valid government-issued picture identification, such as a driver's license or passport.

If you hold your shares through a stockbroker or other nominee, you will need to provide proof of ownership by bringing either a copy of the voting instruction card provided by your broker or a copy of a brokerage statement showing your share ownership as of February 6, 2017, together with proof of identification. As of January 19, 2017, Carnival Corporation had 535,835,649 shares of common stock issued and outstanding. A: You may vote “FOR,” “AGAINST” or “ABSTAIN” for each of the proposals, except that in the case of Proposal 12, you may vote “1,” “2,” “3” or “ABSTAIN.” If you “ABSTAIN,” it has no effect on the outcome of the votes, although abstentions will be counted for the purposes of determining if a quorum is present for joint electorate actions. If you submit a proxy or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Boards of Directors.

Q: *What happens if additional proposals are presented at the meeting?*

A: Other than the proposals described in this Proxy Statement, Carnival Corporation does not expect any matters to be presented for a vote at the 2017 Annual Meeting. If you grant a proxy, the persons named as proxy holders, Micky Arison, Carnival Corporation’s Chairman of the Board, and Arnaldo Perez, Carnival Corporation’s General Counsel and Secretary, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is unable to accept nomination or election (which is not anticipated), the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Boards of Directors.

A: Broadridge Financial Solutions will tabulate the votes and a representative of Computershare Investor Services will act as the inspector of elections.

CARNIVAL PLC DIRECTORS' REPORT

Directors' Report

Carnival plc and Carnival Corporation are separate legal entities (together referred to in this report as "Carnival Corporation & plc") and each company has its own Board of Directors and Committees of the Board. However, as is required by the agreements governing the dual listed company ("DLC") arrangement, there is a single senior management team and the Boards of Directors and members of the Committees of the Boards are identical. The Directors' Report has been prepared and presented in accordance with and in reliance upon UK company law and, accordingly, the liabilities of the Directors in connection with the Directors' Report shall be subject to the limitations and restrictions provided by such law.

In accordance with the UK Financial Conduct Authority's Listing Rules, the information to be included in the Annual Report and Accounts, where applicable, under Listing Rule 9.8.4, is set out in this Directors' Report, with the exception of the details regarding interest capitalized, which are set out in the Carnival plc consolidated IFRS financial statements, and the details of long-term incentive schemes, which are set out in the Directors' Remuneration Report.

Future developments of the business and business model of Carnival Corporation & plc can be found in the Strategic Report that accompanies the Carnival plc consolidated IFRS financial statements under the following sections, respectively: 2.A.II Visions, Goals and Related Strategies and 2.C. Our Global Cruise Business.

Post balance sheet events, including share repurchases and ship construction contracts, can be found in Notes 17 and 22, respectively, of the Carnival plc consolidated IFRS financial statements.

Dividends

During the year ended November 30, 2016, Carnival plc paid four regular quarterly dividends totaling \$1.30 per ordinary share (2015—\$1.05). In January 2017, the Boards of Directors declared a quarterly dividend of \$0.35 per share. For this quarterly dividend, the Boards of Directors approved a record date of February 24, 2017, and a payment date of March 17, 2017.

Although dividends are declared in U.S. dollars, they are paid in sterling to the holders of ordinary shares in Carnival plc unless they elect to receive their dividends in U.S. dollars. Dividends payable in sterling are converted from U.S. dollars into sterling at the U.S. dollar to sterling exchange rate quoted by the Bank of England in London at 12:00 p.m. on the next combined U.S. and UK business day that follows the quarter end.

Holders of the Carnival plc's American Depositary Shares are paid their dividend in U.S. dollars.

Since January 2004, Bedell Trustees Limited, as trustee of the P&O Princess Cruises Employee Benefit Trust, holds shares to satisfy awards granted under the Carnival plc 2005 Employee Share Plan. The trustee has waived its right to all dividends payable by Carnival plc. Dividends paid during fiscal 2016 over which rights were waived amounted to \$198,817.

Share Capital and Control

Changes in the share capital of Carnival plc during fiscal 2016 are given in Note 16 to the Carnival plc consolidated IFRS financial statements.

ANNEX A

The share capital of Carnival plc at January 19, 2017 includes two allotted and issued subscriber shares of £1 each, 50,000 allotted but unissued redeemable preference shares of £1 each, one allotted and issued special voting share of £1 and 216,038,487 allotted and issued ordinary shares of \$1.66 each. The subscriber shares carry no voting rights and no right to receive any dividend or any amount paid on a return of capital. The redeemable preference shares carry no voting rights, but are entitled to payment of a cumulative preferential fixed dividend of 8 percent per annum on the amount paid up on each such share that is in issue. On a return of capital on a winding up or otherwise, the redeemable preference shares rank behind the ordinary shares but ahead of any other class of shares, and are entitled to receive payment of the amount paid up or credited as paid up on each such share. Redeemable preference shares which are fully paid may be redeemed at any time at the election of the holder or of the company, in which case the amount payable on redemption is the amount credited as paid up on each share which is redeemed, together with all arrears and accruals of the preferential dividend.

Details of options over ordinary shares and restricted stock units granted to employees are given in Note 20 to the Carnival plc consolidated IFRS financial statements.

The Articles of Association of Carnival plc contain provisions which, in certain circumstances, would have the effect of preventing a shareholder (or a group of shareholders acting in concert) from holding or exercising the voting rights attributable to shares in Carnival plc which are acquired by them. These provisions would have effect if a shareholder (or a group of shareholders acting in concert) were to acquire ordinary shares in Carnival plc with the result that the total voting rights exercisable by that shareholder or group of shareholders on matters put to a vote as joint electorate actions under the DLC arrangement would exceed 30 percent of the total voting rights exercisable in respect of any joint electorate action. They would also have effect if a shareholder (or group of shareholders acting in concert) already holding between 30 percent and 50 percent of the total voting rights exercisable in respect of any joint electorate action were to acquire shares in Carnival plc and thereby increase the percentage of voting rights so held. In each such case, the percentage of voting rights held is determined after taking into account voting rights attributable to shares of Carnival Corporation common stock held by such shareholder (or group of shareholders) and also taking into account the effect of the equalization ratio which gives effect to common voting by the shareholders of Carnival plc and Carnival Corporation on joint electorate actions under the DLC arrangement.

Under the relevant provisions of the Articles of Association of Carnival plc (articles 277 to 287) shares which are acquired by a person and which trigger the thresholds referred to in the foregoing paragraph may be sold at the direction of the Board, and the proceeds remitted to the acquiring shareholder, net of any costs incurred by Carnival plc. Pending such sale any dividends paid in respect of such shares would be paid to a charitable trust, and the trustee of such trust would be entitled to exercise the voting rights attaching to the shares.

The restrictions summarized in the preceding paragraphs would not apply in the case of an acquisition of shares that is made in conjunction with a takeover offer for Carnival plc, which is announced in accordance with the City Code on Takeovers and Mergers, for so long as that offer has not lapsed or been withdrawn. However, if such a takeover offer is not made, or lapses or is withdrawn, the restrictions will apply in respect of any acquired shares.

The foregoing is a summary only of the relevant provisions of the Articles of Association of Carnival plc, and for a complete understanding of their effect, shareholders are recommended to refer to the Articles of Association themselves. A copy of the Articles of Association of Carnival plc is available at Carnival plc's website at www.carnivalplc.com or upon request from the Company Secretary, 3655 N.W. 87th Avenue, Miami, Florida 33178, United States of America.

There is one significant agreement to which Carnival plc is a party, which may be altered or terminated in the event of a change of control. This is the Amendment and Restatement Agreement dated June 16, 2014 in respect of the Facilities Agreement dated May 18, 2011, by and among Carnival Corporation, Carnival plc, Bank of America Merrill Lynch International Limited, and various other lenders, which provides for \$1.9 billion, €500 million and £169 million revolving credit facilities and which may, under certain circumstances, be cancelled upon a change of control of Carnival plc, other than a change which results in control of Carnival plc being vested in Carnival Corporation or in certain members of the Arison family or trusts related to them.

Articles of Association

The Articles of Association of Carnival plc may be amended by the passing of a special resolution of the shareholders. In common with many other corporate actions that might be undertaken by Carnival plc, such a resolution would be proposed as a joint electorate action on which the shareholders of Carnival plc and of Carnival Corporation effectively vote as a single unified body, as contemplated by the DLC arrangement.

Purchase of Own Shares

The Boards of Directors have authorized the repurchase of up to an aggregate of \$1.1 billion of Carnival Corporation common stock and Carnival plc ordinary shares subject to certain restrictions (the "Repurchase Program"). At January 19, 2017, the availability under the Repurchase Program was \$389.3 million. The Repurchase Program does not have an expiration date and may be discontinued by the Boards of Directors at any time.

In addition to the Repurchase Program, the Boards of Directors have authorized the repurchase of up to 22 million Carnival plc ordinary shares and up to 26.9 million shares of Carnival Corporation common stock under the Stock Swap programs described in the Carnival Corporation & plc joint Annual Report on Form 10-K.

Shareholder approval is not required to buy back shares of Carnival Corporation, but is required under the Companies Act 2006 to buy back shares of Carnival plc. At the Annual General Meetings held on April 14, 2016, the authority for Carnival plc to buy back its own shares was approved. This authority enabled Carnival plc to buy back up to 21,645,614 ordinary shares of Carnival plc (being approximately 10 percent of Carnival plc's ordinary shares in issue). Under the Repurchase Program, 919,824 Carnival plc ordinary shares have been purchased through January 19, 2017. Carnival Corporation & plc treats any such repurchases made by Carnival Corporation or Carnival Investments Limited under the Repurchase Program and the Stock Swap Programs as if they were made by Carnival plc under the Carnival plc buy back authority. That approval expires on the earlier of (i) the conclusion of Carnival plc's 2017 Annual General Meeting or (ii) October 4, 2017.

Directors

The names of all persons who served as Directors of Carnival Corporation and Carnival plc during fiscal 2016 and biographical notes about each of the Directors are contained in the Proxy Statement. Details of the Directors' membership on Board Committees are set out in the Carnival plc Corporate Governance Report attached as Annex C to the Proxy Statement.

As of the date of this report, 30% of the members of the Boards are women (being three of ten members).

Upon becoming a member of the Board of Directors of Carnival plc, each new Director participates in an induction process, which includes a meeting with all of the current Directors, provision of an induction pack, site visits and meetings with senior and operational management teams. The Directors

ANNEX A

update their skills, knowledge and familiarity with Carnival plc by attending appropriate external seminars and training courses, meeting with senior management and visiting regional and divisional operating offices.

The appointment and replacement of Directors of Carnival plc is governed by the provisions of the Articles of Association of Carnival plc and also by the provisions of the Equalization and Governance Agreement entered into on April 17, 2003 on the establishment of the DLC arrangement. The Articles of Association and the Equalization and Governance Agreement require that the Boards of Directors of Carnival plc and Carnival Corporation be comprised of exactly the same individuals.

The business of Carnival plc is managed by the Board of Directors, which may exercise all the powers of Carnival plc, including without limitation the power to dispose of all or any part of the company's assets, to borrow money, to mortgage or pledge any of its assets and to issue debentures and other securities.

Details of the Directors' remuneration and their interests in the shares of Carnival Corporation and Carnival plc are set out in Part II of the Carnival plc Directors' Remuneration Report attached as Annex B to the Proxy Statement.

Corporate and Social Responsibility

Health, environmental, safety, security

The Boards of Directors of Carnival Corporation & plc established Board-level Health, Environmental, Safety & Security (“HESS”) Committees comprised of four independent Directors. The principal function of the HESS Committees is to assist the Boards in fulfilling their responsibility to supervise and monitor Carnival Corporation & plc’s health, environmental, safety, security and sustainability-related policies, programs, initiatives at sea and ashore, and compliance with related legal and regulatory requirements. The HESS Committees and our management team review all significant risks or exposures and associated mitigating actions. Each of the Chief Executive Officers of our brands attends the meetings of the HESS Committees.

Carnival Corporation & plc recognizes its responsibility to provide industry leadership and to conduct our business as a responsible global citizen. Our corporate leadership is manifested in our Code of Business Conduct and Ethics, which requires that every employee and member of the Boards use sound judgment, maintain high ethical standards and demonstrate honesty in all business dealings. As a responsible global citizen, Carnival Corporation & plc is committed to achieving and maintaining the highest standards of professional and ethical conduct.

In addition, Carnival Corporation & plc’s HESS policy describes our commitments to:

- Protecting the health, safety and security of our passengers, guests, employees and all others working on behalf of Carnival Corporation & plc, thereby promoting an organization that is free of injuries, illness and loss;
- Protecting the environment, including the marine environment in which our vessels sail and the communities in which we operate, minimizing adverse environmental consequences and using resources efficiently and sustainably;
- Fully complying with or exceeding all legal and statutory requirements related to health, environment, safety, security and sustainability throughout our business activities; and
- Assigning health, environment, safety, security and sustainability matters the same priority as other critical business matters.

The HESS Policy is published on the Carnival Corporation & plc website at www.carnivalcorp.com or www.carnivalplc.com.

The Boards recognize that Carnival Corporation & plc needs to ensure that there is a consistent standard of operation throughout its fleet in keeping with its leading position in the cruise industry. In this regard, the Carnival Corporation & plc Maritime Policy & Analysis Department is headed by a Chief Maritime Officer, with a full-time professional and administrative staff, and is responsible for providing a common, integrated approach to management of HESS matters and for reporting to the HESS Committees on such matters. The Chief Maritime Officer reports to the Chief Executive Officer and to the Chairman of the HESS Committees.

The principal activities of the Maritime Policy & Analysis Department include establishing HESS Policy, standards and procedures, and measuring and reporting on HESS-related performance.

The Carnival Corporation & plc Risk Advisory & Assurance Services (“RAAS”) Department is headed by the Chief Audit Officer, who reports directly to the Chairs of the Audit and HESS Committees. The Chief Audit Officer also has a “dotted” reporting line to the General Counsel. The RAAS Department conducts annual HESS audits of each brand’s head office and of each ship in our fleet. These audits are in addition to the audits performed by external third-party certification and regulatory auditors.

ANNEX A

Each RAAS Department HESS audit is organized and planned to:

- Verify compliance with applicable rules, corporate standards, brand policies and procedures, regulations, codes, and guidance directly involved in the safe conduct of ship operations;
- Verify the effectiveness and efficiency of the shipboard and shore-side HESS management systems; and
- Identify opportunities for continuous improvement.

Carnival Corporation & plc has long been committed to operating responsibly. We believe that sustainability is about preserving our environment, respecting our employees and the communities where we do business and returning value to our shareholders. We voluntarily publish Sustainability Reports that address governance, stakeholder engagement, environmental, labor, human rights, society, product responsibility, economic and other sustainability-related issues and performance indicators. These reports, which can be viewed at www.carnivalcorp.com and www.carnivalplc.com, are developed in accordance with the Sustainability Reporting Guidelines established by the Global Reporting Initiative, the global standard for reporting on environmental, social and governance policies, practices and performance.

As part of our sustainability strategy, we have voluntarily reported our carbon footprint via the CDP (formerly, the Carbon Disclosure Project) each year since 2007. The CDP rates companies on the depth and scope of their disclosures and the quality of their reporting. We have developed a greenhouse gas inventory management plan in 2010 in accordance with the requirements of International Organization for Standardization (“ISO”) 14064-1:2006 standard and The Greenhouse Gas Protocol. Our submission included details of our most recently compiled emissions data and reduction efforts, along with our completion of an independent, third-party verification of our greenhouse gas emissions inventory. We also disclose our water stewardship through the CDP water program.

All of our brands’ environmental management systems are certified in accordance with ISO 14001 standard. The ISO, an international standard-setting body, produces worldwide industrial and commercial standards. ISO 14001 standard, the environmental management standard that was developed to help organizations manage the environmental impacts of their processes, products and services, presents a structured approach to setting environmental objectives and targets. It provides a framework for any organization to apply these broad conceptual tools to their own processes.

We are committed to reducing our air emissions and improving air quality by evaluating new and established technology solutions. Liquefied natural gas is one of the solutions we are working to implement across our fleet both in port and at sea due to its reduced carbon profile and cleaner emissions.

We continue our partnership with The Nature Conservancy, one of the world’s leading conservation organizations. We are leveraging our partnership in their efforts to restore coral reefs, protect marine ecosystems and promote natural systems to help reduce the impact of storms and rising sea levels in coastal communities.

ANNEX A

We have developed a set of 2020 sustainability goals reinforcing our commitment to the environment, our guests, our employees and the communities in which we operate. Our ten goals listed below are aimed at reducing our environmental footprint while enhancing the health, safety and security of our guests and crew members, and ensuring sustainable business practices across our brands and business partners:

Environmental Goals	<ul style="list-style-type: none"> Reduce intensity of carbon dioxide equivalent (“CO₂e”) emissions from operations by 25% by 2020 relative to our 2005 baseline Continue to improve the quality of our emissions into the air by developing, deploying and operating exhaust gas cleaning systems across our fleet Increase usage of ship-to-shore power connection capabilities Increase Advanced Wastewater Purification Systems coverage of our fleet capacity by 10 percentage points by 2020 relative to our 2014 baseline Continue to improve our shipboard operations’ water use efficiency by 5% by 2020 relative to our 2010 baseline Continue to reduce waste generated by our shipboard operations by 5% by 2020 relative to our 2010 baseline
Health, Safety and Security Goal	<ul style="list-style-type: none"> Continue to build on our commitment to protect the health, safety and security of guests, employees and all others working on our behalf.
Sustainable Workforce and Community Goals	<ul style="list-style-type: none"> Continue to build a diverse and inclusive workforce and provide all employees with a positive work environment and opportunities to build a rewarding career to further drive employee engagement Further develop and implement vendor assurance procedures ensuring compliance with Carnival Corporation & plc’s Business Partner Code of Conduct and Ethics Continue to work on initiatives and partnerships that support and sponsor a broad range of organizations for the benefit of the communities where we operate

Our ship fuel consumption and emission rates and our total ship fuel greenhouse gas emissions are as follows:

Measure	Units	2016	2015
Total ship fuel greenhouse gas emissions (in millions)	Tonnes CO ₂ e ⁽¹⁾	10.2	10.1
Ship fuel greenhouse gas emission rate	Grams CO ₂ e/ALB-KM ⁽²⁾	261	266

(1) Greenhouse gas emission data collection and calculations were performed in accordance with our greenhouse gas inventory management plan. The Greenhouse Gas Protocol and ISO 14064-3:2006 standard. Ship fuel emissions represent over 95% of the combined scope 1 emissions (direct emissions from sources that are owned or controlled by Carnival Corporation & plc) and scope 2 emissions (indirect emissions from the consumption of purchased electricity, heat or steam).

(2) We measure and report the ship fuel greenhouse gas emission rate in terms of grams of CO₂e per available lower berth kilometer (“ALB-KM”). This indicator enables us to make meaningful greenhouse gas emission reduction comparisons that take into account changes in fleet size, itineraries and passenger capacity.

- make judgments and estimates that are reasonable and prudent;

CARNIVAL PLC DIRECTORS' REMUNERATION REPORT - PART II

Certain information required to be included in the Carnival plc Directors' Remuneration Report is set forth in Part I (which is also known as the Compensation Discussion and Analysis) and in the Executive Compensation section of the Notice of Annual Meetings and Proxy Statement to which this Report is annexed (the "Proxy Statement"). The Compensation Discussion and Analysis and the relevant parts of the Proxy Statement should be read in conjunction with this Part II.

As explained in Part I, Parts I and II of this report form part of the Annual Report of Carnival plc for the year ended November 30, 2016. Carnival plc and Carnival Corporation are separate legal entities (together referred to in this Report as "Carnival Corporation & plc") and each company has its own Board of Directors and Compensation Committee. However, as required by the agreements governing the dual listed company ("DLC") arrangement, there is a single management team and the Boards of Directors and members of the Committees of the Boards are identical. Accordingly, consistent with prior years, we have included remuneration paid by Carnival Corporation and Carnival plc in the Carnival plc Directors' Remuneration Report. The Directors are primarily paid by Carnival Corporation as part of the DLC arrangement.

Both Parts I and II of this Report are in compliance with Schedule 8 of the Large and Medium-Sized Companies and Groups (Accounts and Reports) Regulations 2008, as amended (the "LMCG Regulations") and the UK Corporate Governance Code, the UK Companies Act 2006 and the Listing Rules of the UK Listing Authority.

Section A is the Implementation Section, which contains the disclosures in respect of the actual pay outcomes for fiscal 2016. Section B contains the Directors' Remuneration Policy, which is subject to a binding vote at the 2017 Annual General Meeting and will, if approved, take effect from April 5, 2017.

1. Statement by Randall J. Weisenburger, Chairman of the Compensation Committees

The major decisions on Directors' remuneration and the changes on Directors' remuneration during the year (and the context for these decisions and changes) are summarized in the Executive Summary section in Part I of this Report.

Section A: Implementation Section

2. Implementation Section (not audited)

2.1 Implementation of Approved Policy

The Directors' Remuneration Policy (the "2014 Policy") was approved by the Carnival Corporation and Carnival plc shareholders at the Annual General Meeting held in April 2014. The 2014 Policy will be operated by Carnival Corporation & plc until a new Directors' Remuneration Policy, which is being submitted for shareholder approval at the 2017 Annual General Meeting, is approved (the "2017 Policy"). The 2014 Policy is included within Annex B of the 2014 Notice of Annual Meeting and Proxy Statement, which is available on our website at www.carnivalcorp.com or www.carnivalplc.com. The proposed 2017 Policy is set forth below in Section B.

The Compensation Committees have regard to the UK Corporate Governance Code and are satisfied that both the 2014 Policy and the proposed 2017 Policy support the long-term success of Carnival Corporation & plc and include due regard to corporate and social responsibility issues and to managing risk within the group.

Annex B

During the year, the following actions were taken for 2016 or anticipated for fiscal 2017 when implementing the 2014 Policy or 2017 Policy, if approved:

Executive Directors

Base salary	Annual salaries (not audited) Annual salary levels as at December 1, 2016 were: <ul style="list-style-type: none">• Mr. Donald – \$1,500,000• Mr. Arison – \$1,000,000 No increase was made to Mr. Donald's or Mr. Arison's salary for fiscal 2016. Mr. Donald's salary changed for fiscal 2017 from \$1,000,000 for fiscal 2016 to bring his base salary up from a relatively low base salary to a broadly median salary position and recognize his proven performance since being appointed over three years ago. Details of the companies considered as comparators for the market competitive reviews described above are set out in Part I.
Annual Bonus	Fiscal 2016 Annual Bonus (audited) The annual bonus program is referred to as the Management Incentive Plan. Details of the performance measures and targets for Mr. Donald's annual bonus in respect of fiscal 2016 are included in Part I. As in previous years, the selected performance measure was Corporation Operating Income and application of this measure in accordance with the policy focuses Mr. Donald on achieving appropriate performance results as reflected by income from the operations of Carnival Corporation & plc as well as other relevant measures. Mr. Arison does not participate in our performance-based annual bonus program. Annual bonus for Executive Directors who served throughout fiscal 2016 were as follows: <ul style="list-style-type: none">• Mr. Donald – \$4,041,250 representing a bonus outcome of 152.5% of target• Mr. Arison – Nil This outcome did not involve the exercise of any discretionary adjustments (up or down) to the individual annual bonus amounts. Additionally, Mr. Donald is eligible, depending on service, to participate in an all-employee profit sharing arrangement as further detailed in the section on pensions below. Fiscal 2017 Annual Bonus – Performance measures and targets (not audited) For fiscal 2017, the key performance measure will again be Corporation Operating Income.

	<p>Full details of the process for setting the Corporation Operating Income Target for fiscal 2017 and of how achievement of Corporation Operating Income in relation to that target can produce bonus outcomes is set out in Part I.</p> <p>The Corporation Operating Income Target for fiscal 2017 will be disclosed at the end of the performance period, as it is strategic and commercially sensitive to disclose at this time.</p> <p>For fiscal 2017, Mr. Donald's target bonus is \$3,000,000 (with the maximum possible bonus being 200% of this level). His target bonus level, which had been unchanged for the last three years at \$2,650,000, has been increased for fiscal 2017 to an appropriate market level and has increased at a lower rate than his salary increase.</p> <p>Mr. Arison does not participate in our performance-based annual bonus program.</p> <p>As reported in Part I, the annual bonus program includes clawback features that will require participants to reimburse us for all or a portion of payments received under the program in the case of a participant's wrongdoing that results in a material restatement of our financial statements.</p>
<p>Long-Term Incentive Compensation</p>	<p>Long-Term Incentive Compensation in Fiscal 2016 (audited)</p> <p>Descriptions of the share grants made to Mr. Donald during fiscal 2016 and their vesting conditions are set out in Part I. The share grants made to Mr. Donald during fiscal 2016 are disclosed in Section 4.2 below, which is audited. No share grants were made to Mr. Arison in fiscal 2016.</p> <p>Within the 2014 Policy, a TBS grant with a value of approximately \$2,100,000 was made to Mr. Donald in January 2016 relating to his performance during fiscal 2015.</p> <p>For fiscal 2016 long-term incentives, the TBS grant was replaced. The TBS grant value was reallocated between the following annual performance-based equity incentives:</p> <ul style="list-style-type: none"> • the Performance-Based Share ("PBS") grant made in April 2016 and • the Management Incentive Plan-Tied Equity ("MTE") grant made in January 2017. <p>During fiscal 2016, the Compensation Committees approved an MTE target grant value for Mr. Donald. The actual 2016 Management Incentive Plan payout percentage is then applied to the MTE target grant value to determine the actual MTE grant value, which may be from zero to 200% of target. The actual MTE grant value earned is then converted into a number of RSUs that cliff vest after three years from the date of grant. The MTE grant for Mr. Donald in January 2017 was as follows:</p>

Annex B

Named Executive Officer	MTE Target Value (\$)		2016 Payout Percentage		MTE Grant Value (\$)		Closing Price On Grant Date		RSUs Received (#)
Arnold W. Donald	1,050,000	x	152.5%	=	1,601,250	÷	\$53.09	=	30,161

Mr. Donald received a target PBS grant of 47,407 shares in April 2016. The PBS grant made to Mr. Donald in fiscal 2016 is capable of vesting between zero to 200% of target based upon the extent to which operating income, as adjusted for certain fuel price changes and currency exchange rate impacts, for each of the three fiscal years in the 2016-2018 performance cycle and return on invested capital (“ROIC”) for the single three-year performance cycle exceeds the specified performance goals. This result is modified up or down by up to 10% at the end of the three-year performance cycle depending on Carnival Corporation & plc’s total shareholder return (“TSR”) rank relative to the 2016 Peer Group. Under the terms of the grant, the operating income result is weighted 70% and ROIC result is weighted 30%. The operating income and ROIC targets will be disclosed at the end of the performance period (as these targets are deemed strategic and commercially sensitive).

The Compensation Committees approved the PBS grant to Mr. Donald after an evaluation of current market practice, the aggregate market positioning of total direct compensation, and the Compensation Committees’ focus on the alignment between Mr. Donald’s pay outcomes and Carnival Corporation & plc’s long-term performance.

The 2014 PBS grant made to Mr. Donald in April 2014 reached the end of the performance period at the end of fiscal 2016 and will vest on February 15, 2017 and the special PBS grant made to him on October 14, 2013 reached the end of its performance period on October 14, 2016, with 50% of the earned special PBS grant vesting on October 18, 2016, and the other 50% scheduled to vest on October 14, 2017. The performance measures, targets and achievement of the 2014 PBS grant and the special PBS grant are set out in Part I.

Long-Term Incentive Compensation in Fiscal 2017 (not audited)

All long-term incentive compensation for fiscal 2017 for Mr. Donald will continue to be 100% at risk and performance-based.

The PBS grant will have a target value of \$3 million and the MTE target grant will have a value of \$1.5 million.

In addition to the PBS and MTE grants, it is anticipated that Mr. Donald may receive a shareholder equity alignment (“SEA”) grant, with a target of 35,000 shares. The SEA grant to be made in fiscal 2017 will be subject to absolute TSR growth, as modified by relative TSR measured against Carnival Corporation & plc’s fiscal 2017 peer group.

The monetary amounts referred to for the MTE and PBS grants above are made as a number of shares using the share price at the date of grant. The SEA grant is made as a number of shares. As explained in Part I, grants are calculated by reference to the value of shares to facilitate external comparisons and also comparison to other forms of compensation.

	<p>PBS and SEA grants to be made in fiscal 2017 will be subject to performance conditions which the Compensation Committees approve as appropriate at the time the grants are made. The MTE grants will be subject to pre-grant performance conditions tied to the Management Incentive Plan. The precise metrics for the PBS grants have not been finalized at the date of this Report, but may be based on similar measures as the grants made in fiscal 2016, which may include operating income and ROIC, with the precise performance measures, targets and maximums set shortly prior to making the grant. Given the introduction of the SEA grant, it is not anticipated that subsequent PBS grants will be subject to a TSR modifier. These targets will be disclosed at the end of the performance period (as these targets are deemed strategic and commercially sensitive).</p> <p>No long-term incentive compensation will be made to Mr. Arison in fiscal 2017.</p>
Benefits	<p>Benefits in Fiscal 2016 (audited)</p> <p>The detailed benefits provided to Mr. Arison are described in the footnotes to the single figure table in Section 4.1 below. The detail of benefits provided to Mr. Donald is set out in the All Other Compensation table in the Executive Compensation section of the Proxy Statement.</p> <p>Benefits in Fiscal 2017 (unaudited)</p> <p>Benefits provided in fiscal 2017 are expected to be similar to those provided in fiscal 2016.</p>
Pensions	<p>Pensions in Fiscal 2016 (audited)</p> <p>Details of the pension entitlements that Mr. Arison participated in fiscal 2016 are set out in Section 4.4 below.</p> <p>Mr. Donald participated in the Carnival Corporation Fun Ship Savings plan, a qualified 401(k) plan (the “401(k) Plan”) during fiscal 2016. Under this plan, employee contributions are capped at the U.S. Internal Revenue Service (“IRS”) prescribed limits, with an employer matching contribution of up to 50% of this level possible), all of which is subject to discrimination testing. Carnival Corporation also operates a profit sharing arrangement under which participants who are deemed highly compensated employees under IRS regulations are paid the equivalent of their annual matching award (less any amount actually contributed by Carnival Corporation to the 401(k) Plan on their behalf as a matching contribution) and profit sharing contribution as additional cash compensation. This is currently set according to a prescribed scale as set out in the section relating to Pension Benefits in the Executive Compensation section of the Proxy Statement.</p> <p>Pensions in Fiscal 2017 (unaudited)</p> <p>No material changes to the arrangements are anticipated for 2017.</p>

Annex B

Stock Ownership Guidelines	Stock Ownership Policy (audited) A description of the stock ownership policy applicable to Executive Directors is set out in Part I. During fiscal 2016, the Board increased the target ownership level applicable to the Chairman and/or the Chief Executive Officer from five times base salary to six times base salary. Both Mr. Arison and Mr. Donald comply with the applicable levels.
-----------------------------------	---

Non-Executive Directors

Fees	Fees in Fiscal 2016 (not audited) As described in last year's Report, during fiscal 2016, Non-Executive Directors were entitled to a \$110,000 annual retainer. For fiscal 2016, the Senior Independent Director received an additional retainer of \$25,000 per annum. In addition, Non-Executive Directors receive additional compensation for serving as Chairperson of a Board Committee as set out in "Director Compensation" section of the Proxy Statement. Restricted Stock Grants in Fiscal 2016 (audited) Each Non-Executive Director re-elected in April 2016 received share grants worth approximately \$160,000. The restricted shares vest on the third anniversary of the grant date, and are not forfeited if a Director ceases to be a Director after having served as a Directors at least one year. Fees in Fiscal 2017 (not audited) No material changes to the arrangements are anticipated for 2017.
Stock Ownership Guidelines	Stock Ownership Policy (audited) A description of the stock ownership policy applicable to Non-Executive Directors is set out in Part I. New Directors must achieve this requirement no later than five years from the date of their initial election to the Boards by the shareholders. Other than Ms. Deeble, who was appointed during the year, each of the Non-Executive Directors serving in 2016 has already achieved this Board-mandated requirement.

2.2 Service Contracts (not audited)

Because Directors, other than Mr. Donald, do not have formal agreements, it is not feasible to include a table with the unexpired terms. Mr. Donald's terms are summarized in the Proxy Statement. As explained more fully in the Proxy Statement, Mr. Donald would generally receive an amount equal to one times his base salary and target bonus upon termination.

Non-Executive Directors are appointed under terms set out in a letter of appointment. They do not have service contracts and their appointments can be terminated (by the Boards) without any compensation on termination. However, they may retain their share grants (if they have already served for at least one year) and may receive a departing gift of up to \$25,000 in value.

3. Implementation Section (not audited)

3.1 Compensation Committees

The membership of the Compensation Committees during the year consisted of three members who are deemed independent by the Boards of Directors: Randall J. Weisenburger (chairman), Richard J. Glasier and Laura Weil. The members of the Compensation Committees are appointed by the Boards based on the recommendations of the Nominating & Governance Committees. Further details regarding the Compensation Committees (including the number of meetings of the Compensation Committees held in fiscal 2016 and the attendance of the members at such meetings) can be found in the Carnival plc Corporate Governance Report attached as Annex C to the Proxy Statement.

Details of the Compensation Committees' process for making compensation determinations, including the advice provided by internal colleagues and external advisors are set out in Part I. As stated in Part I, Frederic W. Cook & Co., Inc. (together with its UK affiliated firm, FIT Remuneration Consultants LLP, which is a member of the Remuneration Consultants Group, the UK professional body, and complies with its code of conduct) were appointed by the Compensation Committees as their external advisors. The advisors were appointed following a tender process and are subject to an ongoing periodic review by the Compensation Committees of their independence and quality. They provide no other services to Carnival Corporation & plc and, accordingly, are considered independent by the Compensation Committees and to provide objective advice.

Fees paid to the Compensation Committees' external advisors in fiscal 2016 were \$538,350, such fees being charged on these firms' standard terms of business for advice provided.

3.2 Shareholder Voting on Remuneration Matters

The Annual Meetings of Shareholders of Carnival Corporation and Carnival plc were held on April 14, 2016. The results of this are outlined in the table below.

Proposal	For		Against		Withheld	Broker Non-Votes
	No. of Votes	%	No. of Votes	%	No. of Votes	No. of Votes
To approve the fiscal 2015 compensation of the Named Executive Officers of Carnival Corporation & plc	602,574,195	95.75%	26,731,336	4.25%	2,271,396	18,796,100
To approve the Directors' Remuneration Report (other than the Carnival plc Directors' Remuneration Policy) for the year ended November 30, 2015	617,130,158	96.34%	23,446,387	3.66%	9,796,482	—

The vote on the 2014 Policy, held at the 2014 Annual General Meeting was reported in the 2015 Directors' Remuneration Report and is incorporated by reference into this Directors' Remuneration Report.

Carnival Corporation & plc has a long-standing shareholder outreach program and routinely interacts with shareholders on a number of matters, including executive compensation. The Compensation Committees consider all constructive feedback received about executive compensation.

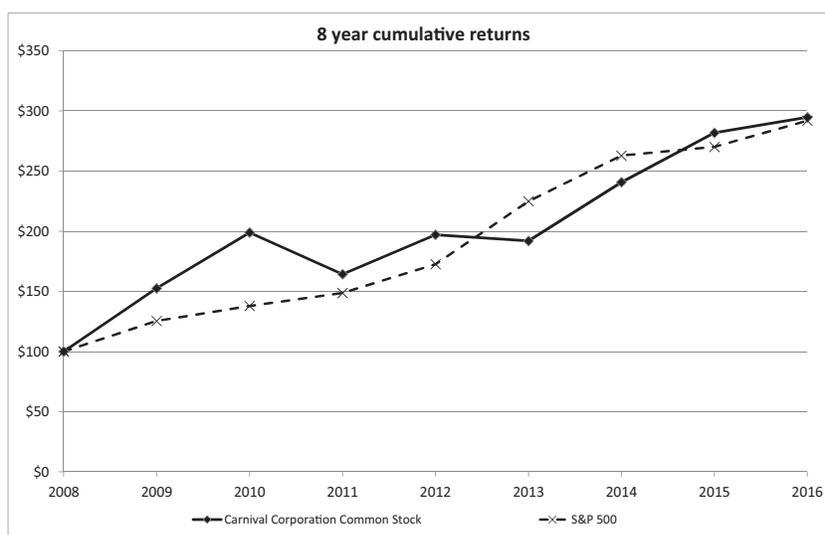

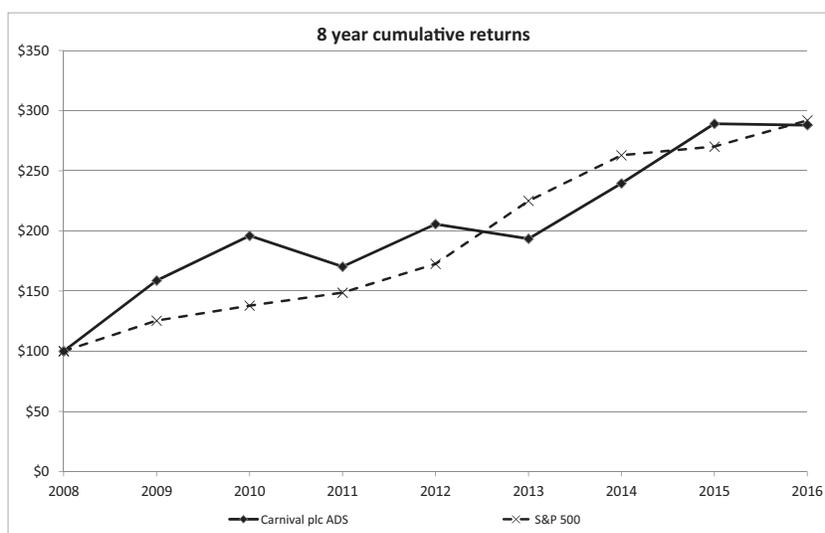

In April 2016, shareholders approved our remuneration proposals. Following its review of the 2016 and prior voting results, the Compensation Committees decided that all compensation of Mr. Donald, other than base salary, pensions and benefits, will be 100% at risk and performance-based and redesigned

Annex B

the long-term incentive arrangements to ensure that all elements became subject to performance conditions. The changes were in compliance with the 2014 Policy. We continued to seek and incorporate shareholder feedback in our compensation deliberations. The Compensation Committees have and will continue to consider results from the annual shareholder advisory votes, including the next vote in April 2017, as well as other shareholder input, when reviewing executive compensation programs and policies.

3.3 Performance Graph and Table

Graphs representing TSR performance for both Carnival Corporation and Carnival plc have been included in the Carnival Corporation & plc 2016 Annual Report within the section titled “Stock Performance Graphs” on pages 73 and 74, respectively. The LMCG Regulations require similar tables but comparing to only one recognized index. The tables below show a comparison to the S&P 500 index of which Carnival Corporation is a constituent (as a broad index) for a period from December 1, 2008 to November 30, 2016 and have been calculated on a U.S. dollar basis.

Annex B

The following table sets out, for the President and Chief Executive Officer, the total remuneration as seen in the single figure table, the bonus paid as a percentage of the maximum opportunity, and the number of shares that have vested against the maximum number of shares that could have been received over an eight-year period.

Year	Name	Single Figure of Total Remuneration (\$000)	Annual Bonus as a % of Maximum	PBS Vesting as a % of Maximum ⁽¹⁾
2016	Mr. Donald	\$31,235	76%	94%
2015	Mr. Donald	\$10,621 ⁽²⁾	87%	80%
2014	Mr. Donald	\$ 7,241	74%	N/A
2013	Mr. Donald ⁽³⁾	\$ 1,919	N/A ⁽⁴⁾	N/A
2013	Mr. Arison ⁽³⁾	\$ 2,213	0%	0%
2012	Mr. Arison	\$ 6,196	29%	N/A
2011	Mr. Arison	\$ 5,716	35%	N/A
2010	Mr. Arison	\$ 7,590	53%	N/A
2009	Mr. Arison	\$ 9,769	44%	N/A

- (1) The reference to long-term incentive vesting only includes PBS grants because TBS grants do not have a variable vesting level.
(2) The 2015 single figure has been updated to reflect the actual share price on the vesting date of the 2013 PBS grant.
(3) The fiscal 2013 figures have been pro-rated for each individual to reflect the period in office as a Chief Executive Officer.
(4) The annual performance bonus for Mr. Donald is not applicable because for fiscal 2013, he received a fixed bonus amount as provided for in his employment agreement.

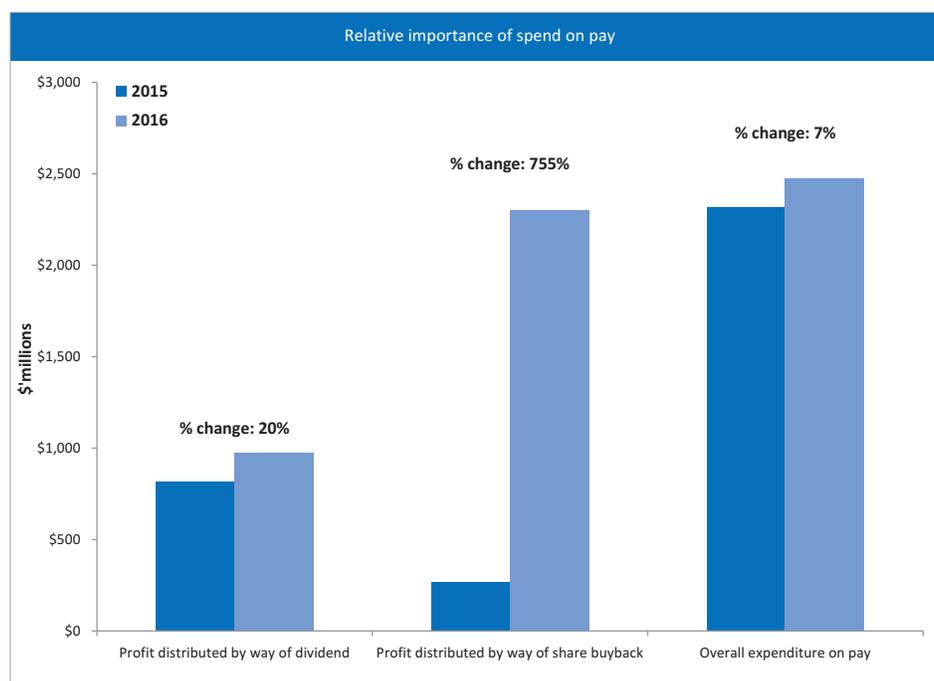

3.4 Percentage Change in Pay of Chief Executive Officer Fiscal 2015 to Fiscal 2016

The prescribed pay elements are: salaries, taxable benefits, and annual bonus outcomes. UK staff were selected and retained for the purposes of this comparison as it is a requirement of the LMC Regulations so the Compensation Committees considered it logical to provide comparison for that jurisdiction. The percentages for UK staff have been calculated using a full time equivalent weighted-average number of UK staff for each year.

	Change in Salary (%)	Change in Benefits (%)	Change in Annual Bonus (%)	Change in Total (%)
CEO	0	6.4	(12.5)	(9.6)
Staff	4.5	7.4	(18.2)	2.5

Annex B

3.5 Relative Importance of Spend on Pay

- (1) Profit distributed by way of dividend taken as dividends declared set out in the Consolidated Statements of Shareholders' Equity in the Carnival Corporation & plc joint Annual Report on Form 10-K.
- (2) Profit distributed by way of share buyback returned to shareholders as purchases of treasury stock, inclusive of stock swap benefits, in the Consolidated Statements of Shareholders' Equity.
- (3) Overall expenditure on pay has been calculated on a broadly consistent approach to the standard UK approach to calculating this amount and includes all global staff using normal accounting conventions for benefits and includes expected value assumptions in respect of share grants and so is not consistent with methodologies used elsewhere in this Part II.

- (6) The 2015 PBS amount has been updated to reflect the actual share price on vesting of the 2013 PBS grant.

During fiscal 2016, Mr. Donald served as a Non-Executive Director of companies outside the Carnival Corporation & plc group, for which he earned cash fees totaling \$207,009, which he retained.

The compensation of the Non-Executive Directors of Carnival Corporation and Carnival plc for fiscal 2016 is as follows. The format is different from the preceding table for Executive Directors as certain aspects (such as bonus and pension) do not apply to Non-Executive Directors.

- (1) Details of the matters provided within Benefits are disclosed in and taken from the Director Compensation section of the Proxy Statement. Consistent with past practice, benefits reflect the position under U.S. tax rules.
- (2) Restricted stock grants are structured as restricted stock (with dividends paid as they arise) at the election of the Director. The reported figures are the value of the grants made during the year using the average share price over the last three months of the fiscal year and include dividends actually received in respect of those grants in the year.

The aggregate emoluments (being salary, bonuses, fees and benefits, and excluding long-term incentives and pensions) of all Directors during fiscal 2016 was approximately \$7.3 million.

4.2 Share Plan Grants Made to Directors in Fiscal 2016

The LMCg Regulations require disclosure of grants made in the year plus a table of aggregate outstanding awards, separately detailing grants that vest or are exercised in the year. The latter information is included in Section 4.3 below.

- (1) The terms of TBS and PBS granted to one Executive Director and the terms of restricted stock granted to Non-Executive Directors and the basis on which these grants are made are summarized in the table above are described in the "Director Compensation" and "Executive Compensation" sections of the Proxy Statement.
- (2) Face values for all are calculated using the closing share prices at the relevant grant dates being: \$53.94 at January 11, 2016, \$51.68 at April 13, 2016 and \$51.57 at April 14, 2016.
- (3) Only PBS grants have performance measures. These are described in Part I of this Report. Consistent with U.S. practice, these have been included at their target values. To comply with the LMCg Regulations, a column for the maximum percentage (before dividend accrual) has been included and the UK face values should be taken as the reported figure multiplied by those percentages. Similarly, the threshold percentages are expressed as a percentage of target rather than maximum. The performance period for the April 2016 PBS grants is fiscal 2016, 2017 and 2018.

4.3 Directors' Shareholding and Share Interests

Details of Carnival Corporation & plc's stock ownership requirements for Executive Directors are set out in Part I. Mr. Arison and Mr. Donald comply with the policy, which require each of them to own Carnival Corporation or Carnival plc shares with a value equivalent to six times his salary.

The stock ownership policy for Non-Executive Directors provides that all Non-Executive Directors are required to own shares (inclusive of unvested restricted stock, RSUs and shares in a trust beneficially owned by the Director) of either Carnival Corporation common stock or Carnival plc ordinary shares with a value equal to four times the cash retainer. New Directors must achieve this requirement no later than five years from the date of their initial election to the Boards by the shareholders. Other than Ms. Deeble, who was appointed during the year, each of the Non-Executive Directors has already achieved this Board-mandated requirement.

The following table shows the total outstanding (plus those exercised during the year) shares under any incentive plans.

(1) Additional shares will be provided for the 2014 PBS grant to take into account dividend reinvestment during the period.

The aggregate gain on the exercise of share options and on other shares that vested during fiscal 2016 were \$46,000 and \$18,104,575, respectively. These values are based on the closing prices of Carnival Corporation common stock and Carnival plc ordinary shares on the respective exercise or vesting dates of the shares. All Directors receive Carnival Corporation common stock, which are denominated in U.S. dollars.

Details of the Directors' interests are as follows*:

** As part of the establishment of the DLC arrangement, Carnival plc issued a special voting share to Carnival Corporation, which transferred such share to the trustee of the P&O Princess Special Voting Trust (the "Trust"), a trust established under the laws of the Cayman Islands. Shares of beneficial interest in the Trust were transferred to Carnival Corporation. The trust shares represent a beneficial interest in the Carnival plc special voting share. Immediately following the transfer, Carnival Corporation distributed such trust shares by way of a dividend to holders of shares of common stock of Carnival Corporation. Under a pairing agreement, the trust shares are paired with, and evidenced by,

certificates representing shares of Carnival Corporation common stock on a one-for-one basis. In addition, under the pairing agreement, when a share of Carnival Corporation common stock is issued to a person after the implementation of the DLC arrangement, a paired trust share will be issued at the same time to such person. Each share of Carnival Corporation common stock and the paired trust share may not be transferred separately. The Carnival Corporation common stock and the trust shares (including the beneficial interest in the Carnival plc special voting share) are listed and trade together on the New York Stock Exchange under the ticker symbol "CCL." Accordingly, each holder of Carnival Corporation common stock is also deemed to be the beneficial owner of an equivalent number of trust shares.

Details of the retirement benefits of current Directors arising from their participation in defined benefit pension arrangements are as follows

Executive Director	Accrued Benefit ⁽¹⁾ at Nov. 30, 2016 \$000	Increase/(Decrease) in Accrued Benefits Including Inflation \$000	Value of Increase/(Decrease) in Accrued Benefits Net of Inflation and Directors' Contributions \$000

- (1) The accrued benefit is that pension which would be paid annually on retirement at the normal retirement age of 65 under the various defined benefit plans described in Part I of the Carnival plc Directors' Remuneration Report in the Proxy Statement based on service to November 30, 2016. Current Directors are not entitled to any early retirement benefits.

4.5 Payments for Loss of Office

No payments for loss of office (as that term is defined in the LMGC Regulations) were made during the year.

Section B: Directors' Remuneration Policy (not audited)

The following section contains the material required to be set out in the 2017 Policy for the purposes of Part 4 of the LMGC Regulations. If approved by shareholders, the 2017 Policy is to take effect from April 5, 2017 (being the date of the Annual General Meeting).

1. Future Policy Tables

General statement on policy

The future policy tables set forth below apply in respect of the Directors. They have mandatory force, which means that payments may not be made outside the scope of the policy without prior shareholder consent. The 2017 Policy is in a similar format to the 2014 Policy and all key changes are summarized in an additional column to the tables.

Executive Directors

Element	Purpose and Link to Strategy	Operation	Maximum	Performance Conditions	Changes to the Policy
Context of Policy	As a U.S. headquartered business with most senior executives based in the U.S., the Compensation Committees' overall approach to total compensation is to set pay by reference to U.S. market practice. Similarly, the design of bonus and long-term incentives is largely driven from a U.S. context.				
Base Salary	Provide a baseline level of fixed compensation that reflects level of responsibility.	Salaries are reviewed after results for the prior fiscal year are available. Salaries may be increased if merited by performance or other market factors in order to attract or retain our executives. Each year a competitive market review is undertaken to assist the Compensation Committees in their assessments. This assessment is undertaken against companies that the Compensation Committees consider to be appropriate. This data is used to inform considerations rather than to benchmark to any particular peer group level and the Compensation Committees apply appropriate judgment in consideration of the data.	As a consequence of the LMCG Regulations, the Compensation Committees need flexibility to consider appropriate increases so will operate to an individual cap of \$1,500,000 per annum with this level increasing from the date of approval by the increase from the date of approval in US CPI or (a similar measure of inflation if this ceases to be readily available). It will apply the factors set out in the previous column in considering salary adjustments and will not automatically gravitate to the maximum.	None	None although the cap will become index linked from renewal of the policy.
Annual Bonus	To focus executives' attention on achieving outstanding Carnival Corporation & plc performance against pre-determined financial targets as well as other relevant measures.	The annual bonus plan is referred to as the Management Incentive Plan ("MIP"). Performance measures are chosen for each performance period to focus participants on achieving appropriate financial performance results as well as other relevant measures. At or following the commencement of each fiscal year, the Compensation Committees determine the target	200% of target bonus. The Compensation Committees reserve the right to reduce (but not increase) this percentage. Target bonuses may be set on such basis as the Compensation Committees consider to be appropriate and, in particular, may be adjusted each year to reflect changes in the performance metrics for the year.	The Compensation Committees may set such performance measures and targets for the annual bonus as they consider appropriate. These performance measures may be financial or non-financial and	No material changes. The 2017 Policy has been updated to reference the clawback provisions now in force. This preliminary bonus is then moderated, which may increase or decrease the final bonus amount – see performance conditions.</p> <p>Bonuses are all currently paid in cash although the Compensation Committees reserve discretion to build in the ability to defer part of the bonus (whether into cash or shares).</p> <p>It is currently anticipated that the bonus will continue to be cash settled. However, practice relating to the operation of long-term incentives has been revised to replace time-based grants with MTE grants (see Long-Term Incentive Compensation section below), the level of which will vary in line with bonus levels and, therefore, is analogous to UK style bonus deferred when aggregated with the cash bonuses. However, such grants are made under the Long-Term Incentive Compensation section of the policy.</p> <p>Carnival Corporation & plc has a clawback provision applicable to the annual bonus. The clawback provisions may be modified from time to time but currently apply in the case of fraud, negligence, intentional or gross misconduct or other wrongdoing on the part of an individual that results in a material restatement of the issued financial statements. Clawback would also apply for any other event or</p>	<p>The target levels are set for each fiscal year as described in the preceding column. At threshold, target and maximum, such level as the Compensation Committees determine for that year (currently: 50%, 100% and 200% of target respectively) will be provisionally granted. Moderation The Compensation Committees may moderate (up or down but in all cases subject to the overriding bonus cap for that year) the preliminary bonus outcomes in relation to financial outcomes taking account of both technical factors (such as the impact of changes in accounting principles), unusual gains and losses and other events outside the control of management and individual performance (such as successful implementation of strategic initiatives) as more fully detailed in Part I. Such moderation is a judgmental assessment by the Compensation Committees and not subject to formulae.</p>

Notes:

1. The rationale for all performance measures and the process for setting performance targets are explained in the relevant sections of the table.
2. The general principle of the policy is to remunerate people for their personal responsibility and contribution. In order to deliver this, different reward mechanisms are used for different populations. Where the reward mechanisms differ, they reflect the appropriate market rate position for the relevant roles.

2. Recruitment Remuneration Policy

The following represents guidelines considered reasonable by the Compensation Committees, but they may need to change in relation to securing an appropriate candidate whose appointment would, in their view, be in shareholders' best interests.

- In terms of the principles for setting a package for a new Executive Director, the starting point for the Compensation Committees will be to look to the general policy for Executive Directors as set out above and structure a package in accordance with that policy. However, as provided for in the relevant regulations, the Compensation Committees reserve the right to make payments of base salary and make benefit or pension provisions outside of the scope of the general policy (and its caps) for Executive Directors to meet individual circumstances of the recruitment (recognizing that such events are inherently exceptional and unplanned and that it would be disproportionate to seek shareholder approval).
- Ignoring any special recruitment arrangements which may prove to be necessary, the annual bonus and long-term incentive compensation arrangements will operate (including the maximum grant levels) as detailed in the general policies in relation to any newly appointed Director.
- For an internal appointment, any variable pay element provided in respect of the prior role may either continue on its original terms or be adjusted to reflect the new appointment as appropriate.
- For external and internal appointments, the Compensation Committees may agree that Carnival Corporation & plc will meet certain relocation expenses as Compensation Committees consider appropriate and/or to make a contribution towards legal fees in connection with agreeing employment terms.
- Whether to enter into an employment agreement and the terms of such agreement will be determined at the time having regard to norms in the U.S. and/ or where the executive will be based.
- Where it is necessary to make a recruitment related equity grant to an external candidate, Carnival Corporation & plc will not pay more than is, in the view of the Compensation Committees, necessary and will in all cases seek, in the first instance, to deliver any such grants under the terms of the existing incentive pay structure. It may, however, be necessary in some cases to make such grants on terms that are more bespoke than the existing annual and equity-based pay structures in Carnival Corporation & plc in order to secure a candidate. Details of any such grants will be appropriately disclosed.
- All such grants for external appointments (whether to buy-out forfeited grants or negotiated as a sign-on grant), whether under the annual bonus plan, MTE, PBS or otherwise, will take account of the nature, time-horizons and performance requirements for any remuneration relinquished by the individual when leaving a previous employer and will only include guaranteed sums where the Compensation Committees consider that it is necessary to secure the recruitment.
- For the avoidance of doubt, where recruitment related grants are intended to replace existing grants held by a candidate in an existing employer, the maximum amounts for incentive pay as stated in the general policies will not apply to such grants. The Compensation Committees have not placed a maximum limit on any such grants which it may be necessary to make as it is not considered to be in shareholders' interests to set any expectations for prospective candidates regarding such grants. Any recruitment-related grants which do not replace grants with a previous employer will be subject to the limits as detailed in the general policy.

Annex B

A new Non-Executive Director would be recruited on the terms explained above in respect of the main policy for Non-Executive Directors.

A new Executive Director's terms would be subject to agreement on joining. While Mr. Donald's employment agreement will be a reference point, the Compensation Committees will not automatically replicate it and will have due regard to internal provisions for other senior executives, developments in market and best practice globally and to the commercial circumstances at the time.

Mr. Donald. The terms of Mr. Donald's employment agreement are as follows:

Mr. Donald's employment agreement, originally entered into in October 2013, has been amended effective October 14, 2016 to extend the term for an additional one-year term to run through October 14, 2017 and to allow for long-term incentive grants as determined at the discretion of the Boards of Directors. The employment agreement will automatically renew for additional one-year periods unless the Carnival Corporation & plc or Mr. Donald gives at least 90 days' prior written notice. In the event of his earlier termination, the employment agreement provides for compensation of one times his base salary and target bonus for the year of termination. In the event of termination in connection with or following a change of control, the multiple would be two times. He would also be entitled to continuation of his benefits in kind for a period of up to 18 months.

If his employment agreement is terminated for cause (or Mr. Donald gives notice without good reason as defined in his employment agreement), he will not be entitled to the above sums and will simply receive any accrued but unpaid salary and other benefits. He will not be entitled to receive a bonus in respect of the year of termination (and will only be entitled to a bonus for any year which has been completed prior to his termination).

Under the terms of the employment agreement, all elements of his compensation beginning for fiscal 2016, is subjected to the discretion of the Compensation Committees.

His contract also includes certain indemnities from Carnival Corporation consistent with the arrangements for others and with U.S. practice.

3. Policy on Payments for loss of office

All Executive Directors

For the avoidance of doubt, the LMCg Regulations do not require the inclusion of a cap or limit in relation to payments for loss of office. The Compensation Committees will take all relevant factors into account in deciding whether any discretion should be exercised in an individual's favor in these circumstances, and the Compensation Committees will aim to ensure that any payments made are, in their view, appropriate in the context of where the executive resides and are fair and reasonable.

In addition to any such payment, the Compensation Committees reserve discretion to:

- Retain perquisites which they currently receive for a period
- Pay an annual bonus for the year of departure (pro-rated to the period actually worked)
- Retain or accelerate vesting of any outstanding equity grants

Further detail on the terms of the potential payments upon termination or change of control are contained in the Executive Compensation section of the Proxy Statement.

Any amounts already accrued under non-qualified deferred compensation arrangements, any pension-related arrangements or the Carnival Corporation Fun Ship Nonqualified Savings Plan, which have already accrued to the executive, will be retained and will not be a termination payment.

Acceleration of share grants may occur following a change of control if an executive’s position was terminated or may occur following the termination of their employment as disclosed in detail in the Potential Payments upon Termination or Change of Control part of the Executive Compensation section of the Proxy Statement.

Non-Executive Directors

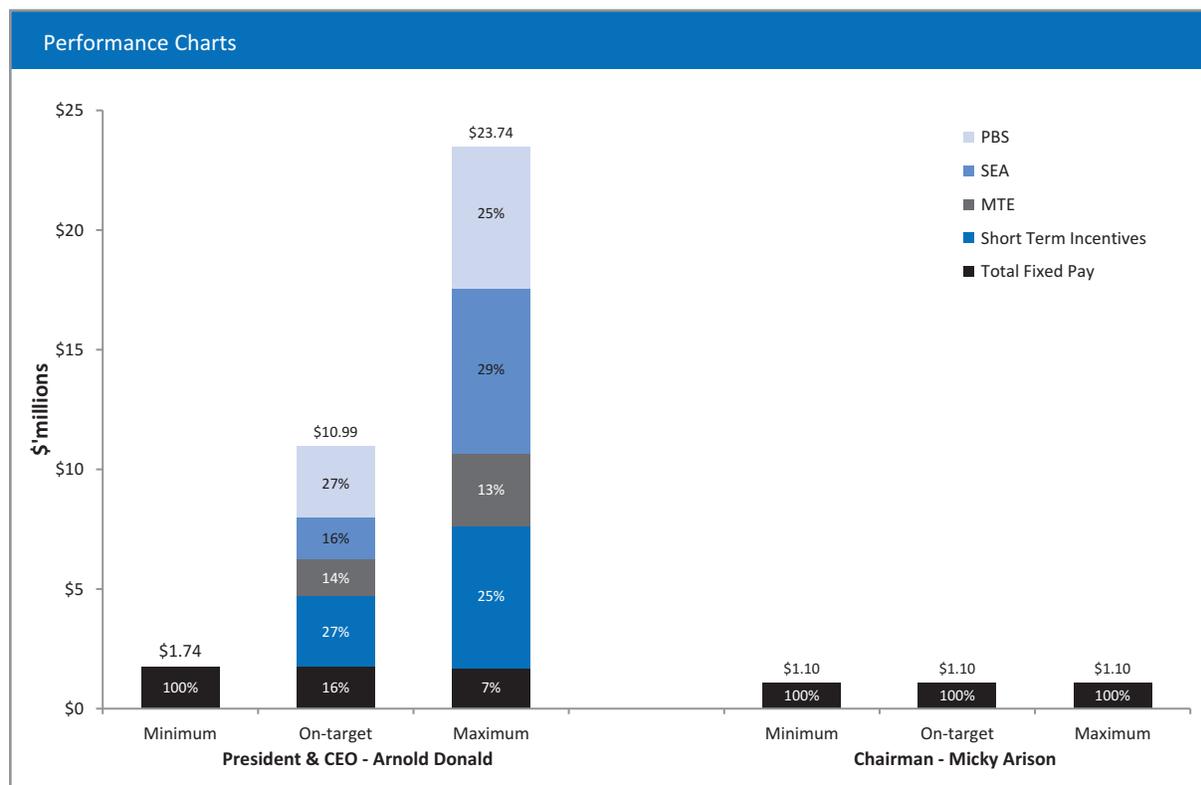

The Non-Executive Directors are not entitled to any compensation on termination but, once they have served for at least one year, they will retain all outstanding equity grants. However, a departing gift may be provided up to a value of \$25,000 per Non-Executive Director.

Mr. Arison. The Compensation Committees have adopted a policy not to enter into employment contracts with longer-serving U.S. executives. Accordingly, Carnival Corporation & plc do not have an employment agreement with Mr. Arison that would pay any cash severance benefits in connection with termination of employment.

Mr. Donald. The terms of Mr. Donald’s employment agreement are summarized at Section 2 above.

4. Performance Scenarios

The LMCG Regulations require the inclusion of scenario charts for each Executive Director showing the levels of compensation which an individual could expect to earn under the policy for fiscal 2017 in certain circumstances. To assist the reader, the tables distinguish between MTE, PBS and SEA and the other elements of fixed pay.

Annex B

The assumptions used in the tables are summarized below:

Minimum	<ul style="list-style-type: none"> • Consists of base salary, benefits and pension. • Base salary is the salary to be paid in fiscal 2017. • Benefits measured as reported benefits received in fiscal 2016. • Pension measured as the cash lump sum paid in fiscal 2016.

While the precise grant levels are set each year, the Compensation Committees believe this is indicative of ongoing policy.

5. Consideration of employment conditions elsewhere in the group

In determining the compensation policy and the compensation payable to the Executive Directors, the Compensation Committees took the pay and employment conditions of employees of the Carnival Corporation & plc group (“Carnival group”) into account. The Carnival group’s pay policy ensures a clear and direct link between the performance of the Carnival group or relevant operating company and compensation. Substantial use of performance-based compensation not only ensures the continued alignment of the interests of shareholders and senior executives within the Carnival group, but also enables the Carnival group to attract, retain and motivate the talented people upon whom our success depends. Carnival Corporation & plc is committed to encouraging strong performance through a reward system that aligns management’s interests with those of its shareholders.

Across the workforce more broadly, many employees participate in bonus and commission plans based on the performance of their employing company. Where locally competitive, employees are also provided savings plans such as 401(k) plans, company-sponsored pension plans, life insurance plans and a range of other employment benefits. In addition to these elements, the Carnival Corporation & plc also issues share-based compensation to management to incentivize, retain and recruit talent which encourages an ownership culture among employees. The Company does not operate any compensation or incentive plans in which only Executive Directors participate.

In accordance with prevailing commercial practice, the Compensation Committees did not consult with employees in preparing the Directors' Remuneration Policy. The Compensation Committees take into account information provided by the human resources function and external advisors.

6. Consideration of shareholders' views

As described further in Part I, the Compensation Committees took into account the approval levels of compensation-related matters at our Annual General Meetings in determining that the current compensation philosophy and objectives remain appropriate for use in determining the compensation of Directors through analysis of proxy reports and direct engagement with major investors, as appropriate.

Carnival Corporation & plc has a long-standing shareholder outreach program and interacts with shareholders and proxy advisors on executive compensation. The Compensation Committees consider all constructive feedback received about executive compensation. We continue to seek and incorporate shareholder feedback in our compensation deliberations, as appropriate. The Compensation Committees have and will continue to consider results from the annual shareholder advisory votes, as well as other shareholder input, when reviewing executive compensation programs and policies.

CARNIVAL PLC CORPORATE GOVERNANCE REPORT

Corporate Governance

Carnival Corporation and Carnival plc (together referred to as “Carnival Corporation & plc”) operate under a dual listed company arrangement with primary listings in the U.S. and the UK. Accordingly, Carnival Corporation & plc has implemented a single corporate governance framework consistent, to the extent possible, with the governance practices and requirements of both countries. Where there are customs or practices that differ between the two countries, Carnival Corporation & plc has nonetheless sought to be compliant with UK best practices whenever possible. Carnival Corporation & plc believes that its resulting corporate governance framework effectively addresses the corporate governance requirements of both the U.S. and the UK.

Corporate Governance Guidelines

Carnival Corporation & plc has adopted corporate governance guidelines (the “Guidelines”) that set forth the general governance principles approved by the Boards of Directors. These principles are available on Carnival Corporation & plc’s website and are summarized as follows:

- A majority of the members of each of the Boards must be independent in accordance with the corporate governance rules applicable to companies listed on the New York Stock Exchange and the London Stock Exchange.
- The Boards will each have at all times an Audit Committee, a Compensation Committee, a Health, Environmental, Safety & Security (“HESS”) Committee and a Nominating & Governance Committee (collectively, the “Committees”). All the members of the Committees will be independent Directors under the criteria applicable to companies listed on the New York Stock Exchange, the London Stock Exchange and any other applicable regulatory requirements. Each Committee has its own written charter, which principally sets forth the purposes, goals and responsibilities of the Committees.
- The Nominating & Governance Committees will review with the Boards, on an annual basis, the requisite skills and characteristics of new Board members, as well as the composition of the Boards as a whole. The Nominating & Governance Committees will assess and recommend Board candidates for appointment as Directors.
- The responsibilities of the Directors are laid out in the Guidelines and cover matters such as the Directors’ duties to Carnival Corporation & plc and its shareholders, attendance at meetings and the annual review of Carnival Corporation & plc’s long-term strategic plans and the principal issues that Carnival Corporation & plc may face in the future.
- The Non-Executive Directors shall appoint a Senior Independent Director to preside at meetings of the Non-Executive Directors and at Board meetings in the absence of the Chairman, and to serve as the principal liaison for Non-Executive Directors.
- Directors have free and full access to officers and employees of Carnival Corporation & plc, to the advice and services of the Company Secretary to the Boards and to independent professional advice at the expense of Carnival Corporation & plc.
- The Compensation Committees will recommend the form and amount of Director and senior executive compensation in accordance with the policies and principles set forth in its charter and conduct an annual review thereof. In particular, the Compensation Committees will annually review the compensation of the Chief Executive Officer (“CEO”) and his performance to enable the CEO to provide strong leadership for Carnival Corporation & plc in the short and long-term.

ANNEX C

- The Boards and the Nominating & Governance Committees are responsible for CEO and board succession planning.
- The Nominating & Governance Committees will maintain orientation programs for new Directors and continuing education programs for all Directors.
- The Boards will conduct an annual performance evaluation to determine whether they, their Committees and individual Directors are functioning effectively.
- The Non-Executive Directors will meet at least annually under the direction of the Senior Independent Director to conduct an appraisal of the Chairman's performance.
- All shareholders may communicate with the Boards by addressing all communications to the Company Secretary, who must forward any item requiring immediate attention to the Senior Independent Director, who must in turn notify the Boards of any matters for discussion or action as appropriate.

Carnival Corporation & plc monitors governance developments in the U.S. and the UK to support a vigorous and effective corporate governance framework.

Set out below is a statement of how Carnival Corporation & plc has applied the main principles of the UK Corporate Governance Code (formerly known as the Combined Code) published by the UK Financial Reporting Council in September 2014 (the "Corporate Governance Code") during the year ended November 30, 2016. A copy of the Corporate Governance Code is available on the website of the UK Financial Reporting Council at www.frc.org.uk. The requirements of rule 7.2.6R of the UK Listing Authority's Disclosure Guidance and Transparency Rules sourcebook can be found in the Carnival plc Directors' Report in Annex A of the Proxy Statement.

Board Composition

Each of the Boards of Directors is currently comprised of ten members, of which two are Executive Directors and eight are Non-Executive Directors. Except for Helen Deeble, who was appointed to the Boards in July 2016, each member of the Boards has served for the full year. All Directors are required to submit themselves for annual re-election. The biographical details of the members of the Boards standing for election or re-election and their qualifications to serve as Board and Committee members are contained in the Proxy Statement. All Directors elected in 2016 have been subject to a formal performance evaluation during the year, as described below.

As of the date of this report, 30% of the members of the Boards are women (being three of ten members).

Board Balance and Independence

As part of the Boards' annual independence assessment, each Director was required to complete an independence questionnaire. All questionnaires were reviewed and assessed by the full Board. Following this review, all of the eight nominees for election or re-election as Non-Executive Directors are considered by the Boards to be independent in accordance with the corporate governance rules of the New York Stock Exchange and the London Stock Exchange. Richard J. Glasier, Sir John Parker, Stuart Subotnick and Laura Weil have been Non-Executive Directors for more than nine years from the date of their first election to the Boards. However, notwithstanding this fact, the Boards have determined that each of those Directors is independent for the reasons set forth below.

Consistent with U.S. practice, the Boards believe that length of tenure should be only one of the factors considered with respect to the independence of Directors and, accordingly, that tenure alone should not result in the loss of independence. The Boards believe that automatic loss of independence status for Directors due to tenure would effectively operate as a term limit for independent Directors and result in the loss of the valuable contributions of Directors who have been able to develop, over time,

increasing insight into Carnival Corporation & plc and its operations. The Boards prefer to rely on rigorous annual evaluations of individual Directors to review their objectivity and independence, as well as their overall effectiveness as Directors. All Directors are also subject to annual re-election by shareholders following individual evaluations and recommendations by the Nominating & Governance Committees.

Directors' Indemnities

As at the date of this report, indemnities are in force under which Carnival Corporation & plc have agreed to indemnify the Directors of Carnival Corporation & plc, to the extent permitted by law and the Third Amended and Restated Articles of Incorporation of Carnival Corporation and the Articles of Association of Carnival plc, in respect of all losses arising out of, or in connection with, the execution of their powers, duties and responsibilities, as Directors of Carnival plc. Carnival Corporation & plc maintains insurance to indemnify the Directors when it is unable to do so due to insolvency or as a result of a derivative suit.

Board Procedures and Responsibilities

Meetings of the Boards are held on a regular basis to enable the Boards to properly discharge their responsibilities. During the year ended November 30, 2016, the Board of Directors of Carnival plc held a total of seven meetings. All Board meetings during the year were attended by the full Board except Ms. Deeble, who attended the one meeting held following her appointment to the Boards. In addition, the Non-Executive Directors meet periodically during the year with the Chairman of the Boards with no other Executive Directors present.

The agenda for each Board meeting and meeting schedules are prepared by the Chairman and reviewed and approved by Stuart Subotnick, the Senior Independent Director, to enable the flow of relevant information to the Boards. Each Board member is entitled to suggest the inclusion of items on the agenda and to raise at any Board meetings subjects that are not on the agenda for that meeting.

Non-Executive Directors are required to allocate sufficient time to meet the expectations of their role. The consent of the Chairman and the Senior Independent Director must be sought before accepting additional directorships that might affect the time a Non-Executive Director of Carnival Corporation & plc is able to devote to that role.

The Boards have resolved that Executive Directors may not serve as a Non-Executive Board member on more than one FTSE 100 or Fortune 100 company nor as the Chairperson of such a company.

Board Structures and Delegation to Management

The basic responsibility of the Directors is to exercise their business judgment in the way they consider, in good faith, would be most likely to promote the success of Carnival Corporation & plc and for the benefit of the shareholders as a whole. Further details of the responsibilities of the Directors are set out in the Guidelines. The Boards have a formal schedule of matters specifically reserved to them for decision, which includes the approval of:

- annual, interim and quarterly results and financial statements,
- dividends,
- significant changes in accounting policy,
- material acquisitions and disposals,
- material agreements,
- major capital expenditures,
- annual operating plans,

ANNEX C

- strategic plans,
- treasury policy,
- risk management policy,
- material changes to employee incentive plans as well as approval of share awards or other share-related benefits, and
- health, environmental, safety, security and sustainability policies.

Details of the Committees of the Boards are set out in the section below. In addition, any matters reserved for the Boards that arise between formal Board meetings that need to be resolved are delegated to an Executive Committee, comprising two Executive Directors and a Non-Executive Director. Any resolutions made by the Executive Committee are presented for ratification by the Board of Directors at the next Board meeting.

The strategic management and direction of, and significant commercial decisions in relation to, global operations of Carnival Corporation & plc, except to the extent reserved to the full Boards under their schedule of reserved matters, is delegated by the Boards to the Boards of subsidiary companies within the group and to management committees of the Boards, which in turn delegate to local management as appropriate.

Committees of the Boards

The following Committees have operated throughout the year. Each Committee has a written charter, copies of which can be found on Carnival Corporation & plc's website at www.carnivalcorp.com or www.carnivalplc.com.

The HESS Committees receive quarterly reporting from the Carnival Corporation & plc Maritime Policy and Analysis Department regarding the status of Carnival Corporation & plc's Environmental Compliance Plan and from the RAAS Department regarding the HESS auditing program, which includes all of our vessels, as well as any instances of non-compliance and planned remedial action.

The principal purpose of this Carnival plc Supplement to the Report of the Audit Committees is to comply with the Corporate Governance Code requirements, which are only applicable to Carnival plc.

Significant Accounting Judgments

The significant areas considered by the Carnival plc Audit Committee and discussed with the Carnival plc external auditors, PricewaterhouseCoopers LLP ("PwC"), for fiscal 2016 were as follows:

- *Impairment Reviews of AIDA Cruises ("AIDA"), Costa Cruises ("Costa") and Cunard Goodwill:* The Audit Committee considered whether the carrying value of AIDA's, Costa's and Cunard's goodwill held by Carnival plc should be impaired. The judgment in relation to the impairment assessments largely relates to the assumptions underlying the calculation of the fair value less the cost of selling (market participant) model. The Audit Committee evaluated the key assumptions, including assessing sensitivities, related to net revenue yields; net cruise costs, including fuel prices; capacity changes; weighted-average cost of capital and long-term growth rates. The Audit Committee performed this evaluation using reports received from management, including the Board approved strategic plan, outlining the basis for assumptions used. The Audit Committee determined that these key assumptions were reasonable and that AIDA's, Costa's and Cunard's goodwill was not impaired as of July 31, 2016 and that appropriate disclosures have been made in the Carnival plc consolidated IFRS financial statements (see Note 11).
- *Impairment Reviews of Certain Costa, P&O Cruises (Australia) and P&O Cruises (UK) Ships.* The Audit Committee considered whether the carrying value of certain ships within these fleets may be impaired. The judgment in relation to impairment largely relates to the assumptions underlying the calculation of the value in use of the ship being tested for impairment, primarily whether the strategic plan for these ships is achievable and the overall macroeconomic assumptions that underpin the valuation process. The Audit Committee evaluated the key assumptions, including assessing sensitivities, related to net revenue yields, net cruise costs, including fuel prices, life of these ships, estimated sale values, probability of sale occurring and recoverability of proceeds and discount rate. The Audit Committee addressed these matters using reports received from management outlining the basis for assumptions used. The strategic plan for these ships used in

the calculation was reviewed by the Audit Committee. The Audit Committee has determined that the judgments made by management are reasonable and that appropriate disclosures have been made in the Carnival plc consolidated IFRS financial statements (see Note 10).

- *Risks of fraud in relation to revenue recognition.* The Audit Committee considered the presumed risks of fraud as defined by auditing standards and was satisfied that there were no significant issues.

External Auditors and Audit Tendering

The Audit Committees have the responsibility for making a recommendation on the appointment, reappointment and removal of the external auditors. PwC was recommended by the Audit Committees for reappointment as auditors of Carnival plc at the Annual General Meeting held in April 2016, and reappointment was approved by the shareholders. The Audit Committees also reappointed PwC as Carnival Corporation's independent registered certified public accounting firm, as ratified by the shareholders at the April 2016 Annual General Meeting. In addition, the policy of the Audit Committees is to undertake a formal assessment of the auditor's objectivity and independence each year, which includes:

- a review of non-audit services provided and related fees;
- discussion with the auditors pertaining to a written report detailing all relationships with Carnival Corporation & plc and any other party that could affect the independence or the objectivity of the auditors; and
- evaluation with the Boards and management of the effectiveness of the external audit process.

PwC has served as Carnival Corporation's independent auditor from 1986 to 2002. In 2003, following formation of the DLC arrangement between Carnival Corporation and Carnival plc, the independent audits for the consolidated entity, Carnival Corporation & plc, and Carnival plc were tendered. Deloitte & Touche LLP, KPMG LLP and PwC participated in these tenders. Upon completion of this tender process, the Audit Committees decided to recommend to the shareholders that PwC be appointed as the Carnival Corporation and Carnival plc independent auditors for fiscal 2003. The Audit Committees annually evaluate PwC's performance and have each year recommended that the shareholders vote for the reappointment of PwC as Carnival plc's independent auditors.

The Competition and Market Authority's ("CMA") Statutory Audit Services for Large Companies Market Investigation (Mandatory Use of Competitive Tender Processes and Audit Committee Responsibilities) Order 2014 (the "CMA Order") applies to FTSE 350 companies for financial years beginning on or after January 1, 2015. Carnival plc confirms that it complied with the provisions of the CMA Order in fiscal 2016. The comply-or-explain provision in the Corporate Governance Code on audit tendering continues to apply to Carnival plc for the current year but has been withdrawn in the version of the Corporate Governance Code which applies to fiscal 2017. Carnival plc is also subject to European Union ("EU") regulations regarding this matter, which will apply to fiscal 2017.

The relevant EU regulation requires statutory auditors to rotate after a period of 20 years. This maximum period had been set in the UK, and includes a mandatory competitive tender of audit firms at the 10 year midpoint. The EU regulation and CMA Order also set out transitional rules that determine the latest date for the initial rotation or tender process. PwC has been Carnival plc's auditor since 2003, so the transitional rules state that they may not be reappointed more than nine years after June 2014, effectively meaning that the audit firm must be changed for the fiscal 2024 audit at the latest. In Carnival plc's case, the CMA's transitional rules have the same effect as the EU regulation.

As a result, the Audit Committees currently intend to tender the independent audits for the consolidated entity, Carnival Corporation & plc, and Carnival plc in 2022 for the 2024 audits.

Our reasons for not putting the audits out for tender until for fiscal 2024 and for recommending that PwC be appointed Carnival plc's auditor for 2017 are as follows:

- PwC is one of the largest independent audit firms in the world. In addition, PwC is uniquely qualified because they are the auditors for the three largest public cruise companies in the world, which comprise over 75% of the global cruise industry. As such, it has an exceptional level of understanding of the cruise industry, the significant accounting principles used by it and the economic environment in which it operates.
- Carnival Corporation & plc have periodically undertaken internal surveys to confirm PwC's qualifications and performance, the quality and candor of their communication with the Audit Committees and management and their independence, objectivity and professional skepticism. The results of these surveys have supported the Audit Committees' and management's recommendations to appoint PwC as the independent auditors of Carnival Corporation & plc and Carnival plc.
- PwC's lead audit engagement partner for Carnival Corporation & plc and its engagement partner for Carnival plc are rotated from the engagement at least every five years. The PwC engagement partners working on subsidiaries are rotated from these engagements at least every seven years or in the case of significant EU subsidiaries, for the periods beginning on or after June 17, 2016, the engagement partners will be rotated at least every five years. The Audit Committees and management believe the partner rotations support an independent auditor view of our operations and provide fresh insights into the audit processes.
- The Audit Committees meet regularly with PwC in executive sessions, where management is not present. These executive sessions, which are not required under UK or U.S. regulations, further support PwC's independence from management.
- The Audit Committees' Key Policies and Procedures establish a framework to monitor and maintain PwC's independence. These Key Policies and Procedures require, among other things, pre-approval from the Audit Committees for audit and permissible non-audit services prior to the performance of any such services in accordance with UK and U.S. regulations. The Audit Committees only approve services to be provided by PwC that are consistent with these regulations, which helps to support auditor independence.
- The communication between the Audit Committees and PwC has been timely and informative, which has assisted the Audit Committees in the performance of their oversight responsibilities.
- The Audit Committees and management believe that PwC has performed the audits of Carnival Corporation & plc and Carnival plc with proper professional skepticism and demonstrated the necessary knowledge, experience and skills to meet their audit requirements.
- Based on the review and analysis of audit fees of comparable public companies, the Audit Committees and management believe the PwC audit fees are competitive.

The Audit Committees continue to be confident that the effectiveness and independence of the external auditors is not impaired in any way. There are no contractual restrictions on the choice of external auditor and, therefore, a resolution proposing the reappointment of PwC as external auditors will be put to the Carnival plc shareholders at the 2017 Annual General Meeting.

The fees payable to PwC in respect of the audit and non-audit services provided to Carnival plc during fiscal 2016 were \$1.7 million and \$0.1 million, respectively. The policy on Audit Committee pre-approval and permissible non-audit work of the independent auditors, are set out in the Proxy Statement under the heading "Independent Registered Certified Public Accounting Firm," which is incorporated by reference into this Corporate Governance Report.

Information and Professional Development

The Company Secretary is required to provide members of the Boards with appropriate information in advance of each meeting and Directors are required to devote adequate preparation time reviewing this information in advance of each meeting. The Company Secretary is also responsible for advising the Boards through the Chairman on all corporate governance matters.

All Directors have access to the advice and services of the Company Secretary and are permitted to obtain independent professional advice, at Carnival Corporation & plc's expense, as he or she may deem necessary to discharge his or her responsibilities as a Director. A Director is required to inform the Senior Independent Director of his or her intention to do so.

Directors are offered the opportunity to attend training programs of their choice. The subject matter and content of such programs are reviewed periodically during the year.

Board Performance Evaluations

During fiscal 2016, the Nominating & Governance Committees conducted performance evaluations of the Boards, the Boards' Committees and the members of our Boards of Directors. The performance review of Micky Arison, in his role as Chairman, was conducted separately by the Non-Executive Directors, led by the Senior Independent Director, Stuart Subotnick, taking into account the view of the other Executive Director.

As part of the Boards' evaluation exercise, each Director was required to complete a questionnaire about the performance of the Boards and their Committees. All questionnaires were reviewed and assessed by the Nominating & Governance Committees.

In addition, the Nominating & Governance Committees reviewed the individual performance of each Director focusing on his or her contribution to Carnival Corporation & plc, and specifically focusing on areas of potential improvement. In making their assessment, the Nominating & Governance Committees reviewed considerations of age, diversity, experience and skills in the context of the needs of the Boards, and with the aim of achieving an appropriate balance on the Boards.

The Nominating & Governance Committees also discussed and reviewed with Non-Executive Directors any significant time commitments they have with other companies or organizations. In addition, the number of directorships held by Non-Executive Directors was taken into account, in line with Carnival Corporation & plc's policy on limiting multiple appointments.

The Nominating & Governance Committees reported the results of the reviews to the Boards, concluding that each Director was an effective member of the Boards and had sufficient time to carry out properly their respective commitments to the Boards, their Committees and all other such duties as were required of them. It is the view of the Nominating & Governance Committees that the Boards continued to operate effectively during fiscal 2016.

During fiscal 2016, the Nominating & Governance Committees also reviewed their own performance against their respective charters by completing questionnaires that were provided to the Chairman of the Nominating & Governance Committees. The results of such reviews were discussed among the members and reported to the Boards. The Boards concluded that the Nominating & Governance Committees continued to function effectively and continued to meet the requirements of their respective charters.

The Corporate Governance Code requires that an externally facilitated evaluation on the Board's effectiveness be undertaken at least once every third year. During fiscal 2016, the Nominating & Governance Committees engaged The Governance Solutions Group, an independent third-party governance expert which has no other connection with Carnival Corporation & plc, to perform an assessment of the effectiveness of the Boards. The third-party governance expert interviewed each

Director elected in 2016 and members of senior management who interact substantially with the Board, reviewed the results of the assessment with the Senior Independent Director and then organized and summarized the assessment for discussion with the full Board.

Directors' Remuneration

The Carnival plc Directors' Remuneration Report is presented in two parts, with Part I forming part of the Proxy Statement to which this report is annexed and Part II being attached as Annex B to that Proxy Statement. A resolution to approve the Directors' Remuneration Report will be proposed at the forthcoming Annual General Meeting. In addition, because it has been three years since the Directors' Remuneration Policy was approved by shareholders at the 2014 Annual General Meeting, as required by UK company law, a resolution to approve the revised Directors' Remuneration Policy will also be proposed for approval at the forthcoming Annual General Meeting.

Relations with Shareholders

The formal channels of communication by which the Boards communicate to shareholders the overall performance of Carnival Corporation & plc are the Annual Reports, Carnival plc half yearly financial report, joint Annual Report on Form 10-K, joint Quarterly Reports on Form 10-Q and joint Current Reports on Form 8-K, the Proxy Statement and press releases.

Senior management and Non-Executive Directors of Carnival Corporation & plc meet periodically with representatives of institutional shareholders to discuss their views and to enable the strategies and objectives of Carnival Corporation & plc to be well understood. Issues discussed with institutional shareholders include executive compensation, performance, business strategies and any corporate governance concerns.

Presentations are made to representatives of the investment community periodically in the U.S., the UK and elsewhere. Results of each fiscal quarter are reviewed with the investment community and others following each quarter on conference calls that are broadcast live over the Internet.

The Boards receive periodic briefings from management regarding feedback and information obtained from Carnival Corporation & plc's shareholders and brokers. During fiscal 2016, Carnival Corporation & plc's management made presentations to the Boards regarding shareholder issues. The Boards' members were also provided with copies of reports prepared by key market analysts.

Shareholders will have the opportunity at the forthcoming Annual General Meeting, notice of which is contained in the Proxy Statement to which this report is annexed, to put questions to the Boards, including the Chairpersons of the Committees of the Boards.

The Boards have implemented procedures to facilitate communications between shareholders or interested parties and the Boards. Shareholders or interested parties who wish to communicate with the boards or the Senior Independent Director should address their communications to the attention of the Company Secretary of Carnival Corporation & plc at 3655 N.W. 87th Avenue, Miami, Florida 33178-2428 U.S.A. The Company Secretary maintains a log of all such communications and promptly forwards to the Senior Independent Director, Stuart Subotnick, those which the Company Secretary believes require immediate attention, and also periodically provides the Senior Independent Director with a summary of all such communications and any responsive action taken. The Senior Independent Director notifies the Boards or the Chairman of the relevant Committees of the Boards of those matters that he believes are appropriate for further action or discussion.

Annual Meetings of Shareholders

As we have shareholders in both the UK and the U.S., we rotate the location of the Annual Meetings between the UK and the U.S. each year in order to accommodate shareholders on both sides of the Atlantic. Last year we held our Annual Meetings in the United States, and this year we will be holding them in the United Kingdom.

ANNEX C

This year the Annual Meetings will be held at The Dorchester, 53 Park Lane, Mayfair, London W1K 1QA, United Kingdom on Wednesday, April 5, 2017. The meetings will commence at 9:30 a.m. (BST), and although technically two separate meetings (the Carnival plc meeting will begin first), shareholders of Carnival Corporation may attend the Carnival plc meeting and vice-versa.

We are also offering an audio replay of the business portion of the Annual Meetings, which will be available shortly after the meetings at www.carnivalcorp.com or www.carnivalplc.com.

Internal control and risk management

A description of the Carnival Corporation & plc internal controls and risk management systems in relation to the financial reporting process can be found in the Strategic Report that accompanies the Carnival plc consolidated IFRS financial statements under section 4. Internal Control and Risk Assessment.

Directors' Responsibility for Financial Statements

The Statement of Directors' Responsibilities in relation to the Carnival plc financial statements follows the Carnival plc Directors' Report in Annex A of the Proxy Statement.

Statement of Compliance with the Corporate Governance Code published by the UK Financial Reporting Council in September 2014

Carnival Corporation & plc has applied the main principles of the Corporate Governance Code and complied with its provisions throughout the year ended November 30, 2016, with the following exception:

- annual bonuses of U.S. Executive Directors form part of their pensionable salary (which is explained in the Carnival plc Directors' Remuneration Report attached as Annex B to the Proxy Statement); and
- there was no audit tender during 2016 (which is explained above in this Corporate Governance Report).

In prior years, this statement also referred to granting long-term incentive awards, which were not subject to pre-vest performance conditions consistent with U.S. practice. Our Compensation Committees have changed our remuneration practices so all future grants for service beginning in 2016 are subject to either pre-grant or pre-vest performance conditions. The terms of equity-based awards granted for prior years remain unchanged.
